Changes to the cost basis reporting laws are being phased in by the IRS over a three-year period and further changes to these regulations will be communicated to you in the future Changes will include an expansion in the types of securities covered by the regulations For instance, in future years, other security types, such as mutual funds, will become subject to these reporting obligations For more information regarding these changes at LPL Financial, please contact your financial advisor For tax advice, please contact your tax professional

ESTIMATED ANNUAL INCOME (EAI) AND ESTIMATED YIELD (EY)

EAI is calculated by taking the indicated annualized dividend and multiplying by the number of shares owned EY is calculated by taking the EAI and dividing by the aggregate value of the shares owned If no dividend information is available, no EAI or EY numbers will be generated EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts Additionally the actual dividend or yield may vary depending on the security issuer's approval of paying the dividends EY reflects only the income generated by an investment It does not reflect changes in its price, which may fluctuate

NON-TRANSFERABLE SECURITIES THAT ARE WORTHLESS

As part of our continuing effort to provide exceptional service, please be advised that LPL Financial will remove any non-transferable securities that are worthless from customer accounts Your account may or may not be affected Should you have any questions or concerns, please contact your financial advisor

MESSAGES FROM LPL FINANCIAL

DECEMBER DIVIDENDS FOR CERTAIN MUTUAL FUNDS

This statement may not reflect all dividends applied to late December 2010 on certain mutual fund shares that may be held in your LPL Financial account These dividends will be shown on your next month's statement For tax purposes, these dividends will be reported on your annual 1099-DIV statement as income earned during 2010 You will not receive a 1099-DIV statement for any dividends paid to a retirement account as such income is tax-deferred

YEAR-END ACCOUNT STATEMENTS/MULTIPLE FORM 1099s

This statement reflects only business conducted with your financial advisor during the time LPL Financial acted as broker-dealer If you transferred an account to LPL Financial from another broker-dealer during 2010, your previous firm(s) should send you one or more Form 1099s summarizing any reportable account activity that took place before your account was transferred to LPL Financial If your account was converted from Pershing during 2010, you may also receive one or more Form 1099s from those clearing firms Please be sure to include all Form 1099s when completing your tax returns

NEW IRS REQUIREMENTS FOR COST BASIS REPORTING BEGIN JANUARY 1, 2011

In accordance with new IRS regulations, LPL Financial will begin to report information regarding realized gains and losses on equities and ETFs acquired after January 1, 2011, to you and the IRS on Form 1099-B This reporting obligation will begin for the tax year beginning January 1, 2011 and you will receive any applicable 1099-B in early 2012

It is important that you consider any tax implications when placing equity trades in your account Unless otherwise directed, LPL Financial will sell your shares on a First-In, First-Out basis (FIFO), meaning that the oldest shares you acquired will be sold first and used to calculate any gain or loss on the transaction Alternatively, through the assistance of your financial advisor, you may specify the particular shares to be sold, however, this decision must be communicated by you to your financial advisor no later than the settlement date of your trade

Changes to the cost basis reporting laws are being phased in by the IRS over a three-year period and further changes to these regulations will be communicated to you in the future Changes will include an expansion in the types of securities covered by the regulations For instance, in future years, other security types, such as mutual funds, will become subject to these reporting obligations For more information regarding these changes at LPL Financial, please contact your financial advisor For tax advice, please contact your tax professional

ESTIMATED ANNUAL INCOME (EAI) AND ESTIMATED YIELD (EY)

EAI is calculated by taking the indicated annualized dividend and multiplying by the number of shares owned EY is calculated by taking the EAI and dividing by the aggregate value of the shares owned If no dividend information is available, no EAI or EY numbers will be generated EAI and EY for certain types of securities could include a return of principal or capital gains in which case the EAI and EY would be overstated EAI and EY are estimates and the actual income and yield might be lower or higher than the estimated amounts Additionally the actual dividend or yield may vary depending on the security issuer's approval of paying the dividends EY reflects only the income generated by an investment It does not reflect changes in its price, which may fluctuate

