a. Tennant employee involvement with the agency; and

- b. Geographical focus in terms of where Tennant employees live and work and to what extent the applicant offers its services to Tennant communities.
- c. Requests from organizations which have been previously funded by the Tennant Foundation. It's expected that the Foundation will continue to limit new funding in order to ensure that adequate monies are available to fund ongoing commitments.

The following will not normally be considered for funding. As such, the Foundation discourages organizations who fall within any of these categories from submitting grant requests due to the very low probability of receiving a grant:

- 1. Organizations located outside the Minneapolis or western suburb area (except for a limited number of organizations located outside Minnesota in areas where Tennant has a concentration of employees).
- 2. Organizations funded by United Way.
- 3. Agencies also funded through umbrella organizations.
- 4. Organizations and programs designed to influence legislation or elect candidates to public office.
- 5. National organizations without active local chapters.
- 6. Religious organizations for religious purposes.
- 7. Individuals.
- 8. Elementary and secondary schools.
- 9. Trips or tours.
- 10. Tickets, tables, or advertising for benefit purposes.
