Application Instructions & Checklist

Ensure that you have a copy of the **most recent version** of the Common Grant Application by checking the version posted on the Nonprofit Support Center's website- www.nscsb.org. Please make sure all of the following information is submitted in the order listed and in each funder's requested format.

Strategies for Successful Grant-Seeking:

- Research the funding interests of each funder before applying, and obtain a copy of its annual report and/or guidelines.
- Familiarize yourself with the funder's application process, including timetable and preferred method of initial contact. It is important to note that some funders accept proposals only after an initial phone call, query letter or pre-application form.
- Follow the attached application format and any specific instructions from the funder, as outlined on their individual instructions.
- The Foundation Roundtable does not accept applications. All proposals should be sent to the individual funders to which you are applying. Application workshops may be required or encouraged. It is never a good idea to send out a mass mailing of proposals.

Our History

Harold and Betty Hutton, entrepreneurs, adventurers and business partners, began their business as a small refining operation in Long Beach in the early 1950s and by the middle of the 70's became a leading exporter of oil and natural gas from South East Asia.

In 1975, while living and working in Indonesia, Harold Hutton passed away suddenly. After his death, Betty decided to close the company's oil operation in South East Asia and return to her roots in Orange, California. And it was there, following a short retirement she established Hutton Companies, a commercial real estate development corporation.

In the early 80's Tom Parker was named President of Hutton Companies. It was from this point that the organization became more of a family operation. Betty watched the business grow knowing that much of the revenue would eventually fund the Hutton Parker Foundation, a dream of both Betty and Tom's.

Betty Hutton passed away in September of 1995. Today, Tom Parker continues the dream they initiated as Hutton Parker Foundation strives to make a difference in the communities it serves.

A FEW WORDS ABOUT ASSET ALLOCATION AND ALTERNATIVE FORMS OF INVESTMENT

The Hutton Parker Foundation has, from its inception, always been about innovation, leadership and maximized effectiveness within the nonprofit sector. We feel our efforts have not only affected individual nonprofit organizations, but are also relevant to Foundations and other funding sources. Despite the lasting downturn in the economy, Hutton Parker Foundation continues to demonstrate our ability to maximize investment of our assets directly into our community and local nonprofit sector.

We continue to identify and acquire appropriate office building and other real estate at attractive prices for nonprofit use. Hutton Parker Foundation currently owns and operates 17 buildings housing more than 90 nonprofit organizations. We have found that the shared facilities and reduced rent offered in these facilities is extremely valuable to our nonprofit organizations and is a direct link to their operation stability and programmatic sustainability.

We have also found that these investments have proven extremely beneficial to the Foundation. The rents collected from our nonprofit tenants supply a steady flow of income helping to fund and sustain our own granting resulting in more than 150 awards to local nonprofit organizations annually.

Hutton Parker is a huge proponent of asset base investing for Foundations. This has been our practice for more than 16 years with demonstrated, very positive results. And, it is our hope, other local, regional and even national foundations begin to recognize and acknowledge these benefits by similarly allocating assets within their own local nonprofit communities.

With warm regards,

Thomas C. Parker

The Foundation will give the highest priority to activities that provide greater access to people who are economically disadvantaged and underserved. Of particular interest to the Foundation are applications that specifically address the needs of low-income children and youth, older adults, and people affected by disabilities and homelessness. The Foundation also funds activities that benefit the general community and improve the quality of life for all individuals in Santa Barbara County.

Geographic Area of Grant Focus

Grants will be given only to organizations headquartered in Santa Barbara County.

Applicant Eligibility

An organization's application will be considered only if the organization is certified as tax exempt under Section 501(c) 3 of the U.S. Internal Revenue Code and be classified as "not a private foundation" under Section 509 (a).

Types of Support

Hutton Parker Foundation offers the following types of support:

Standard Grant - Core Support: Hutton Parker Foundation's 2011 Standard Grant Cycle will be accepting applications strictly designated for *Core Support*.

Core Support is defined as unrestricted funding that enables an organization to carry out its mission. It can be used to underwrite administrative infrastructure and/or to maintain core programs and essential staff.

Priority for Core Support will be given to organizations that:

- Are established, well-managed, financially viable, and operate effective programs that serve Santa Barbara county;
- Have developed short and long-term strategies for addressing identified organizational needs;
- Can demonstrate how a core support grant could have a measurable impact on organizational and programmatic capacity;
- Have experienced funding reductions that impact the delivery of core programs and services.

Media Grant: The Santa Barbara Independent and Hutton Parker Foundation have together developed a Media Grant program to benefit local area nonprofit agencies by providing a professionally produced newspaper insert specific to selected applicants.

Elements Provided:

- Professionally produced 4-page, tabloid size black and white newspaper insert dedicated exclusively to a single nonprofit organization

Program Related Investments: A Program Related Investment (PRI) is a hybrid between a standard grant and a traditional investment. A PRI is a loan made to a qualifying nonprofit organization that is paid back to the Foundation over time.

The Hutton Parker Foundation PRI Advisory Board will consider requests of \$50,000 to \$500,000 for construction, renovation and acquisition of land or buildings as a PRI. Requests in this category are limited by the following guidelines:

- PRI commitments are generally 1 to 7 years
- Interest rates offered are generally at or below market rent with reduced fees
- Rate of return will be negotiated on a project by project basis

Endowment Grant: Hutton Parker Foundation Endowment Grant Program provides an opportunity for local Santa Barbara-based nonprofit organizations to secure endowment funding. *This opportunity is available only one time per agency and is to be used to establish a new endowment*

The Endowment Program has been designed to produce a concise result. Hutton Parker Foundation has developed documentation, which provides step-by-step instructions and sample policies for establishing an endowment. Once an agency has completed the application process, they will have created a viable endowment fund and valid endowment policy.

