- 1 Briefly describe the organization's mission:
 The Historic Natchez Foundation's mission is to foster, encourage, and engage in the preservation, restoration, and development of historic and important sites, buildings, and personal property, in every way determined to be feasible, including the acquisition of buildings, sites, and other property for preservation and restoration and establishment of a revolving fund for this purpose
- 2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
 If "Yes," describe these new services on Schedule O.
- 3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
 If "Yes," describe these changes on Schedule O.
- 4 Describe the exempt purpose achievements for each of the organization's three largest program services by expenses. Section 501(c)(3) and 501(c)(4) organizations and section 4947(a)(1) trusts are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 103,775 including grants of \$ 5,000) (Revenue \$ 93,029)
PRESERVATION--The Foundation works to preserve endangered buildings and sometimes buys properties and places easements on the property before re-sale. In some instances, the Foundation undertakes restoration work before re-selling the property. During 2010, the Foundation owned six historic properties, three of which have been partially restored. Two funds are dedicated to preservation and restoration activities--the Masterson Fund and the Whatley Fund. The Foundation serves in an advisory capacity to the Preservation Commission of the City of Natchez and works with the city to insure that public and private projects meet historic preservation guidelines. On a daily basis, the Foundation advises and assists architects, contractors, developers, craftsmen, organizations, and the general public on proper restoration technology and the design of new buildings compatible within a historic context. The Foundation assists local citizens, accountants, lawyers, bankers, and developers on issues (local, state, and federal) related to the acquisition, development, and ownership of historic properties. The Foundation also supports other non-profits by providing office and meeting space to organizations with common objectives, including (1) the Natchez Downtown Development Association, a 501(c)(3) that participates in the Main Street Program of the National Trust for Historic Preservation, and (2) the Natchez National Historical Park.

4b (Code:) (Expenses \$ 107,717 including grants of \$) (Revenue \$ 10,151)
EDUCATION--Information about Natchez regional history, genealogy, architecture, and decorative arts is provided on a daily basis to local citizens, governmental and other organizations, visitors, scholars, writers, genealogists, historical associations, museums, documental filmographers, and others. The staff lectures about Natchez, general history, historic preservation, architecture, historic landscape, gardens, and decorative arts to local citizens, local and visiting organizations, and to groups out of town. The staff arranges visits and conferences that highlight Natchez history, historic preservation, architecture, historic landscape, gardens, and decorative arts. The Foundation opens its headquarters five days a week, on weekends with special programming, or by request. The Foundation also displays exhibits related to general history and history of the Natchez region. The Foundation operates a reproduction licensing program, which raises public awareness of the historic significance of Natchez and provides the impetus for cataloguing the city's decorative arts. In 2010, the staff continued to invest substantial time in writing text and providing images to the City of Natchez for a "Museum of the Streets" project, begun in 2009 in conjunction with a walking trails project. The Foundation also allows other organizations, such as the Natchez Historical Society, to use its facilities for educational programs.

4c (Code:) (Expenses \$ 27,526 including grants of \$) (Revenue \$ 2,180)
COLLECTIONS--(Foundation Archives, Artifacts, and Public Records)--The Foundation has a significant collection of important archival material, museum artifacts, and public records related to the history of the Natchez region, including books, photographs, documents, site files, subject files, artifacts, and public courthouse records. The archives and public records are made available on a daily basis to the public under supervision by the Foundation staff. The Adams County Board of Supervisors has entrusted the Foundation with the care and management of public courthouse records dating to the 18th, 19th, and 20th centuries. The county began relocating Circuit Court records to the Foundation headquarters in 1992, and the program expanded in 2008 to include Chancery Court records. The county provides a small amount of funding for records management from filing fees collected by the Chancery Clerk. The Foundation has sponsored a program in conjunction with universities and the National Park Service to preserve and catalogue these valuable historic documents. Staff members continually process the courthouse records to preserve them and to build a comprehensive computer database to make them more accessible to the public.

Part VI, B, line 15a

The process of determining compensation of the Executive Director does not include a review and approval by independent persons. The full board of trustees makes decisions related to compensation based on comparability data, merit, experience, and the annual budget. The Historic Natchez Foundation is a member organization of both the National Trust for Historic Preservation and the American Association of State and Local History, both of whom periodically undertake compensation surveys for historic preservation organizations, historical societies, and museums. The Foundation has no provisions for annual raises or cost of living salary adjustments. The executive director has 34 years of experience in the field of historic preservation and has been a full-time employee since 1992. Her salary is less than the national average for the position and experience.

Part VI, B, line 15b

The process of determining compensation of other key employees does not include a review and approval by independent persons. The full board of trustees makes decisions related to compensation based on comparability data, merit, experience, and the annual budget. The Foundation now has only two key employees, the executive director and the financial officer, who has an accounting degree and earns considerably less than the local and national average.

Part VI, C, line 19c
