PLEASE DO NOT SEND A FULL PROPOSAL BEFORE CONTACTING THE FUND. Contact the Fund by telephone or by sending a 2-page letter of intent, including budget information, by mail, facsimile or e-mail. Our staff can then help you decide whether it is worth your time and expense to proceed with a full proposal.

Many excellent proposals cannot be funded because there are absolute limits to the number of proposals the Fund can study thoroughly and support.

If your organization receives a grant, you will be asked to sign a grant agreement form requiring online reports on use of the grant in relation to the original proposal objectives and program results. Selected number of grantees may be asked to participate in a post-grant evaluation to study program accomplishments in more depth.

Please review the [list of considerations](#) the Board of Directors makes when reviewing a grant proposal.

List of Funding Considerations

Woods Charitable Fund uses the following "Considerations" among others in its review of grant proposals and offers you this information in an effort to be as open as possible about the foundation's grant making process.

Please be aware that the "Considerations" listed below do not constitute a complete list. The Fund does not use them as a checklist or a score card and meeting all of the "Considerations" will not necessarily result in a grant award.

Fund Purpose

Woods Charitable Fund seeks to strengthen the community by improving opportunities and life outcomes for all people in Lincoln, Nebraska. Woods supports members of the nonprofit sector who are exploring creative alternatives and promoting more just, effective approaches to meet community needs.

Relation of the Proposed Activities to the Purpose of the Fund

How do the proposed activities:

- Strengthen communities or build on community strengths?
- Identify and promote more just, effective and creative approaches?
- Increase opportunities for people with fewer advantages?
- Promote community participation in exploring policy options?
- Seek long term solutions to community challenges and needs?

Additional Considerations

- **Diversity:** how does the governance of the organization include and reflect the diversity of the community? How does the governance of the organization include and reflect the diversity of the population which the organization seeks to serve?
- **Relative importance:** given needs and priorities, how do the proposed activities address a significant community problem or issue?
- **Strategic:** beyond the importance of the issue being addressed, is there a solid plan or strategy in place for accomplishing it?
- **Impact and scale:** how do the proposed activities hold promise to have a significant impact? How does the applicant articulate proposed outcomes? What is the applicant's "vision of success?" Will the impact be broad based

EXHIBIT 3

and long lasting or will it be narrow and short term?

- **Change, not charity:** There is a distinction between charity (assisting people) and philanthropy (working toward positive social change). How do the proposed activities address bringing about positive change?
- **Grant impact on organization:** In addition to the grant impact on the proposed project or issue area, what will be the impact on the organization? Will it help develop leadership or institutional capacity? Divert the organization from more appropriate activities?
- **Larger context:** what is the context for the proposed activities? Is this a precedent or innovation? Have others done the same work or are others better qualified?
- **Potential for evaluation:** how will the results or outcomes of the proposed activities be evaluated? Are those results or outcomes clear enough to be evaluated?
- **Collaboration:** what possibilities for collaboration exist and how does the applicant propose to collaborate with others?
- **Community Building:** how will this plan bridge differences rather than isolate people? How will it encourage grass roots participation?

Funding Limitations & Restrictions

While grants are made primarily in Lincoln, Nebraska, the Fund will consider grant applications from other locations in the context of their impact on Lincoln. The Fund makes grants in diverse fields, however, specific areas are not eligible for grant review. Please review the list of [What We Do Not Fund](#).

Funding is provided in four principle areas of interest

- Human Services
- Education
- Civic & Community Life
- Arts & Culture

To learn more, please visit the [Grant Program](#) section of our website.

College and university proposals are reviewed only if they directly involve faculty and/or students in applied projects of benefit and concern to the community.

Requests for support of technology must be from organizations whose emphasis is in the Fund's special interest areas. Requests must define the need for the technology, provide compelling evidence that it is appropriate for the task and is cost-effective. Furthermore, the proposal must demonstrate the technology's impact on the organization's mission.

The Fund will consider requests for:

- Technical assistance for technology planning
- Information/Technology staff
- Computer software
- Technological training
- Fund development using technology
- Marketing using technology

Applicants generally should be organizations described in Section 501(c)(3) of the Internal Revenue Code and have a written ruling from the IRS that they also qualify under Section 509(a)(1), (2) or (3) of the Code (publicly supported organizations and their affiliates). Occasionally the Fund considers proposals from 501(c)(3) organizations that are private, operating foundations. In exceptional cases, the Fund will consider fiscal agent and expenditure responsibility grants.

Woods does not accept applications from organizations: (1) that have had proposals approved or declined in the preceding 12 months; or (2) that are recipients of active, multiyear grants. This policy does not apply when organizations are involved in collaborative proposals.

EXHIBIT 3

Proposals not clearly within the Fund's priority areas but not clearly ineligible are screened for funding consideration by the Fund's board members.