As part of our continuing effort to provide exceptional service, please be advised that LPL Financial will remove any non-transferable securities that are worthless from customer accounts Your account may or may not be affected Should you have any questions or concerns, please contact your financial advisor

LPL Financial

Disclosures and Other Information

Account Protection LPL Financial is a member of the Securities Investor Protection Corporation (SIPC). SIPC provides protection for your account up to $500,000, including $100,000 in free cash balances, in the unlikely event that LPL fails financially. SIPC protection limits apply to all accounts that you hold in a particular capacity. For example, if you hold two accounts at LPL as a sole account holder and a third as a joint account holder, the two individual accounts are protected under SIPC up to a combined limit of $500,000, and the joint account is protected under SIPC separately up to $500,000. Insured Cash Accounts are not protected by SIPC. LPL accounts have excess SIPC-like coverage to cover the net equity of customer accounts subject to a $750 million aggregate firm limit. More information on SIPC, including an SIPC Brochure, may be obtained by calling SIPC directly at (202) 371-8300 or by visiting www.sipc.org

Adjusted Cost The cost basis of securities sold, matured, redeemed or exercised is adjusted for return of principal, original issue discount, accrual and partnership distributions for CMO, CDO, REMIC and MLP transactions. Transactions on the Realized Gains and Losses Statement have not been adjusted for bond amortization, return of capital, liquidating distributions, wash sales or similar items. N/A displays when the information is incomplete or missing and is treated as zero when calculating totals.

Agency If LPL Financial acts as your agent, or as agent for both you and another person in a transaction, the transaction details, including the identity of the seller or buyer and the source and amount of any fees or payments will be supplied upon written request. Please note: if you hold an **Advisory Account** with LPL Financial, LPL acts as your agent for all account transactions.

Asset-backed Securities The actual yield from transactions in asset-backed securities (e.g., CMO, FNMA, FHLMC OR GMNA transactions) may vary according to the rate at which the underlying assets or receivables are repaid. Information about yield factors is available from your financial advisor on request.

Called Securities In the event of a partial call of corporate or municipal bonds, or preferred stock held in bulk segregation, the securities to be called will automatically be selected on a random basis, as is customary in the securities industry. The probability that your securities will be selected is proportional to the amount of your holdings relative to the bulk holdings. A detailed description of the random selection procedure is available upon request.

Change of Address Please notify your financial advisor/representative or LPL Financial promptly in writing of any change of address.

Cost Basis Transactions are automatically paired against holdings on a "First-In/First-Out" basis (unless manually adjusted). Designating liquidations as "versus payment" date on a trade confirmation will not automatically adjust the cost basis information on your statement. For assets not purchased in the LPL account, you or the previous broker/ dealer upon transfer may have provided the Date Acquired and Purchase Cost of the position. If no such data was submitted, N/A is listed as the Purchase Cost, and is treated as zero when calculating Gain or Loss totals. Since the cost basis on certain securities may have been provided by another source, the cost basis information on your statement may not reflect accurate data or correspond to data on your trade confirmations. This information should not be relied upon for tax reporting purposes. Please refer to your tax reporting statement, if applicable.

Discrepancies Please notify your financial advisor and LPL Financial immediately of any discrepancies on your statement. If your financial advisor is affiliated with another broker/dealer, you must notify them as well. Please contact your financial advisor for the broker/dealer's contact information. Your financial advisor's address and telephone number can be found on the bottom of each page of this statement. LPL Financial's telephone number is (800) 558-7567 and address can be found on the first page of this statement. Additionally, any verbal communications should be re-confirmed in writing to each of the above parties to further protect your rights, including rights under Securities Investor Protection Act (SIPA).

Free Credit Balances LPL Financial may use your free credit balances subject to the limitations of 17 CFR Section 240.15c3-3 under the Securities Exchange Act of 1934. You have the right to receive from us, upon demand in the course of normal business, the delivery of any free credit balances to which you are entitled, any fully paid securities to which you are entitled, and any securities purchased on margin upon full payment of any indebtedness to LPL Financial.

