Attachment to Form 990-PF
Part VII-A, Question 1a on Page 4

Explanation of Lobbying Activities
For the year 2010

During 2010, The Foundation for Peripheral Neuropathy ("TFFPN") distributed five letters (copies attached) via electronic mail to state assemblymen in support of legislation supporting therapies to treat peripheral neuropathy pain. TFFPN received copies of similar letters supporting the same legislation that had been sent to the Assemblymen from another organization described in Section 501(c)(3) of the Internal Revenue Code, which had been determined by the Internal Revenue Service to be a public charity (the "Public Charity"). Unaware that sending such letters constituted lobbying and a prohibited activity by TFFPN (although permissible for the Public Charity), TFFPN copied the contents of the letters from the Public Charity, placed them on TFFPN letterhead, and sent them to the Assemblymen on behalf of TFFPN.

Upon learning that sending these letters constituted lobbying, TFFPN ceased sending any letters of this nature. Additionally, TFFPN has sent follow-up letters to the Assemblymen informing them that TFFPN was not permitted to attempt to influence such legislation and requesting that they disregard TFFPN's prior requests (copies of these letters are also attached).

RE: SB3565 - SUPPORT

Dear Senator Delgado,

The Foundation for Peripheral Neuropathy is focused on helping improve the lives of the millions of Americans suffering the pain of peripheral neuropathy (PN). Our goal is nationwide, collaborative research dedicated in accelerating progress and breakthroughs in PN therapeutic development and, eventually, a cure for this debilitating condition. To this end, we support SB355 which allows for diabetes self-management training and education coverage, coverage for treatment of pain associated with complication of diabetes, including but not limited to, Diabetic Peripheral Neuropathy.

There are over 20 million Americans suffering from PN - a staggering 13.8 million of them (68%) are diabetics who could be helped by SB3565; the cost of their care is high as they struggle to find relief from their pain. This bill would benefit two much needed areas; providing patients the education to manage/control their diabetes, in turn that will cut down the cost of DPN. The annual cost of DPN and its complications in the U.S. reached nearly $1 billion for type 1 diabetes and $10 billion for type 2 diabetes. The cost of chronic pain in the United States, which includes those suffering with peripheral neuropathy, is estimated to be an astounding $100 billion.

Please help those diabetic patients suffering from neuropathy and other chronic pain by supporting SB3565. Help them to have a chance for a better quality of life!

RE: LB 1017 – STRONGLY SUPPORT

Dear Senator Cornett,

The Foundation for Peripheral Neuropathy is focused on helping improve the lives of the millions of Americans suffering the pain of peripheral neuropathy (PN). Our goal is nationwide, collaborative research dedicated in accelerating progress and breakthroughs in PN therapeutic development and, eventually, a cure for this debilitating condition. To this end, we support LB 1017 which ensures that every insured Nebraskan has access to reasonable prescription drug benefits by stopping health plans from creating specialty tiers that require payment of a percentage of prescription costs.

LB 1017 is essential for the many patients suffering with Peripheral Neuropathy in Nebraska.

We reaffirm the Neuropathy Action Foundation statement, "high cost specialty drugs are generally classified in Tier 4, the highest and most expensive tier. As a result of the 4 tier drug formulary, patients with serious diseases such as certain neuropathies, MS, epilepsy and others that require specialty medications are being asked to pay hundreds and even thousands of dollars for prescriptions to treat their diseases. Insurers are abandoning the traditional arrangement that has patients paying a fixed amount, like $10, $20 or $30 co-pay for a prescription, and instead are charging patients a percentage of the cost of certain high-priced drugs, usually 20 to 33 percent for Tier 4. These costs can amount to thousands of dollars a month and limit access to vital, life-saving medications."

Furthermore, we find it is inexcusable that patients suffering serious illnesses such as Chronic Inflammatory Demyelinating Polyneuropathy, MS and other diseases are targeted for paying higher co-pays and out of pocket expenses.

