Application Procedures

Initial Approach—Letter of Inquiry

The Moriah Fund does not accept unsolicited proposals.

First-time applicants to the Moriah Fund must submit a short one page letter of inquiry at least one month prior to the proposal deadlines indicated below. Letters of inquiry are reviewed throughout the year. The letter of inquiry should include history, purpose and goals of the organization; amount of funding requested; purpose and activities of the project/program for which funds are requested; and total budget(s) of the organization and the project/program. Based on this letter, the Moriah Fund staff will decide whether to invite a full proposal, and will notify applicants as soon as possible.

Proposal Deadlines

The Moriah Fund program board meets twice a year to consider proposals. Complete proposals must be received by March 1st to be considered for the spring grant cycle (May) and by September 1st to be considered for the fall grant cycle (November). If the deadline falls on a weekend or holiday, the proposal will be accepted the next business day. Proposals to the Israel Program must be submitted earlier. Applications for the spring grant cycle are due on February 1st and applications for the fall grant cycle are due on July 1st.

Required Information

Proposals should follow the Moriah Fund's Application Guidelines and must include all information requested. There are two sets of application guidelines, one for returning grantees and one for new grantees. Application guidelines differ depending on if you are applying for a project or general support grant and by the amount of money being requested. Current grantees must include a brief progress report on their existing grants. Progress report guidelines are included in the application guidelines for grant renewals.

We encourage proposal (and other) submissions on non-chlorine bleached recycled paper, using both sides. Please send only one copy of the proposal and supporting material and either email or mail in your application. For local programs in the District of Columbia, the Moriah Fund will accept the Washington Regional Association of Grantmaker's Common Grant Application but it must include all the information requested in our guidelines.

Funding Limitations

Funding is limited to areas described in our program guidelines. Moriah does not provide support for individuals, private foundations, the arts, medical research, lobbying or political campaigns, or non-U.S. organizations.

Funding Limitations

Beginning in 2009 the Moriah Fund will no longer accept or review unsolicited proposals. This new policy, a result of the current economic situation and decline in Moriah's assets, is intended to save organizations the work of preparing proposals that cannot be funded.

As Moriah determines new strategies, policies and plans, we will keep updated on this page of our web site. In the meantime, our grantmaking continues on an invitation-only basis.

General:

Funding is limited to areas described in our [Program Guidelines](#). Moriah does not provide support for individuals, private foundations, the arts, films or videos, medical research, lobbying or political campaigns.

Israel:

The Israel Program gives priority to grassroots and community-based organizations, advocacy activities, and the development of model programs that can affect national policies. In general, Moriah does not fund service delivery projects, nor does it provide funds for the arts, medical or academic research, private foundations, or scholarships or grants to individuals. The Israel Program no longer provides support for co-existence, environment, and religious pluralism programs. Inquiries about funding for the CIS immigrant population should be directed to the New Israel Fund.

Economic Justice:

The Economic Justice Program is not currently soliciting proposals from direct service organizations. Support for work on state level policy issues is limited to the District of Columbia, Maryland and Virginia. Moriah does not provide support for medical research, scholarships or grants to individuals.

Women's Rights and Reproductive Health:

The Women's Rights and Reproductive Health Program supports programs that are international in scope, or that focus on the Latin American region or the United States. In the United States, the program funds only national policy and advocacy; it does not accept proposals for local projects. The WRRH program does not provide funds for basic research, unless it is part of an explicit strategy for policy reform or improved reproductive health service delivery. The program does not fund direct services, unless they are designed to influence public policy, test new ways of delivering services to previously underserved communities, and/or strengthen women's leadership and rights. Finally, the program does not provide support for microcredit, education, arts or general health programs, nor does it fund video productions, medical research, scholarships or grants to individuals.

The Members may, by unanimous consent, waive the requirements of this section, but such waiver shall not preclude any Member from invoking the requirements of this section at any subsequent meeting.

Section 4.10 Action by Consent. Any action required to be taken at a meeting of members, or any action which may be taken without a meeting but with the same effect as a unanimous vote at a meeting, if, prior to such action, a

consent in writing, setting forth the action so taken, shall be signed by all Members entitled to vote with respect thereto, and such consent is filed with the minutes of the proceedings of the members.

