As to contemporaneous documentation of meetings, no meetings were held by the governing body comprised of two trustees during the year. As to written actions, which consisted of one written certificate verifying the names of the two Trustees, that the Trust remained an operative organization, and certain operational procedures with its bank, such as check signing and the honoring of checks drawing on the Trust's funds on deposit with such bank, there was no contemporaneous documentation relating to the signing of such certificate.

The Trust has no committee that has the authority to act on behalf of the governing body.

Narrative Information for Part VI, Section B, Line 11a and 11b

Although the Form 990 was given to the two Trustees of the Trust prior to filing the return, no review process by the Trustees has been established for the return. However, after the form has been prepared by a third-party tax accountant, the completed return is reviewed in line-by-line detail by another third-party tax accountant. It is planned that discussions will be held as to the type of review that will be performed by the Trustees in the future.

Narrative Information for Part VI, Section C, Line 18 and 19

Form 1024 and Form 990 are available on request for public inspection, as are its governing documents and its unaudited financial statements.
