Independent Auditors' Report

The American Academy of Allergy, Asthma and Immunology Milwaukee, Wisconsin

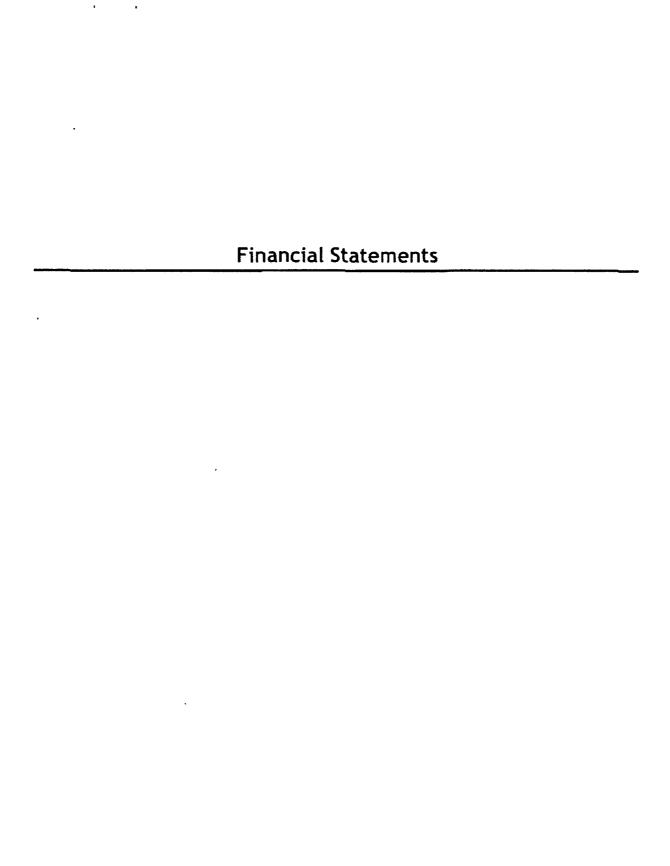

We have audited the accompanying statements of financial position of The American Academy of Allergy, Asthma and Immunology the (Academy) as of December 31, 2010 and 2009, and the related statements of activities, changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of the Academy's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The American Academy of Allergy, Asthma and Immunology at December 31, 2010 and 2009, and the results of its operations, changes in net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

1. Summary of Significant Accounting Policies

Nature of Organization

The American Academy of Allergy, Asthma and Immunology the (Academy) is a non-profit professional association whose mission is the advancement and practice of allergy and immunology, by discussion at meetings, by fostering the education of students and the public, by encouraging union and cooperation among those engaged in this field, and by promoting and stimulating research and study in allergy and immunology.

Financial Statements

These financial statements, which are presented on the accrual basis of accounting, have been prepared to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of transactions into three classes of net assets - unrestricted, temporarily restricted, or permanently restricted, as follows:

<u>Unrestricted Net Assets</u> - Net assets not subject to donor-imposed stipulations. Designated net assets are unrestricted funds which have been set aside by the Board of Directors for a specific purpose.

<u>Temporarily Restricted Net Assets</u> - Net assets subject to donor-imposed stipulations that may or will be met by actions of the Academy and/or the passage of time.

<u>Permanently Restricted Net Assets</u> - Net assets subject to donor-imposed stipulations requiring in perpetuity that the principal be invested and that only income be expended.

Revenues are reported as increases in unrestricted net assets, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets are reported as reclassifications between the applicable classes of net assets. Donor-restricted contributions whose restrictions are met during the same year are reported in the unrestricted net asset classification.

Donor contributions are received for general operating purposes and to support specific programs. Contributions, including unconditional promises to give, are recognized as revenues in the period the pledge is received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Investments

Investments are stated at fair value based on quoted market prices at the end of the fiscal year, and security transactions are accounted for on the trade date. Realized gains or losses arising from the sale of investments are determined on the basis of specific identification of the securities sold.

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it

Notes to Financial Statements

is reasonable possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Receivables and Allowance for Doubtful Accounts

Receivables are uncollateralized pledges due from donors and royalties earned but not collected. The Academy regularly reviews pledge receivables for contractually past due items based upon pledges from the donors. When the pledge is deemed uncollectible, the amount is written off. Write offs are rare and as such no allowance is recorded at December 31, 2010 and 2009.

Website Redesign

During 2010, the Academy began redesigning its website and incurred \$163,554 of costs through December 31, 2010. The new website is expected to be placed into service during 2011, when it will be amortized on a straight-line basis over a life of 5 years. Future costs to place this website into service are not significant at December 31, 2010.

Associates of The American Academy of Allergy, Asthma and Immunology (Associates)

The Associates is a voluntary association of spouses of members of the Academy. Revenues and expenses are recorded when received or incurred and are included in the Academy's financial statements.

Deferred Income

Deferred income is comprised of membership dues and contract fees received in advance and registration for the following year's annual meeting. Deferred income amounts are recognized in income in the period to which membership dues or contract fees apply or the annual meeting is held. Receipt of these amounts is conditioned upon performance of specific events. If these events do not occur, the Academy would be required to refund these amounts.

Income Taxes

The Academy is generally exempt from federal and state income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code; however, the net income from certain activities of the Academy may be subject to income tax as unrelated business income.

Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) in the United States of America requires management to make estimates that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Financial Statements

Concentration of Credit Risk

Financial instruments which potentially subject the Academy to concentration of credit risks consist of cash, money market funds, investments, other receivables and accounts payable. These financial instruments are carried at approximate fair value, less appropriate allowance, if any, due to their short maturities.

The Academy's policy is to limit the amount of credit exposure to any one financial institution and places its investments with various financial institutions deemed as being creditworthy. Concentration of credit risks with respect to other receivables is limited due to the Academy's credit evaluation process. Historically, the Academy has not incurred any significant credit-related losses.

The Academy at times has investments in excess of the FDIC insurance limit. At December 31, 2010, the Academy had \$1,614,276 of bank deposits in excess of federally insured limits.

Advertising Costs

Advertising costs are expensed as incurred. Advertising costs were \$9,484 and \$537 for 2010 and 2009, respectively.

Subsequent Events

The Academy has performed a review of events subsequent to the Statement of Financial Position date through May 25, 2011, the date the financial statements were approved and available to be issued. Effective February 25, 2011, the Allergy, Asthma, & Immunology Education & Research Trust Fund was separately incorporated as the Allergy, Asthma, & Immunology Education and Research Organization, Inc. No other subsequent events occurred through the date of this report issuance.

Reclassifications

Certain amounts in the financial statements as of December 31, 2009 have been reclassified to conform to the classification used as of December 31, 2010.

Recent Accounting Pronouncements

In January 2010, the Financial Accounting Board (FASB) issued Accounting Standards Update (ASU) No. 2010-06, *Improving Disclosures about Fair Value Measurements*. ASU No. 2010-06 amends FASB Account Standards Codification (ASC) 820 and clarifies and provides additional disclosure requirements related to recurring and non-recurring fair value measurements. This ASU is effective for years beginning after December 15, 2009. The Academy adopted the standard for the year ended December 31, 2010 and concluded that the adoption did not have any effect on the financial statements.

Notes to Financial Statements

2. Related Party Transactions

The Executive Director, Inc. (EDI) provides occupancy, accounting and administrative services for the Academy. EDI's stock is closely-held and owned by the management staff of the Academy. Payments to this corporation were \$3,512,868 and \$3,431,702 during 2010 and 2009, respectively. The amount for 2010 and 2009, respectively, includes \$3,350,137 and \$3,255,407 for authorized fixed payments, \$145,449 and \$127,611 for variable expenses such as creative services, website design and printing, \$12,630 and \$41,838 for reimbursed expenses such as postage and travel, and \$4,652 and \$6,846 for services provided for the Associates of the Academy. These expenses are detailed by invoices or other appropriate documentation and submitted to the Academy treasurer for approval and counter-signing of checks covering each of these transactions. Amount due to EDI included in Accounts Payable at December 31, 2010 and 2009 was \$36,857 and \$8,767, respectively.

3. Investments

All of the Academy's investment activity is managed by an investment management company. The holdings at December 31, 2010 and 2009 are as follows:

December 31,	 2010	2009
Money funds	\$ 367,693 \$	427,160
Commodities	968,191	672,674
Mutual funds		
Mid cap fixed income bond funds	4,809,512	4,392,266
Common stocks		
Real estate index funds	384,522	784,313
Small cap equity funds	1,321,000	995,769
International equity funds	2,782,293	2,383,007
Large cap international equities	567,270	383,511
Large cap domestic equities	6,432,157	5,998,956
	\$ 17,632,638 \$	16,037,656

ASC 820 establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no active market data exists. In determining fair value the Academy utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. Commodity funds held at December 31, 2010 and 2009 were classified as Level 2. All other financial assets carried at fair value at December 31, 2010 and 2009 were classified as Level 1. During 2010 the Academy had transfers of \$130,000 from Level 1 investments to Level 2 investments.

The American Academy of Allergy, Asthma and Immunology Notes to Financial Statements

The income earned during 2010 and 2009 was as follows:

As of December 31,	20	10	20	09
	Unrestricted	Temporarily Restricted	Unrestricted	Temporarily Restricted
Interest and dividends Realized/unrealized gains Investment expenses	\$ 203,117 695,393 (67,991)	\$ 192,399 679,241 (6,337	1,379,319	1,384,690
Investment gain	\$ 830,519	\$ 865,303	\$ 1,558,501	\$ 1,605,676

4. Net Assets

The Academy treats all donor restricted funds as either permanently or temporarily restricted based on the donor's intent. These funds are invested in balanced portfolios with separate accounts maintained for each donor restricted fund. The returns on these funds have been included as increases to temporarily restricted net assets in the Statements of Activities. During the years ended December 31, 2010 and 2009, investment gains were \$865,303 and \$1,605,676, respectively.

The Academy receives contributions and grants which are restricted as to use. The following comprise the temporarily restricted net assets:

Annual Meetings - Comprised of funds received for annual meeting programming in future years.

Program Grants - Comprised of funds contributed for programs in future years.

<u>Lectureships</u> - Contributions are received for the purpose of presenting commemorative lectures on a rotating basis at the annual meeting. Funds are contributed in honor of an individual for a specific topic. Funds are used to present the lectures until depleted and include the cost of the speaker and all expenses to present the lecture.

Allergy, Asthma, & Immunology Education & Research Trust Fund (ART) - Funds raised for the purpose of granting scholarships for research.

Permanently restricted net assets is made up of \$100,000 received from the Dorothy Merksamer estate in 1993 with the stipulation that the annual income from the fund be used for research grants, fellowships and internships, and lecture programs.
