NAME AND ADDRESS OF PERSON TO WHOM APPLICATIONS SHOULD BE SUBMITTED:

LaTida Smith, Senior Program Officer for Community Grants
4208 Prospect Avenue
Cleveland, OH 44103

Telephone Number: 216-431-8010

Name of Grant Program: Community Grants

Form and Content of Applications: Community Grants are awarded four times per year in response to requests from qualifying organizations. Community Grants provide short term operating, program, capital, and capacity building support in response to requests to sustain a safety net of core health and human services, build the capacity of key organizations and pilot promising programs.

The Community Grants process is initiated with a Letter of Inquiry (LOI) which is submitted through the Foundation's website, www.saintlukesfoundation.org. The LOI provides a concise presentation of the proposed project, its intended outcomes and the applicant organization. It includes the proposed activities, amount requested, anticipated outcomes, and capacity of the applicant organization to successfully implement the proposed program. All LOIs are reviewed by program staff to determine if there is a reasonable match between the proposed project and the Foundation's mission, and applicants receive formal notification from the Foundation regarding the status of their request within two weeks following the LOI deadline. If the proposed project is determined to be within the Foundation's areas of interest, a site visit is scheduled. The site visit provides Foundation staff and board with detailed information to evaluate proposed requests. Additionally, the site visit provides an opportunity for Foundation staff to update community partners regarding the Foundation's initiatives and activities. Following the site visit, Foundation staff determines whether or not to request a full proposal. This is based upon the degree to which the proposed project addresses a significant community need; has clear goals, measurable outcomes and a plan for evaluating progress; is fully conceptualized; has sufficient community support; has the capacity to carry out the project; has benefits that will live beyond Foundation funding; and has costs that are reasonable and appropriate. The full proposal is submitted through the Foundation's website according to the detailed instructions provided at the time a proposal is requested. As a function of the partnership between the Foundation and the applicant organization, Foundation staff members are available to offer support and guidance throughout the proposal process.

Funding decisions up to \$150,000 annually are made by the Grant Committee of the Board of Trustees. The Grant Committee decisions are ratified by the Board of Trustees, which also makes funding decisions on all requests over \$150,000 annually based upon the recommendation of the Grant Committee.

Staff Discretionary Grants: Foundation program staff has the authority staff make Community Grant awards of up to \$20,000 for smaller, time-sensitive projects that otherwise meet the guidelines for Community Grants as described above. In requesting discretionary grant funds, applicants must submit a LOI as described above. Requests of \$5,001-\$20,000 also require a site visit and proposal; however, funding decisions are made following staff review of proposals submitted. Staff decisions are ratified by the Grant Committee and the Board of Trustees.

SUBMISSION DEADLINES FOR LOIs: January 2, April 1, July 1; October 1

RESTRICTIONS AND LIMITATIONS ON AWARDS: Community Grants can be made in the amount of up to \$150,000 per year for up to three years; however, due to the uncertainty of the economy, no multi-year Community Grants were awarded in 2010. The Foundation does not fund biomedical research; debt retirement; endowment funds; fundraising events ; individuals; lobbying; projects outside Greater Cleveland that do not directly benefit its residents; or religious/evangelical programs. The Foundation does not consider unsolicited proposals.

NAME AND ADDRESS OF PERSON TO WHOM APPLICATIONS SHOULD BE SUBMITTED:

Sandra Chappelle, Senior Program Officer for Transformational Initiatives
4208 Prospect Avenue
Cleveland, OH 44103

