Any member may be expelled by two-thirds vote of the active members upon being guilty of conduct which, in the opinion of two-thirds of the active members, is improper or prejudicial to the Foundation. No rights, powers, privileges, obligations or duties as a member shall survive the death of a member.

Section 3 – Minimum Membership
There shall be at all times not less than three active members, and if, for any reason, the total active membership shall at any time fall below this number, the remaining active members or member, as soon thereafter as is practicable, shall choose a new active member or members sufficient to bring the total membership up to at least three.

Section 4 – Meetings
Meetings of members may be held within or without the State of Delaware at such place as may be determined from time to time by the Board of Trustees or the active members.

Section 5 – Voting
Active members shall be entitled to vote at meetings either in person or by proxy appointed by instrument in writing subscribed by the active member or by his or her duly authorized attorney.

Section 6 – Quorum
Except as otherwise required by law, the Certificate of Incorporation or these Bylaws, a majority of the active members shall constitute a quorum at any meeting of the members.

Section 7 – Adjournments
If less than a quorum shall be in attendance at the time for which the meeting shall have been called, the meeting may be adjourned from time to time by a majority vote of the active members present or represented, without any notice other than by announcement at the meeting, until a quorum shall attend. Any meeting at which a quorum is present may also be adjourned, in like manner, for such time as may be determined by vote.

Section 8 – Annual Meeting of Members
The annual meeting of the members of the Foundation for the election of Trustees and officers and the transaction of such other business as may properly come before it shall be held in such place (which may be either within or without the State of Delaware) and at such time as may be determined from time to time by vote of the active members.

Section 9 – Special Meetings of Members
Special meetings of members may be called at any time by the President or Secretary, or by a majority of the Trustees, and shall be called upon the request of a majority of the active members made in writing to the President or Secretary. Notice of every special meeting, stating the time, place and object thereof, shall be given by mailing, post-paid, at least ten (10) days before such meeting, a copy of such notice addressed to each member at his or her last known post office address.

Section 10 – Annual Report of President
At the annual meeting of members there shall be presented a report by the President showing the assets and liabilities of the Foundation, the amount and nature of property acquired during the year immediately preceding the date of the report, and the manner of acquisitions; the amount applied, appropriated or expended during the year immediately preceding such date, and the purposes, objects or persons to or for which such applications, appropriations and expenditures have been made; and the names and places of residence of the persons who have been admitted to membership during such year. This report shall be filed with the records of the Foundation and an abstract thereof entered in the minutes of the proceedings of the annual meeting.

ARTICLE II – TRUSTEES

Section 1 – Trustees
The number of Trustees shall be not less than nine or more than thirteen with the exact number to be fixed by the active members from time to time. There shall be three categories of Trustees: Ex Officio Trustees, Area Trustees and Trustees-at-Large.

Only active members shall be eligible for election as Area Trustees and Trustees-at-Large. All Trustees shall hold office for a term of three years, or until their successors are elected and qualified. No Area Trustee or Trustee-at-Large shall be eligible for re-election after serving two consecutive terms until after the expiration of one full year from the conclusion of the second term, provided, however, that any Area Trustee or Trustee-at-Large who has served for four or fewer consecutive years as a Trustee shall be eligible for re-election for one additional consecutive term.

Each Trustee shall be entitled to one vote. No person shall serve as Trustee in more than one capacity. The Chairperson of any meeting of the Board of Trustees shall only be entitled to vote in the event of any deadlock of the Board of Trustees.

A. Ex Officio Trustees – The President, Chairperson of the Foundation, First Vice President, Treasurer and Secretary of the Foundation shall serve as Ex Officio Trustees by virtue of their respective offices.

B. Area Trustees – Each Area Committee shall nominate one of its active members for election as an Area Trustee by the active members of the Foundation.

C. Trustees-at-Large – There may, but need not, be up to four Trustees-at-Large who are not, at the same time, Ex Officio Trustees or Area Trustees. Trustees-at-Large shall be nominated and elected by the active members of the Foundation.

Section 2 – Quorum
A majority shall constitute a quorum at any meeting of the Board of Trustees.

