***THE DOUGLAS S. AND BARBARA J. BARRETT
FAMILY FOUNDATION***

P. O. Box 274, Mystic, CT 06355 -0274

POLICIES AND GUIDELINES

PURPOSE OF FOUNDATION

The purpose of *The Douglas S. and Barbara J. Barrett Family Foundation* is to provide grants to 501(c)(3) organizations recognized by the Internal Revenue Service that are devoted exclusively to charitable, scientific, literary, or educational purposes and which under the Federal and State succession, transfer, and inheritance estate tax laws are exempt from taxation. It is the intent of the donors to provide such organizations with resources to assist in pilot programs, expansion of programs, research, etc. rather than the day-to-day operations of that organization.

Priority consideration will be given to those grant requests from organizations in which the family is personally involved.

The Foundation sees its main role as being that of

- (1) the provider of "seed money" for new services, and
- (2) the allocator of funds to fill needs which are not met by any other organizations or sources

In general, the Foundation will grant funds for special purposes that do not commit the Foundation to recurring expenses. Funds may be given for buildings, equipment and land, in addition to programs.

POLICIES AND GENERAL GUIDELINES

- 1 Grants will be made on an annual basis, generally in a lump sum. However, the Trustees reserve to themselves the option of paying large grants over a multi-year period.
- 2 Grants shall be limited to tax-exempt 501(c)(3), not-for-profit, equal opportunity organizations recognized as such by the Internal Revenue Service.
- 3 The grantee must demonstrate financial responsibility.
- 4 No single grantee shall receive all of the available funding in any one calendar year.
- 5 Partial grants may be awarded at the discretion of the Trustees.
- 6 Special consideration may be given to grantees whose programs offer the possibility of matching grants.
- 7 Grantees must prioritize requests should more than one item be requested.
- 8 Grants will not be made to individuals, for endowments, for deficit financing, or for reimbursement for items purchased prior to grant request.
- 9 Applications made for a project or program in cooperation with another agency(ies) must include letters of commitment to the project or program from the supporting agency(ies).

- 10 Complete original applications, including all required supporting data, for grants must be submitted by **September 3rd annually**. If this date falls on a Saturday or a Sunday, the **deadline is not extended**. Applications postmarked on the day of the deadline will be accepted.
- 11 **Announcements of the grants are made by December 31st annually**. A letter will be sent to all applicants whether their application was approved or denied.
12. A report of the expenditure of each grant is required within one year from the date the grant is awarded. If for any reason you are unable to use the full amount of the grant during the period of time for which the grant was approved, or for the purpose intended, etc., you must immediately report your circumstances to the Foundation Trustees. Any unused funds from a grant are to be returned to the Foundation with the final report. Acknowledgements are not considered a report.

SPECIFIC GUIDELINES

The Foundation Trustees are interested primarily in how the proposed project will help the organization achieve its established goals, solve a critical problem or prepare for the next steps in its development to meet the stated needs. These issues should be addressed in a **concise proposal of three (3) to five (5) pages** covering the requirements listed under items #1-8 below. Nonprofit organizations are encouraged to identify best practices, to explore solutions emerging from nonprofit and business management theory, and to collaborate with others in their field and community.

The Foundation is committed to assisting in the creation of networks, coalitions, shared services or other structures designed to provide a wide range of easily understandable and accessible services and achieve greater integration of services to clients.

The Foundation's financial support may be used only for the direct costs of implementing proposed projects.

HOW TO SUBMIT YOUR PROPOSAL

1. A mission statement and current goals for the organization or organizations, if this is a collaborative effort. A brief description of the organization or each collaborating organization including history, current services and how this project supports those missions. (OR, attach a brochure or other material that contains this information and write "see attachment" under this heading **but be sure to address the issue of "how this project supports your mission or those missions"** of the collaborating organizations)
2. **PROPOSAL NARRATIVE**. A description of problems or conditions the project is intended to address:
 - Need for the project; its uniqueness and non-duplication
 - What outcome do you seek? (Outcomes are long-range and broad in scope)
 - What methods will you use to achieve the end result or outcome(s)? (Methods are short-term, concrete and measurable)
 - What activities will you carry out to achieve the project objectives?
 - The people, who will be served by the project, including the number you estimate will benefit from it.
 - The geographic area the project will directly affect.
 - Methods for measuring your success. How will you know that you have met your objectives? If the project is to serve as a model, how will information be disseminated? (If you receive a multi-

year grant, you will be asked to submit an evaluation report and pictures, if appropriate, on a semi-annual basis until the project is completed and then a final report.)