RE: AB 1826 – STRONGLY SUPPORT

Dear Assembly Member Huffman,

The Foundation for Peripheral Neuropathy is focused on helping improve the lives of the millions of Americans suffering the pain of peripheral neuropathy (PN). Our goal is nationwide, collaborative research dedicated in accelerating progress and breakthroughs in PN therapeutic development and, eventually, a cure for this debilitating condition. To this end, we support AB 1826 which ensures that every insured Californian has access to reasonable prescription drug benefits by stopping health plans from creating specialty tiers that require payment of a percentage of prescription costs.

There are millions of Californians suffering from peripheral neuropathy who could be helped by AB 1826; the cost of their care is high as they struggle to find relief from their pain. These patients return repeatedly to their health care provider hoping to find a therapy that will work – unnecessary visits if the patient was prescribed a viable treatment that was not allowed by their health care plan. Plans which require this type of step therapy (fail first) were created to help control healthcare costs. But, as patients try up to 5 different medications before they receive the one that was originally prescribed, they suffer unnecessary delays and it can ultimately compromise their care while resulting in higher actual costs.

Please help those patients suffering from neuropathy by supporting AB 1826. Help them have a better chance for a better quality of life.

RE: SB 1104 - SUPPORT

Dear Senator Cedillo,

The Foundation for Peripheral Neuropathy is focused on helping improve the lives of the millions of Americans suffering the pain of peripheral neuropathy. Our goal is nationwide, collaborative research dedicated to discovering more effective treatment options and, eventually, a cure for this debilitating condition. To this end, we support SB 1104 which clarifies that the law covering Diabetes treatments also includes any treatment of Diabetes complications, including Diabetic Peripheral Neuropathy (DPN).

Covering treatments for DPN is essential so people living with DPN can have fulfilling and meaningful lives and healthcare professionals can provide optimal care and support for their patients However, California's law is not clear whether it covers treatments for complications from Diabetes, like DPN.

DPN can cause one of the most debilitating types of pain, additionally:

- 23.6 million Americans, or 8% of the population, have been diagnosed with Diabetes
- An estimated 60-70% of Diabetics suffer from Peripheral Neuropathy (PN)
- Diabetes is expected to increase the prevalence of PN by more than 10% by 2012
- Neuropathy accounts for more diabetes related hospitalizations than any other complication.
- Undermanaged DPN is the **number one** cause of non-traumatic lower limb amputations in the United States

Many patients have been successfully taking DPN pain medications for many years only to learn that their health plan will no longer provide coverage. SB 1104 would help these patients and providers by clarifying that DPN medications are covered under existing Diabetes coverage laws.

Please help neuropathy patients and others by supporting this patient protection bill. Should you have any questions please contact me at 847-883-9951.

ARTICLE III
REGISTERED OFFICE AND AGENT

The Corporation shall have and continuously maintain in the State of Illinois a registered office and a registered agent whose office shall be identical with such registered office, and may have such other offices within or without the State of Illinois as the Board of Directors may from time to time determine.

ARTICLE IV
BOARD OF DIRECTORS

Section 1. General Powers. The affairs of the Corporation shall be managed by a Board of Directors, which shall supervise, control and direct the business and affairs of the Corporation; shall determine its policies or changes within the limits of these by-laws, the Articles of Incorporation and as directed by the Mission Statement; shall actively promote its purposes as identified within the Articles of Incorporation and the Mission Statement; and shall have discretion in the disbursement of its funds. The Board of Directors may adopt such rules and regulations for the conduct of its business as shall be deemed advisable and may, in the execution of the powers granted, appoint such agents as it may consider necessary.

Section 2. Composition, Tenure, and Qualifications. A majority of the directors of the Corporation shall elect the Board of Directors which shall be comprised of not less than seven (7) nor more than twelve (12) directors, as fixed from time to time, within such minimum and maximum, by a majority of the directors of the Corporation. The term of office for each director shall be two (2) years. Any individual who has previously served as a director of the Corporation shall be eligible to be re-elected as a director of the Corporation, regardless of whether or not such re-election shall be for a term that is consecutive to the expiration of that individual's prior term of office. Each director shall continue in office until his or her successor is duly elected or appointed, and qualified. Directors need not be residents of Illinois, U.S. citizens or officers of the Corporation.

Section 3. Initial Directors. The initial Board of Directors shall be the persons specified in the Corporation's Articles of Incorporation.

