**THE ABINGTON FOUNDATION  
FORM 990-PF, PART XV LINES 2B-D**

**APPLICATION PROCESS**

All grant applications must be submitted online. Before beginning your application, please review these steps.

**STEP 1:** Check your eligibility. Your organization or your program must:

- be consistent with one of our focus areas
- be tax-exempt under section 501(c)(3) of the IRS code
- be based in Northeast Ohio and have a significant impact on Cuyahoga County (Proposals from organizations located outside of the region will be considered only if invited by a Trustee.)
- have submitted an interim or final report on any previous grants before a new request can be considered

**STEP 2:** See what information you will need.

- See [www.fmscleveland.com/abington/application-process.cfm](http://www.fmscleveland.com/abington/application-process.cfm)
- Sample Applications are also available on the website

**STEP 3:** Begin your online application.

- **FOR FIRST TIME USERS:** Click on Start a New Application above. At the Sign-In page you should select new online applicant. As a new user, enter your email address and a password. **PLEASE NOTE:** the email address and password you choose is for your *organization* and not you as an individual. The email and password will enable you and other staff members to save and return to an application and it will be used to complete the grant report form if a grant is awarded. In addition, every application and report that your organization submits, from this point on, will be accessible by using this email address and password. If you outsource your grant writing, set up your sign-in and provide the grant writer with access to your account. The contract grant writer should never use your organizations sign-in account for other organizations' applications. You will be prompted to enter your organization's taxpayer identification number. The Tax ID will be checked against the IRS database. **PLEASE NOTE:** If you are working with a fiscal sponsor, please contact our office before proceeding. Next you will complete an Eligibility Quiz.
- **FOR RETURNING USERS:** If you previously created an account, and you are ready to submit another application, click Start a New Application above. At the Sign-In page, select returning online applicant and enter the email address and password that you originally created. If this new application is eligible, your organization name, address and other information will automatically be entered into the new application.

- **RETRIEVING A SAVED APPLICATION:** If you previously started and saved an application, click on Continue an Incomplete Application above. Indicate that you are a returning online user and enter your email and password. You will then see the application that you have been working on in your account. At this point, you can complete the application and submit it, or edit, save and submit it at a later date. You have the ability to email a copy of the saved application to a colleague for review prior to completing and submitting it to the Foundation.

**Step 4:** Complete and submit the online application. When you click submit you will receive an email confirmation that we have received your application. **PLEASE NOTE:** Do not mail a duplicate hard copy of the application or any uploaded attachments.

## **Deadline**

The Board of Trustees meets 3 times a year to consider applications and award grants. In order to allow ample time for the Trustees to review each request thoroughly, the following schedule has been adopted:

## **Deadline Meeting Date**

December 1st	January
May 1st	June
September 1st	November

**When a deadline falls on a weekend or a holiday, the proposal must be submitted by 4:00 p.m. the following business day.**

## **Technical Assistance**

The staff of the Abington Foundation are available to discuss application procedures. As part of the review process, they often make site visits to requesting organizations. They also reserve the right to contact other funders and professionals in the field regarding the grant applicants under review.