- Anything else that might help us to understand what you are trying to accomplish and why.
- PERSONNEL: List the personnel who will work on the project and their qualifications OR if not yet hired, please include a job description for each individual to be hired.
- BOARD INVOLVEMENT: Will any of the board be involved and if so, how?
- If this is a collaborative effort, please describe how each organization is integrated into the project; either a flowchart or a brief narrative is acceptable.
- TIMETABLE: Show the timetable you have set to achieve your objectives.
- PROJECT FUNDING: Give details of any funding you have already received or requested for your project (how much, from whom, and for what). Explain how the funds requested from The Barrett Foundation will be used. What are your continuing funding plans?
- PROPOSAL (INCOME & EXPENSE) BUDGET: Provide a full budget breakdown. Detail projected overall expenses for your project and itemize the portion requested from The Barrett Foundation. If a consultant is utilized, a specific and brief description of how that person will be used, the consultant's special qualifications for the assignment and a resume. Please indicate consultant's daily rate.
- EVALUATION: Include an evaluation plan that shows how the organization(s) will know to what extent the project has succeeded. The plan should state how the evaluation would be carried out, when the results will be known, and should include quantified measures wherever possible. Successful applicants will be asked to submit a final project report that includes results of the evaluation.

- 3 FINANCIAL STATEMENTS: An audited financial statement for the most recent year from existing organizations. Where an audited Statement is unavailable, a Treasurer's Report will be acceptable. For an organization in the formative stage, a projected budget is required.
- 4 TAX-EXEMPT STATUS: Attach a copy of your 501(c)(3) and each participating organization's 501(c)(3) tax exemption letter from the Internal Revenue Service (not a letter from the State). If you are a public agency, so signify.

NOTE: A Federal Income Tax exemption letter dated after 1969. Exemption letters dated prior to 1969 and State Exemption Certificates are not acceptable. Only a municipality is exempt from this requirement.

A new or updated Federal Tax Exemption Letter may be obtained through:

Internal Revenue Service Customer Service Unit
P. O. Box 1680
Brooklyn, NY 11202-1680

- 5 BOARD LIST: List each participating organization's current Board of Directors with their names, addresses and affiliations. A brief bio of each board member is very helpful.
6. LETTERS OF COMMITMENT: If a collaborative effort, letters of commitment signed by the President or Chairman of the respective governing boards must be attached. The letters should indicate that the proposal has been reviewed and approved by the respective governing board and specify the agreed upon FISCAL AGENT for the project.
7. FISCAL AGENT RESPONSIBILITIES: It is the Fiscal Agent's responsibility to see that the funds are properly expended and/or spread among the collaborating entities, if a collaborative effort, and that reports are filed with *The Douglas S. and Barbara J. Barrett Family Foundation* in a timely manner.
- 8 File the original application with attachments with *The Douglas S. and Barbara J. Barrett Family Foundation* at P. O. Box 274, Mystic, CT 06355-0274.

GUIDELINES FOR REPORTING

We want to know how you're doing—what worked and what didn't work. A report is required one year from the date of the grant. For multi-year grants a **status report** from the Fiscal Agent or grantee summarizing the results of your project and how the money was spent **must be submitted on a semi-annual basis with a final report at the conclusion of the project.**

- Provide a brief narrative addressing:
 - Program achievements: Identify the program objective, specific achievements and any problems encountered
 - Number served and benefits to those served
 - Community support, including linkages with other organizations, media coverage, etc.
 - Efforts made to obtain funds for program continuation
- Detail of grant expenditures
 - Line item report, including specific expenditures and provide receipts where possible