Section 4. Vacancies. A majority of the directors of the Corporation shall appoint successor directors to fill any vacancy occurring in the Board of Directors or any newly created directorships resulting from an increase in the number of directors. A director appointed to fill a vacancy for the unexpired term of his or her predecessor shall serve for the unexpired term of his or her predecessor in office and until his or her successor shall have been appointed and qualified.

Section 5. Regular Meetings. The Board of Directors shall hold an Annual Meeting for such business as the Board of Directors shall deem appropriate. The Board of Directors may hold regularly scheduled meetings for any other purpose as the Board of Directors shall deem appropriate. The Board of Directors may provide by resolution the time, date and place, either within or without the State of Illinois, for such Annual Meeting and other regular meetings without other notice than such resolution.

Section 6. Special Meetings. Special meetings of the Board of Directors may be called by or at the request of the President or any two (2) directors of the Corporation. The person or persons authorized to call special meetings of the Board of Directors may fix any place, either within or without the State of Illinois, for the special meeting called by them.

Section 7. Notice. Notice of any special meeting of the Board of Directors shall state the time, date and place of the meeting and shall be given at least three (3) days prior to the date of such meeting, by written or printed notice delivered personally, by mail, by electronic mail ("e-mail") or by facsimile transmission to each director at his or her address as shown in the records of the Corporation; provided, however, in the case of a meeting held pursuant to Article IV, Section 9 below, notice may be given no less than twenty-four (24) hours prior thereto. Any director may waive notice of any meeting. The attendance of a director at any meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Section 8. Quorum. A majority of the directors in office shall constitute a quorum for the transaction of business at any meeting of the Board; provided that, if less than a majority of such number of directors are present at any meeting of the Board of Directors, a majority of the directors present may adjourn the meeting from time to time without further notice. The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless the act of a greater number is required by law, the Articles of Incorporation or these by-laws.

Section 9. Meeting by Communications Equipment. Members of the Board, or of any committee designated by the Board, may take any action permitted or authorized by law, the Articles of Incorporation or these by-laws pursuant to meeting through the use of a conference telephone or other communications equipment by means of which all persons participating in the meeting can communicate with each other. Participation in a meeting pursuant to this section shall constitute presence in person at such meeting.

Section 10. Informal Action. Any action which is permitted or authorized by law, the Articles of Incorporation or these by-laws to be taken at a meeting of the Board of Directors, or any other action which may be taken at a meeting of the Board of Directors, may be taken without a meeting if a consent in writing, setting forth the action taken, shall be signed by all of the directors entitled to vote with respect to the subject matter thereof. Any such consent shall have the same force and effect as a unanimous vote at a duly called and constituted meeting of the Board of Directors.

Section 11. Resignation. Any director may resign at any time by giving written notice to the Board of Directors, the President or the Secretary of the Corporation. A resignation need not be accepted in order to be effective.

Section 12. Removal.

(a) Except as otherwise provided in subparagraph (b) of this Section 12, any director may be removed by a majority of the directors of the Corporation whenever in the sole and unquestionable judgment of the directors the best interests of the Corporation would be served thereby.

(b) Notwithstanding any provision of these By-laws to the contrary, during any calendar year in which the Jack Miller Family Foundation, an Illinois not-for-profit corporation, or any legally recognized successor organization ("JMFF"), is the "primary funder" of the Corporation, Jack Miller may not be removed as a director of the Corporation. For purposes of these By-laws, JMFF shall be considered the "primary funder" of the Corporation if during the immediately preceding calendar year, JMFF's aggregate contributions to the Corporation during such period equaled at least thirty-three and one-third percent (33 1/3%) of the gross contributions (not including investment income) received by the Corporation during such period.

ARTICLE V
OFFICERS

Section 1. Officers. The officers of the Corporation shall be a Chairman, a President, one or more Vice-Presidents (if determined by the Board of Directors), a Secretary and a Treasurer. In addition, the Board of Directors may elect or appoint such other officers as it shall deem desirable, who shall have authority to perform the duties prescribed from time to time by the Board of Directors.

