Pt VI-B, Line 11a The organization does not currently have a process for the board
to review Form 990 before it is filed. We will consider
establishing such a policy in the future.

Pt VI-B, Line 12c Annually, the officers and directors are provided a copy
of the conflict of interest policy, and sign that they
have received, read, understand, and will follow the policy.

School Choice Wisconsin staff review the signed policies to
ensure that all have been completed. The conflict of interest
policy covers the organization's board members and officers.
The policy requires them to self-report any conflicts that
they have. In situations where a conflict exists, the
individual shall be excluded from any discussion or vote
regarding the transaction or arrangement at issue, and shall
not be present in the meeting room during any part of
the discussion or vote. This was regularly monitored
during all board meetings and discussions.

Pt VI-B, Line 15 When the organization was established in 2004, the compensation
for the President was established by reviewing salaries of
individuals in similar positions in other organizations
(via review of tax returns and talking to other organizations).
The decision about salary level was ultimately made based on review
of comparable positions and the President's level of experience.
The base salary has remained at the same level since 2004;
there have been no increases since then in base salary.
The only increase in total compensation has been due to
increased costs for insurance coverage.