Telephone Number: 216 431-8010

Name of Grant Program: Transformational Initiatives

Form and Content of Applications: Transformational Initiatives identify and catalyze action in significant, long-term collaboration with community partners with deep knowledge and expertise to address the root causes of social conditions that will lead to equity in health and well being. Although grants for Transformational Initiatives are made on a year-by-year basis, it is intended that these initiatives will receive additional support over an extended period of time contingent upon an annual evaluation of performance and outcomes reports. There were eight Transformational Initiatives in 2010: 1.) *Closing the Gap: The MetroHealth System* was initially approved in 2005 to provide support to a ten-year effort to develop and deliver community-based programs to manage diabetes, asthma and obesity, the chronic diseases that disproportionately affect the minority populations living in the neighborhoods surrounding the MetroHealth Buckeye Health Center, just blocks away from the former Saint Luke's Medical Center. 2.) *Healthy Kids in Healthy Homes*, an initiative designed to eradicate childhood lead poisoning in Greater Cleveland, is led by the City of Cleveland Department of Public Health, and includes more than 70 community-based agencies collaborating on this important public health challenge. 3.) *Buckeye Larchmere Healthy Communities Initiative*, led by Neighborhood Progress, Inc. brings together key neighborhood stakeholders in a coordinated effort to develop a healthy urban community. The Foundation approved its first Program Related Investment to support this initiative in 2010, although the PRI was actually paid in 2011. 4.) *The Mt. Pleasant Community Zone* focuses on building capacity to create the safe, attractive, economically stable, and educated community envisioned by Mt. Pleasant's neighborhood stakeholders through the implementation of a neighborhood-based plan for community revitalization and growth. The plan addresses the following cross-cutting strategies: Economic Opportunity, Education, Physical Environment/Safety, and Community and Family Empowerment. 5.) *Healthy Smiles Sealant Program* is a collaboration between the Case Western Reserve College of Dental Medicine, the Cleveland Metropolitan School District and area dentists to develop and promote a comprehensive program of oral health for children throughout the local school district. The goals of the program are to prevent oral disease by examining and placing dental sealants on permanent molars; refer children with dental disease to community dentists for restorative care; educate children, parents and teachers to promote oral health and prevent disease; and to expose all dental students to the needs of underserved children. 6.) With a grant to University Hospitals of Cleveland, the Timothy L. Stephens, Jr. M.D. Fellowship was established to increase the number of African American and Latino medical students pursuing careers in orthopedic surgery, a specialty that is underrepresented by minorities. 7.) The Cuyahoga Health Access Partnership (CHAP) is a community-wide partnership among health systems, insurance companies, and safety net providers to increase access to a medical home for individuals who are ineligible for third party payment and therefore tend to use the local Emergency Departments for primary care. Saint Luke's Foundation supported the development of the business plan for this initiative as part of its 10th Anniversary Grants and continues to support its implementation. 8.) The Francis Beam Fellowship was established with a grant to the Center for Health Disparities at the MetroHealth System. With a focus on public health and the development of healthy, vibrant urban communities, this fellow will be situated within the Buckeye neighborhood, and the focus of his/her work is on ensuring that all of the various stakeholders share, and are working toward a common vision of healthy, active living in that urban neighborhood. It is anticipated that this will become a model for other urban neighborhoods

The Foundation is open to discussing opportunities for potential new Transformational Initiatives with anyone who is interested in collaborating to address our community's most pressing

problems. All potential new Transformational Initiatives begin with a conversation with the Senior Program Officer of Transformational Initiatives to determine if there is a fit with the Foundation's area of focus; however, due to the very unique nature of grants in this category, the Foundation does not accept unsolicited Letters of Inquiry and/or proposals for Transformational initiatives. Once an opportunity for a new Transformational Initiative has been identified, the Senior Program Officer for Transformational Initiatives coordinates the due diligence and assists the potential grantee(s) in the development of the Letter of Inquiry (LOI). The LOI provides a concise presentation of the proposed project, its intended outcomes and the applicant organization. It includes the proposed activities, amount requested, anticipated outcomes, and capacity of the applicant organization to successfully implement the proposed program. The LOI is presented to the Planning Implementation Evaluation (PIE) Committee of the Board of trustees. The PIE Committee conducts a site visit during which Foundation staff and board assess the degree to which the proposed project has the potential to be transformational in its approach and outcome; addresses a significant community need; has clear goals, measurable outcomes and a plan for evaluating progress; is fully conceptualized ; has sufficient community support; has the capacity to carry out the project; has benefits that will live beyond Foundation funding; and has costs that are reasonable and appropriate. Following the site visit, the PIE Committee makes a determination as to whether to request a full proposal or decline. A full proposal is submitted through the Foundation's website according to the detailed instruction provided at the time a proposal is requested. As a function of the partnership between the Foundation and the applicant organization, the Senior Program Officer for Transformational Initiatives is available to offer support and guidance throughout the proposal process. The proposal is evaluated by the PIE Committee, which makes a recommendation to the Board of Trustees. The Board of trustees makes final approvals of all Transformational Initiatives.

SUBMISSION DEADLINES: Transformational Initiatives are presented for funding decisions on a rolling basis.

RESTRICTIONS AND LIMITATIONS ON AWARDS: The Foundation does not fund biomedical research; debt retirement; endowment funds; fundraising events; individuals; lobbying; projects outside Greater Cleveland that do not directly benefit its residents; or religious/evangelical programs. The Foundation does not consider unsolicited proposals.