Section 3 – Meetings
Each newly elected Board of Trustees may hold its first meeting for the purpose of organization and the transaction of business, if a quorum is present, immediately after the annual meeting of members, or at such time and place as may be fixed by consent in writing of all Trustees. Regular meetings may be held without notice of such times and places as shall be determined from time to time by resolution of the Board.

Section 4 – Place of Holding Meetings and Keeping Books
The Trustees may hold their meetings and keep the books of the Foundation within or without the State of Delaware, at any office or offices of the Foundation, or at any other place, as they may from time to time determine.

Section 5 – Special Meetings
The President, the Chairperson of the Foundation or the Secretary may, and at the request of a majority of the Board of Trustees shall, call a special meeting of the Board of Trustees, one day's notice of which shall be given in person or by telephone or two days' notice of which shall be given by mail.

Section 6 – Waivers of Notice
A waiver of notice of any meeting, signed by all the Trustees, shall in all respects be valid and equivalent to notice thereof.

Section 7 – Vacancies
Vacancies occurring in the membership of the Board of Trustees, from whatever cause arising, may be filled by majority vote of the remaining Trustees, although less than a quorum, for a term to continue until the next meeting of the members, at which meeting the active members may elect a successor Trustee or Trustees to serve out the remainder of any unfinished term or terms.

Section 8 – Committees
The Board of Trustees shall have power to appoint from time to time such Committees of Trustees, including an Executive Committee of two or more members, as they may deem advisable and proper, and to delegate to such Committee or Committees such powers as, in the discretion of the Board of Trustees, are necessary and desirable. In addition, the Trustees shall have power to appoint members to Committees, including, without limitation, the Committees described in Article IV of these Bylaws, and to appoint members, officers or others to represent the Foundation to other organizations important to the realization of the Foundation's goals.

Section 9 – Grants
The Communications and Coordinating Committee shall recommend to the Trustees proposed loans, grants or other allocations of money in furtherance of the Foundation's objects and purposes. The Trustees shall review these recommendations, retaining complete discretion to alter or eliminate any proposed allocation of funds.

Section 10 – Rotation of Trustee Terms
The terms of all Trustees except the Executive Vice President and of all officers elected by the active members shall expire with the adoption by the members of this Bylaw and, thereafter, Trustees shall be elected at each annual meeting of the members, commencing with the 1979 annual meeting. The Trustees, whether Ex Officio Trustees, Area Trustees, or Trustees-at-Large, elected at the 1979 annual meeting of members shall be divided as equally as may be into three classes by the members. The initial terms of the first, second and third classes of Trustees shall, notwithstanding any other provision of these Bylaws, expire at the close of the annual meetings of members in 1980, 1981 and 1982, respectively. The Trustees elected in 1980 and thereafter shall have terms as provided in Article II, Section 1 or Article III, Section 1 of these Bylaws, as appropriate.

ARTICLE III – OFFICERS

Section 1 – Officers
There shall be a President, First Vice President, Second Vice President, Treasurer and Secretary of the Foundation. Only active members of the Foundation shall be eligible for election to such offices by the active members of the Foundation; they shall hold office for a term of three years, or until their successors are elected and qualified, and shall be eligible for re-election to successive terms without limitation.

There shall also be a Chairperson of the Foundation who shall be elected by the active members of the Foundation to serve for a term of three years, and he or she may be selected from among the Trustees or from among the active membership.

The President, with the advice and consent of the Board of Trustees, may appoint or terminate an Executive Vice President on such terms as he or she may determine. The Board of Trustees may appoint, on such terms as the Board may determine, such other officers and agents as the Board may find necessary or convenient.

Vacancies occurring in any elective offices, from whatever cause arising, may be filled by majority vote of the Trustees, for a term to continue until the next meeting of the members, at which meeting the active members shall elect a successor or successors to serve out the remainder of any unfinished term or terms.

Any two offices may be held by the same person, except the offices of President, Executive Vice President, Treasurer and Secretary. All elected officers shall hold office until their successors are elected and qualify.

