The Douglas Machine Foundation's objectives are to:

- Mission is closely related to the Foundation's focus areas.
- Programs or activities involving Douglas Machine employees and retirees.
- Services create sustainable community improvement.

The Douglas Machine Foundation typically receives many more requests than it can support. A decision to decline a request does not imply that the applicant's program is not needed or valued.

As a standard practice, the Foundation does not support:

- Organizations without 501(c)(3) and 509(a) status.
- Individuals.
- Social, labor, veterans, alumni or fraternal organizations serving a limited constituency.

Douglas Machine Foundation Benevolent Fund Guidelines

DOUGLAS MACHINE Employee Assistance

The Douglas Machine Benevolent Fund was created in 2007 as the arm of the Douglas Machine Foundation that supports company employees who need financial assistance due to a crisis situation in their lives. The purpose of this program is to provide confidential financial assistance to company employees during times of verifiable emergency situations.

Douglas Machine employees who are classified as regular full time or regular part time are eligible for assistance due to a crisis situation. A crisis situation must be an event impacting the employee, his/her spouse, or his/her dependents which is beyond the employee's control.

Examples of crisis situations which are considered for assistance include:

- Fire
- Natural disaster
- Theft or loss of property
- Accident
- Disease
- Extended illness or disability.

In cases of extended illness or disability, the fund is not intended to substitute or augment standard employee benefits such as health or disability insurance. The fund is, however, designed to provide assistance when extraordinary financial hardships result from the illness or disability.

Employees seeking emergency assistance shall meet with Douglas Machine's Human Resource Manager to complete a confidential application. All identifying information is removed to ensure confidentiality. A committee consisting of the Human Resource Manager and Douglas Machine's company officers reviews all applications and makes decisions based on the documented crisis and need. If the application is approved for assistance, as a general rule checks will be made payable to the creditor(s) on behalf of the employee.

The following documentation is required at the time of application:

- Written documentation or explanation of the incident which has created the financial hardship (i.e. physician's statements; accident, police or fire reports; etc.).
- Copies of statements for regularly occurring expenses of household members which cannot be paid (i.e. utilities, rent mortgage, insurance, car payment, day care, etc.).
- Copies of all co-payments, medical expenses, and pharmacy charges for medical conditions, if a physician's statement is submitted.
- Any other documentation which will support the case for emergency assistance.

As a general rule, up to \$2,000 may be awarded to an employee during any 12-month period and \$6,000 during the period of their employment with Douglas Machine. An employee may submit one application per crisis situation.

The Benevolent Fund also provides financial support for special community events directly benefiting an employee with a financial hardship. As a general rule, support for these events is in lieu of, instead of in addition to, direct assistance to the employee. Any employee may request this support on behalf of a fellow employee.

To apply for emergency assistance, or for more information, please contact Ray Frazee, Human Resource Manager, at 320.762.6222 or extension 6222.
