1099-B Proceeds From Broker and Barter Exchange Transactions (OMB No. 1545-0715)

The proceeds from each of the sales shown below in Box 2 are reported to the Internal Revenue Service on Forms 1099-B. In addition, we report security description, cusip #, and units. We do not report your net gains and losses to the Internal Revenue Service. An asterisk symbol (*) next to the tax cost indicates that the tax cost has been adjusted for the current year's return of capital.

A schedule of your net gains and losses is shown below. Please note that if you have sold an asset for which we do not have cost basis information, it is either shown separately in the section entitled Cost Not Available or it may appear with a zero tax cost. Please review these carefully when preparing your return.