Section 2 – Chairperson of the Foundation
The Chairperson of the Foundation shall, when present, preside at all meetings of the members, Trustees and Communications and Coordinating Committee. Section 3 – President
The President shall have power to call special meetings of the members and Trustees for any purpose or purposes. The President shall focus upon oversight of the general management and control of the business of the Foundation, through the Executive Vice President; shall make and sign contracts and agreements in the name of and on behalf of the Foundation; and shall generally do and perform all acts incident to the office of President which are authorized or required by law. In the absence or incapacity of the Chairperson of the Foundation, the President shall preside over meetings of the members, Trustees and Communications and Coordinating Committee.

Section 4 – First Vice President
The First Vice President shall, in the absence or incapacity of the Chairperson and President, preside over meetings of the members, Trustees and Communications and Coordinating Committee, and shall perform such other duties as may be authorized from time to time by the Board of Trustees.

The Treasurer shall give such bonds for the faithful performance of his or her duties as the Board of Trustees may determine.

Section 7 – Secretary
The Secretary shall keep the minutes of meetings of the Board of Trustees and members; shall have the custody of the seal of the Foundation and shall affix the same to documents when authorized so to do. The Secretary shall perform all of the other duties usual to that office.

Section 8 – Executive Vice President
The Executive Vice President will be an employee of the Foundation and a non-voting officer of the Foundation. He or she shall perform such duties as may be authorized from time to time by the President, shall appoint and discharge employees and agents of the Foundation and fix their compensation, and shall fulfill the responsibilities of a job description assigned by the President.

Section 9 – Removal
Any officer appointed by the Board of Trustees pursuant to Section 1 of this Article, or any agent or employee, or any member of any Committee of the Foundation may be removed at any time, with or without cause, by a majority vote of the Trustees at a meeting of the Board called for that purpose. Any elected officer or any Trustee may be removed at any time, for cause, by a majority vote of the active members at a meeting of the members called for that purpose.

ARTICLE IV – COMMITTEES OF MEMBERS

Section 1 – Communications and Coordinating Committee

A. The Communications and Coordinating Committee shall be comprised of all the Trustees of the Foundation, the Chairpersons of all Area Committees and such other officers and agents of the Foundation as the Board of Trustees shall from time to time appoint thereto.

B. The primary responsibility of the Communications and Coordinating Committee shall be to receive from Area and other Committees, and rank in order of recommended priority, all proposals for the use of Foundation funds. It shall also review the activities of the Foundation from time to time to assess their compatibility with the Foundation's purposes. Section 4 – Training Committee

A. The Training Committee shall include the President of the Foundation or an appointee of the President and one representative chosen by each of the Area Committees; such representatives to serve on the Training Committee for a term of three years and to be eligible for re-election to successive terms without limitation.

C. The Trustees shall receive and consider recommendations as to the necessity or advisability of creating Special Committees from the various Area Committees, but shall retain full discretion in deciding whether to appoint Special Committees.

D. After a Special Committee has fulfilled the purpose for which the Trustees created it, it shall dissolve.

Section 8 – Committee Procedures
All members' Committees shall meet at such times, in such places and under such rules as their members may from time to time prescribe, subject always to applicable requirements of these Bylaws.

ARTICLE V – MISCELLANEOUS PROVISIONS

Section 1 – Fiscal Year
The fiscal year of the Foundation shall end on the 31st day of December of each year.

Section 2 – Notices
Whenever any notice is required by these Bylaws to be given, personal notice is not meant unless expressly so stated; and any notice so required shall be deemed to be sufficient if given by depositing the same in a post office box in a sealed post-paid wrapper, addressed to the person entitled thereto at his or her last known post office address, and such notice shall be deemed to have been given on the day of such mailing. Any notice required to be given under these Bylaws may be waived by the person entitled thereto.

Section 3 – Voting Records
Whenever a vote is taken by the active members, Trustees, or any Committee of the Foundation it shall be taken by a voice or hand count vote and the results thereof shall be recorded, except that a written ballot or electronic ballot will be taken in the case of the election of any person as a Trustee or officer. The requirements of a written ballot or electronic ballot may be suspended in favor of a vote by acclamation by a majority vote of those present and entitled to vote at any such meeting. Any member present and entitled to vote may request that a roll call vote be taken on any matter except the election of any person as a Trustee or officer. Any member present and entitled to vote at a meeting may request that his/her vote be recorded in the minutes of that meeting.