Section 2. Election, Tenure, and Qualifications. The Chairman (other than Jack Miller), President, Vice-Presidents, Secretary and Treasurer of the Corporation shall be elected annually by the Board of Directors at its Annual Meeting, or as soon thereafter as practicable. The Chairman (other than Jack Miller), President, Vice-Presidents, Secretary, and Treasurer shall serve two-year terms commencing at the conclusion of the Annual Meeting at which they are elected and continuing until their successors have been duly elected and qualified. There shall be no limit on the number of consecutive terms an individual may serve as an officer. An individual may hold more than one office simultaneously.

Section 3. Special Provision for Jack Miller. Jack Miller shall be the initial Chairman and he shall serve as Chairman until his resignation, death or Permanent Disability. For purposes of these By-laws, the term "Permanent Disability" shall mean, with respect to Jack Miller, either (a) the issuance of an order by a court of competent jurisdiction declaring Jack Miller to be an incompetent or a disabled person and appointing a conservator or a guardian for such his person or property, or (b) the written certification by "three (3) Proper Physicians" (as defined herein) issued within two (2) years of attending Jack Miller, stating that Jack Miller, due to physical, mental or emotional disability, is not able to manage business affairs in a manner similar to that of individuals of prudence, discretion and intelligence. Notwithstanding any provision herein to the contrary, Jack Miller shall not be considered to have a Permanent Disability solely by reason of having a physical disability which does not otherwise cause him to be substantially unable to perform his customary duties for the Corporation. As used herein, the term "three (3) Proper Physicians" shall mean (A) Jack Miller's primary care physician, (B) a physician chosen by such person, which physician shall be certified by a recognized Medical Specialty Board and shall not be related by blood or marriage to such person and (C) a physician chosen by the aforesaid two physicians, which physician shall be certified by a recognized Medical Specialty Board and shall not be related by blood or marriage to such person.

Section 4. Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President or the Secretary of the Corporation. A resignation need not be accepted in order to be effective.

Section 5. Removal. Any officer may be removed from office by an affirmative vote of a majority of the Board of Directors whenever, in its judgment, the best interests of the Corporation would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed; provided, however, that notwithstanding any provision of these By-laws to the contrary, in no event may Jack Miller ever be removed as Chairman of the Corporation.

Section 6. Vacancies. A vacancy in any office shall be filled by action of the Board of Directors at the next regular or special meeting thereof. An officer elected to fill a vacancy shall serve for the unexpired term of his or her predecessor, and until his or her successor shall have been duly elected and qualified, or until his or her death, resignation, or removal.

Section 7. Chairman. The Chairman of the Board of Directors when present shall preside at all meetings of the Board of Directors, the Executive Committee and other meetings as required. The Chairman of the Board of Directors shall perform such other duties commonly incident to, and commensurate with, the office of Chairman of the Board of Directors and shall perform such other duties and have such other powers as the Board of Directors shall designate from time to time including, but not limited to, the following:

(a) Work with the President/Executive Director and the Board of Directors to establish the guiding principles, policies, and mission for the Corporation — for example, by initiating a regular review of the Corporation's strategic plan and mission to keep them fresh and relevant, and by establishing metrics to measure success;

(b) Work with the appropriate directors to oversee the budget of the Corporation and assume ultimate responsibility for the integrity of its finances — for example, by overseeing independent outside audits and, as appropriate, internal audits as well;

(c) Serve as an ad hoc member of all Board committees and work to structure a committee system that contributes to the Board's overall effectiveness;

(d) Oversee efforts to build and maintain a strong Board by setting goals and expectations for the Board, cultivating leadership among individual directors, and working with the nominating committee to make Board development a priority;

(e) Work with the President/Executive Director to identify and recruit new directors who bring important skills and knowledge to the board;

(f) Work to make sure the Board has opportunities to reflect regularly on how well it is meeting its responsibilities to the organization — in part by overseeing a board self-assessment every 2 years;

(g) Oversee the hiring, evaluation, and compensation of the chief executive; and work to develop a succession plan for the chief executive's position — for example, by making sure that other staff members have the capabilities they need to lead the Corporation;

Section 6. Compensation, Reimbursement of Expenses and Prohibition of Loans.