Insured Cash Accounts (ICA) Cash in the ICA program is protected by the Federal Deposit Insurance Corporation (FDIC). LPL Financial allocates your money in the ICA program to banks listed in the Priority Bank List in increments up to $250,000 per depositor per depository institution ($500,000 for joint accounts) until your balance in the ICA program is allocated up to a total of $1,500,000 ($3,000,000 for joint accounts). Recent legislation permanently increased FDIC coverage to $250,000 per depositor per bank ($500,000 for joint account holders). More information on FDIC insurance is available on request, or by visiting the FDIC website at www.fdic.gov. LPL Financial is not a bank. Unless otherwise disclosed, securities and other investments obtained through LPL Financial ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

Investment Risk LPL Financial is not a bank, savings and loan, or credit union. Securities and insurance offered through LPL and its affiliates are not FDIC, NCUA or government insured, not endorsed or guaranteed by LPL, its affiliates or any other financial institution, are not a deposit, and involve investment risk including possible loss of principal.

Investments Held Outside LPL Financial Information on investments Held Outside LPL is provided for informational purposes only. Values for investments not held in your LPL account are based on the market value of priced securities at the end of the statement period. Values for annuities reflect a pricing date approximately three business days prior to the statement date. Values for alternative investments such as Managed Futures and REITs (Real Estate Investment Trusts) reflect a pricing date three to five business days prior to the statement date, depending on the availability of the data. The account registration for investments held outside LPL may not be the same as the registration for the LPL account with which it is affiliated. For example, an outside investment with a joint registration may be reflected on an LPL account with an individual registration.

Margin Account If you use margin, this statement combines information about your investment account(s) and a special miscellaneous account maintained for you under Section 220.6 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the separate account required by Regulation T is available for your inspection upon request.

Money Market Funds Money market fund transactions, if any, are displayed chronologically. The 30-day yield for the fund is also reflected as of the statement date.

N/A or "–" Data Information that displays as N/A or "–" is unavailable, missing or incomplete and is treated as zero when calculating account totals, market values and performance.

Open Orders Open Orders are transactions pending execution, i.e., purchase and/or sale orders that you have placed, but that have not been executed by the end of the statement period.

Option Clients Information on commissions and other charges incurred in connection with the execution of option transactions has been included in the confirmations of these transactions furnished to you. A summary of this information will be made available upon request. In accordance with the Option Agreement and Approval Form you signed, you must promptly advise the firm of any material change in your investment objectives or financial situation.

Payment for Order Flow LPL Financial acts as your agent and receives payment for order flow, the source and nature of which will be furnished to you upon written request.

Pricing Securities prices shown on this statement may vary from actual liquidation value. Prices shown should only be used as a general guide to portfolio value. We receive prices from various services, which are sometimes unable to provide timely information. Where pricing sources are not readily available, particularly on certain debt instruments including, but not limited to, bills, notes, bonds, banker's acceptances, certificates of deposit, or commercial paper, estimated prices may be generated by a matrix system or market driven pricing model, taking various factors into consideration. These prices may not be the actual price you would receive if you sold before the maturity of a certificate of deposit. The pricing of listed options takes into account the last closing price, as well as the current bid and offer prices. Where securities have not been priced, their values have not been included in the Portfolio Summary information at the beginning of this statement.

Purchase Cost Original cost including fees, commissions and less accrued interest of the quantity sold or redeemed. For transferred securities, this could be the purchase amount you or the former institution provided to us.* Purchase Cost may be adjusted to reflect corporate actions, such as stock splits, mergers, spin-offs or other events. N/A is displayed when the information is incomplete or missing and is treated as zero when calculating totals. **Transferred securities may not be included in Purchase Cost.*

Regulation All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market–and its clearing house, if any–where the transactions are executed, and of the Financial Industry Regulation Authority (FINRA).

Reinvestment The dollar amount of mutual fund distributions, money market fund income, or dividends on other securities shown on your statement may have been reinvested in additional shares. You will not receive confirmations for these reinvestment transactions. However, you may request information on these transactions by writing to LPL Financial. LPL will also, if requested, furnish you with the time of execution and the name of the person from whom your security was purchased.