Section 4 – Open Meetings
All members of the Foundation, whether active, sustaining or emeritus, shall be permitted to attend and observe any meeting of the members, Trustees, or any Committee of the Foundation, provided, however, that persons who are not entitled to vote at any such meeting may participate only if permitted to do so by majority vote of those present and entitled to vote.

ARTICLE VI – COMMERCIAL PAPER

All checks, drafts or orders for the payment of money shall be signed by such officers or agents as the Trustees may designate.

ARTICLE VII – AMENDMENTS

These Bylaws may be amended, altered or repealed at any meeting of members by vote of a majority of the active members, represented either in person or by proxy, or may be amended, altered or repealed by the written consent of all the active members without a meeting.

ARTICLE VIII – INDEMNIFICATION

Section 1 – Nature of Indemnity
The Foundation to the full extent permitted by applicable law shall indemnify any person (and the heirs, executors and administrators of such person) who, by reason of the fact that such person is or was a Trustee, officer, employee or agent of the Foundation, or is or was serving at the request of the Foundation as a trustee, director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, was or is a party or is threatened to be made a party to:

A. Any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Foundation), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such action, suit or proceeding, or,

B. Any threatened, pending or completed action or suit by or in the right of the Foundation to procure a judgment in its favor, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit.

Any indemnification by the Foundation pursuant hereto shall be only made in the manner and to the extent authorized by applicable law, and any such indemnification shall not be deemed exclusive of any other rights to which those seeking indemnification may otherwise be entitled.

Section 2 – Indemnification Insurance
The Foundation shall have power to purchase and maintain insurance on behalf of any person who is or was a Trustee, officer, employee or agent of the Foundation, or is or was serving at the request of the Foundation as a trustee, director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Foundation would have the power to indemnify such person against such liability under applicable law.

Section 3 – Advance Payment of Expenses
Expenses incurred by a Trustee or officer in defending a civil or criminal action, suit or proceeding shall be paid by the Foundation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such Trustee

or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Foundation as authorized in this Article. Such expenses incurred by other employees and agents may be paid upon such terms and conditions, if any, as the Board of Trustees deems appropriate.

PART VIIB - QUESTION 1(a)(4)

Reimbursement of actual expenses for travel to attend meetings. Such expenses are reasonable and necessary to carry out the exempt purpose of the Foundation. Documents are submitted to the Foundation to support expenses.

U.S. FORM FOR MAKING APPLICATION

Eligibility. The Raskob Foundation accepts applications from *official* Catholic, tax-exempt, non-profit organizations. Within the United States, such Catholic organizations are recognized by the IRS as those listed in the most recent edition of *The Official Catholic Directory*, published annually by P. J. Kenedy & Sons.

General Criteria. Applications to the Foundation are considered on their merits. Need, timeliness and the good to be accomplished are prime considerations. Requests for aid far exceed the dollars available. The Foundation follows a philosophy of stretching its funds to help as many different Catholic activities as possible. Applicants may view the range and types of grants made by the Foundation at its website: www.rfca.org.

TO BE CONSIDERED, AN APPLICATION MUST CONTAIN:
(See pages 1-4 for more detailed instructions.)

- A fully completed **Application Form**.
- A detailed breakdown of the **Budget** of the Project/Program.
- The **Financial Statements** of the incorporated Catholic organization that will conduct the proposed project.
- A **Letter from the Ordinary of the Diocese** where the project will take place, commenting on your request to the Raskob Foundation.

Applications must be **complete** when they arrive at the Raskob Foundation. Applications **lacking any of the first 3 items listed above will not be considered.**

The Ordinary's letter may be submitted later or directly from the Chancery, if you are unable to obtain it before the deadline.