In providing these sample documents, Hutton Parker Foundation is not recommending or requiring particular policies and is not providing legal or investment advice to applicants. Each applicant must adopt the policies that best suit their particular situation, and should seek the advice of its own legal, financial and accounting advisors

Grant Structure: Hutton Parker Foundation will commit four (4) \$25,000 grants to endowment per calendar year. The committed funds must be matched 3:1 within 24 months of Hutton Parker Foundation's commitment. Once successfully matched, Hutton Parker Foundation will award the committed \$25,000.

Grant Duration

Hutton Parker Foundation grants are awarded for the period of time necessary to complete the proposed outcomes, with most grants fulfilled within one year; however, endowment grants make take up to two years and PRI's can last up to 7 years

Generally, grantees must wait one year from the end of their grant period before being able to re-apply for a new Foundation grant. Please note that the Foundation generally does not approve grants to organizations on a continuing annual basis.

Funding Amounts

While requests are reviewed on a case-by-case basis, applicants should note that as a general practice, the Foundation does not fund the total cost of a capital, program, or capacity building budget. Requests should be proportional to the amount of the specific capital, program, or capacity building budget, and in the case of Core Support, the size of the agency's operating budget.

Applicants should request a grant amount that is consistent with a thoughtful and sustainable fund raising strategy. The information below is intended to provide general guidance. Based on individual circumstances, the Foundation's Board of Directors will use flexibility and apply individual judgment to each request.

Standard Grant - Core Support: Applicants seeking Standard Grants in the form of Core Support are advised that total grant amounts awarded will generally not exceed 10% of an agency's annual operating budget. Generally, grants will not exceed \$50,000

PRI Support: Program Related Investments range from a minimum of \$50,000 to a maximum of \$500,000.

Media Grant Support: Hutton Parker Foundation will award approximately 10 media grants per calendar year at \$2,500 per award.

Endowment Grant Support: Hutton Parker Foundation will award 1-4 \$25,000 endowment grants per calendar year.

Grant Limitations

Grants are not made.

Most of the on-line forms are designed for different types of requests and therefore, there are specific questions that we pose, which reduce the need for Foundation staff to request additional information.

The on-line letter of inquiry form guides prospective applicants in the submission of information requested by the Foundation. After its review, the Foundation's response to an on-line letter of inquiry is made via e-mail to the contact person listed on the form. The deadline for Hutton Parker 2011 Standard Grant Program- Core Support letter of Inquiry will be May 1, 2011. Deadlines for Marketing/Media Grants, PRI's and Endowment requests are ongoing. STANDARD GRANT PROGRAM- CORE SUPPORT

Our grant making program is designed to respond to the needs identified by nonprofit organizations in the areas of our funding interests. In recent months, nonprofit organizations have stressed the need for unrestricted operating support to underwrite administrative infrastructure and maintain core programs and essential staff. In response, Hutton Parker Foundation is strictly limiting our 2011 Standard Grant cycle to requests in the form of Core Support.

Definition and Purpose: For an undetermined period of time, Core Support grants will be available for organizations that have been impacted by the financial crisis and economic recession. Core Support is unrestricted funding that enables an organization to carry out its mission. It can be used to underwrite an organization's administrative and infrastructure costs, and/or maintain core programs and essential staff.

Why Core Support? Core Support matters because effective projects and programs are only possible if the organization is running in a healthy manner; thus, Core Support aims to propagate the ideas of core funding in order to carry out the organization's mission. Core Support is a tool for strategic philanthropy, which can strengthen a nonprofit organization, giving it the means and flexibility to increase efficiency and allowing for more of an impact in their area. Hutton Parker Foundation is looking for organizations that can demonstrate how this Core Support will allow them to make more of an impact on their intended beneficiaries.

Eligibility Criteria: In addition to meeting the Foundations' general eligibility criteria, Core Support requests will be considered for established and well-managed organizations.

Priority will be given to organizations that.

- Have eliminated core staff positions and reduced core program services due to funding reductions; and
- Are financially viable, evidence of strong management and resource development capacity, and operate effective programs; and
- Have the ability to significantly impact populations that have been most affected by the economic downturn.

On a case by case basis, consideration will also be given to organizations that face a significant and imminent threat of having to eliminate core staff positions and core services due to funding reductions

Grant Durations: Core Support grants are limited to one year in duration.

Grant Amounts: Applicants seeking Core Support are advised that grant amounts will not generally exceed 10% of an agency's annual operating budget, or of \$50,000, whichever is less.

Foundation Staff

Thomas C. Parker

President

Tom became president of Hutton Companies in 1985. It had always been a dream of both Tom and Betty Hutton to create a private foundation with the Company's assets. Upon Betty's death in 1995, the Foundation was funded and soon started a number of innovative programs. Tom is responsible for the Foundation's fiscal and operational management. He received both his BA and MBA from California Lutheran University.

Pamela J. Hamlin

Executive Director

Before joining Hutton Parker Foundation in May 1996, Pam, an Ohio native and BGSU

graduate, spent more than 15 years as an executive in the marketing, advertising and public relations industry. Shifting from the for-profit to the non-profit sector was like switching from selling her soul to feeding her soul. Her current duties include identification, facilitation and evaluation of special initiatives, nonprofit facilities coordination and management, funding administration and Board support.

Robyn Richards

Program Associate

A Santa Barbara native and recent UCSB graduate, Robyn is your first point of contact with the Foundation. It is her job to field and direct all Foundation inquiries and provide awareness of our various funding programs. Her strong organizational, communication and office management skills help to keep day-to-day operations running smoothly.