Article 5 Board of Directors.

Section 5.2 Number and Election. The Board of Directors shall consist of three (3) Directors. The Directors shall be elected, each for a one (1) year term, in the manner specified in Section 3.1 of these By-Laws, at the annual meeting of the Members of the Corporation. Special meetings of the Board of Directors may be held upon the call of the president or of any two Directors and upon ninety-six (96) hours notice specifying the time, place and general purposes of the meeting, given to each Director either personally or by mail, telegram, telefax or telephone. Notice of special meeting may be waived in writing or by telegram before the time of the meeting, at the time of the meeting, or after the time of the

meeting. Attendance at any special meeting shall constitute waiver of notice of such meeting.

Section 5.7 Quorum. A majority of the entire Board of Directors shall be necessary to constitute a quorum for the transaction of any business except the filling of vacancies, and the act of a majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors unless the act of a greater number is required by law, the Articles of Incorporation of the Corporation, or these By-Laws; *provided, however*, that a majority of the Directors in office shall be necessary to constitute a quorum at any meeting at which vacancies are being filled.

Section 5.8 Action by Consent. Section 9.1 Indemnification as of Right. The Corporation shall indemnify any person as of right who is or was a director, officer, or employee of this Corporation, or is or was serving as a director, officer, or employee of another corporation, partnership, or other enterprise at the request of the Corporation, against expenses (including attorney's fees), judgments, fines, penalties and amounts paid in settlement reasonably incurred by such person, to the fullest extent now or hereafter permitted by law, in connection with or resulting from any claim, action, suit, or proceeding (whether actual or threatened, civil, criminal, administrative, or investigative, or in connection with an appeal relating thereto, in which such person may be involved as a party or otherwise by reason of being or having been a director, officer or employee of the Corporation or of such other organization; provided, such person acted in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best

interest of the Corporation and, with respect to any criminal action or proceeding, in a manner which he had no reasonable cause to believe was unlawful. The termination of any claim, action, suit, or proceeding by judgment, order, settlement (whether with or without court approval), conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action, suit, or proceeding, in a manner which he had no reasonable cause to believe was unlawful.

Section 9.2 Indemnification of Successful Defense. Section 9.3 Determination of Indemnification. Except as provided in Section 9.2 above, any indemnification under Section 9.1 shall be made by the Corporation, by the affirmative vote of two-thirds (2/3) of its entire membership, only upon a determination that indemnification of the particular director, officer, or employee is proper in the circumstances because such person has met the applicable standards of conduct set forth in Section 9.1. Such determination shall be made (i) by the Board of Directors of the Corporation by a majority vote of a quorum consisting of Members of the Board of Directors who were not parties to such claim, action, suit, or proceeding; or (ii) if such a quorum is not obtainable or if so directed by a majority vote of a quorum consisting of Members of the Board of Directors who were not parties to such claim, action, suit, or proceeding, by independent legal counsel (who may be regular counsel of the Corporation) in a written opinion; or (iii) by vote of the members.

Section 9.4 Indemnification Not Exclusive Right. The indemnification provided by this Article 9 shall not be deemed exclusive of any other rights to which a director, officer, or employee may be entitled under any by-law, resolution, agreement, vote of the members, or otherwise, and shall continue as to a person who has ceased to be a director, officer, or employee of the Corporation, and shall inure to the benefit of the heirs, executors, and administrators of any such person. The indemnification provided by this Article 9 shall be applicable to claims, actions, suits, or proceedings made or commenced after the adoption hereof, arising from acts or omissions to act occurring whether before or after the adoption hereof.

Section 9.5 Insurance. This Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the Corporation, or who is or was serving at the request of the Corporation as a director, officer, partner, employee, or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such

liability under the provisions of this Article 9, together with expenses actually and reasonably incurred by him in connection with his defense thereof; provided that when and to the extent that the Corporation has purchased and maintained such insurance, it shall have no duty under this Article 9 to indemnify any such person to the extent such liability is covered by such insurance.