Deadlines. The Foundation's Board of Trustees meets twice a year to review applications—in mid-May and late November. Applications are accepted ***between December 8 and February 8*** for our May Meeting and ***between June 8 and August 8*** for our November Meeting. **Applications must be received on or before February 8 or August 8.** *If February 8 or August 8 falls on a weekend or holiday, the deadline is 5:00 p.m. of the previous business day (Monday-Friday).* Information presented to our Board must be timely. Applications that arrive **too early** or **too late** for either time period will not be considered and will not be held over for the next Meeting.

We encourage applicants to submit their materials at the beginning of the time frames. Although we do our best to accommodate increasing volume, **we cannot guarantee that applications received in the last week of the specified time frames will be processed for a docket.**

2. Applications for Construction Projects.
   In general, requests to fund large construction projects have a low priority with the Raskob Foundation. ***Building or Renovation Projects costing over (U.S.) $200,000*** are not accepted for consideration until:
   - **50%** of the total cost is **in hand.** *(Note: Monies pledged but not actually received or contractually committed do not satisfy this requirement.)*
   - A **signed construction contract** is in existence.
   - Construction is actually **underway**.

3. Per the Foundation's Charter, **requests by or for individuals cannot be honored**.

4. To facilitate the processing of your application for review by our Board, ***it is advisable that application materials be submitted in English***. Applications submitted in languages other than English may be deemed ineligible.

5. If the Foundation is unable to fund your application, **the Board will not accept the same application for review at its next (successive) Meeting**.

6. **Applications for Vehicles**.
   If funding is approved toward the purchase of a vehicle, the following conditions will apply:
   - The vehicle purchased may not be owned by an individual nor assigned for the exclusive use of an individual.
   - It must become the property of a Parish/Diocese/School/Congregation for use at a specified location.
   - The title cannot be transferred to another organization, nor may the vehicle be relocated to another site.
   - A copy of the title, registration, sales invoice or similar proof of purchase verifying ownership must be submitted to the Foundation once the vehicle has been acquired.

Conditions apply—but are not limited—to:

- **Ambulances**
- **Cars**
- **Pickup Trucks**
- **Off-road Vehicles**
- **Scooters**
- **School Buses**
- **Van/Buses**
- **Motorbikes/Motorcycles**

However, the form must conform to both the size and layout *(sections/questions)* of the Foundation's Application Form. An applicant-generated form cannot consist of more than 2 pages and should be submitted on 8½ x 11 white paper.

Methods of Submission:

The Foundation can only **accept applications electronically if they are submitted using the online option from our website**. Downloaded or hard copy Application Forms must be submitted via U.S. Mail or express delivery service.

DETAILED INSTRUCTIONS FOR MAKING APPLICATION

ALL INFORMATION IS KEPT CONFIDENTIAL

Your application will be one of 600+ requests received from around the world. It is important, therefore, that you read the following carefully. If you have questions about these requirements, please call the Foundation to discuss them prior to the submission deadline.

Required

1. **Application Form**. The Application Form serves as a digest of your proposal. Please complete all fields on the application. Notations such as "See Attached" are not acceptable.

2. **Budget**. A detailed breakdown of the cost elements and sources of income of the program/project for which funds are being requested.

3. **Financial Statement**. The most recent 12-month **audited** financial statement with accompanying notes or unaudited, **in-house** statements of the organization, including a **Statement of Financial Position** (*assets/liabilities) and a **Statement of Activities** (*income/expenses).

   * Assets - Listing or value of current **monetary assets** (cash—checking/savings, accounts receivable, investment portfolios, scholarship funds, endowment funds, etc.) and **fixed assets** (buildings, land, furnishings, equipment, vehicles and the like). **Liabilities** - Monies currently owed or future commitments (accounts payable, mortgages, loans, credit cards, outstanding payroll/benefits, etc.).
   * **Income** and the sources of income (tuition, fees, collections, grants, donations, government programs, rentals, dividends, etc.) **Expenses** - Salaries, transportation, utilities, maintenance/ rent, office supplies, program costs and the like.

