	Part I, Line 4b	<p>Executives on the filing organization's management team that hold the position of Vice-President or above are compensated by and on the payroll of Adventist Health System Sunbelt Healthcare Corporation (AHSSHC), the parent organization of a healthcare system known as Adventist Health System (AHS). In recognition of the contribution that each executive makes to the success of AHS, AHS provides to eligible executives participation in the AHS Executive FLEX Benefit Program (the Plan). The purpose of the Plan is to offer eligible executives an opportunity to elect from among a variety of supplemental benefits, including deferred compensation benefits taxable under Internal Revenue Code (IRC) Section 457(f), to individually tailor a benefits program appropriate to each executive's needs. The Plan provides eligible participants a pre-determined benefits allowance credit that is equal to a percentage of the executive's base pay from which is deducted the cost of mandatory and elective employee benefits. The pre-determined benefits allowance credit percentage is approved by the AHS Board Strategy & Compensation Committee, an independent committee of the Board of Directors of AHSSHC. Any funds that remain after the cost of mandatory and elective benefits are subtracted from the pre-determined benefits annual amount are contributed, at the employee's option, to either an IRC 457(f) deferred compensation account or to an IRC 457(b) eligible deferred compensation plan. The Plan documents define an employee who is eligible to participate in the Plan to generally include the Chief Executive Officers of AHS entities and Vice Presidents of all AHS entities whose base salary is at least \$196,000. The Plan provides for a class year vesting schedule (2 years for each class year) with respect to amounts accumulated in the executive's 457(f) deferred compensation account. Distributions could also be made from the executive's 457(f) deferred compensation account upon attainment of age 65 or upon an involuntary separation. The account is forfeited by the executive upon a voluntary separation. In addition to the Plan, AHS has instituted a defined benefit, non-tax-qualified deferred compensation plan for certain executives who have provided lengthy service to AHS and/or to other Seventh-Day Adventist Church hospital or health care institutions. Participation in the plan is offered to AHS executives on a prorata schedule beginning with 20 years of service as an employee of AHS and/or another hospital or health care institution controlled by the Seventh-Day Adventist Church and who satisfy certain other qualifying criteria. This supplemental executive retirement plan (SERP) was designed to provide eligible executives with the economic equivalent of an annual income beginning at normal retirement age equal to 60% of the average of the participant's three highest years of base salary from AHS active employment inclusive of income from all other Seventh-Day Adventist Church healthcare employer-financed retirement income sources and investment income earned on those contributions through social security normal retirement age as defined in the plan. 457(f) Employer SERP Contributions Contr /Pymt Robert Henderschedt \$107,010 \$119,583 Michelle R Givens \$ 33,048 \$ 0 Ronald M Wehtje \$ 15,871 \$ 0</p>