> NOTE:
> **Applicants frequently omit their fixed assets.
> This is required, even if the fixed assets are owned by a parent corporation (parish, diocese, bishop sole, religious order, consolidated health system, etc.).
> If you don't have this information on hand or are having a difficult time acquiring it, the insurance value of such fixed assets would satisfy the requirement.**
>
> **If you are a private organization or fund-raising Foundation, making application for a parent organization, the Financial Statements of *both* organizations are required.**

4. **Letter from the Ordinary**. This requirement may be satisfied in one of the following ways:
   A) A letter from the **Cardinal, Archbishop or Bishop** of the Diocese where the project will be carried out, commenting on your application to the Foundation. Letters from Auxiliary Bishops or Department Heads do not satisfy this requirement.
   B) In the case of religious orders not under the jurisdiction of an Ordinary, the Provincial, Abbot or Superior may **send a letter to the Ordinary** (where the project will take place) informing him about the application to Raskob. **A copy of this letter must be submitted to the Foundation**

> NOTE:
> **The most common error is the Provincial, Abbot or Superior directing their letter to the Raskob Foundation instead of to the Ordinary.**

Optional

5. **Narrative**. If you wish to include additional information that you feel is important for our Board to consider, a supplemental Narrative is recommended. You may choose the format or you can follow the general outline of the application form and explain the project in greater detail. *(Preferably not to exceed 5 pages)*

GUIDELINES FOR COMPLETING THE APPLICATION FORM

1. **Amount Requested** The amount to be requested from the Foundation should be exactly what is required to get the project underway, or what is required to meet a specific, essential need, or what is needed to move the project forward to the next step.

2. **Specific Purpose**. A good proposal will be exact not only about the amount of money it seeks, but also the purpose for which the money is needed. Don't confuse "purpose" with project *goals* or *methods*. "Purpose" almost always relates to *means*, not *ends*. State clearly what it is you are asking the Foundation to assist you in acquiring or doing.

   (Examples: "Grant funds would be used to .... purchase computer equipment for the elementary school ... pay the salary/benefits of a Youth Minister.", etc.)

3. **Introduction**. This serves to describe your organization, its mission and achievements. What needs to be conveyed is a clear sense of its "track record" and competence in the activity or area for which funds are being sought.

4. **Problems, Objectives & Methods**. Here, describe the basic problem or need. What it is you want to accomplish and the method(s) you plan to use. It is important to demonstrate that the problem or need is real and currently not being met by others.

5. **Timing**. Be specific as to the status, date and/or time frame of the project. This is an important element of consideration.

6. **Cost & Financing**. List the costs of the total project and provide specific line item detail for the amount requested of the Raskob Foundation. State how much has been raised toward the total needed, how much still needs to be raised, and other sources of support to be sought. In the event the Foundation cannot grant the amount you are requesting, is there a smaller amount which can be used to move the project forward to the next stage?

7. **Evaluation**. Will the project have a tangible measurable outcome? What methods and measures will you use to evaluate the project? How will you be able to prove that you have gotten the results you want? Do your measures focus on ends, not means?

Photos are always helpful in providing a visual understanding of the locale, the organization, people and/or project.

Applications must be submitted directly to:

FIELDS OF ACTIVITY OF THE RASKOB FOUNDATION

The Raskob Foundation has as its purpose to engage in such exclusively religious, charitable, literary and educational activities as will aid the Roman Catholic Church and institutions and organizations identified with it.

The Foundation has particular interest in projects in which self-help and local support are demonstrated.

IMPORTANT!

The Foundation *does not accept* applications for the following purposes:

- **Tuition, Scholarships, Fellowships.**
- **Endowment Funds.**
- **Grants made by other grant making organizations.**
- **Reduction of Debt.**
- **Individual Scholarly Research.**
- **Legislative Advocacy or Lobbying.**
- **Projects completed prior to our Board Meetings (mid-May and late November).**

RESTRICTIONS TO NOTE

1. While there is no limit as to the number of times an applicant may approach the Foundation for funding, in general the Foundation **does not make grants for the same project or to the same organization on a continuing or regular basis**.

2. **Applications for Construction Projects**.
   In general, requests to fund large construction projects have a low priority with the Raskob Foundation. ***Building or Renovation Projects*** *costing over (U.S.) $200,000* are not accepted for consideration until:
   - **50%** of the total cost is **in hand**. *(Note Monies pledged but not actually received or contractually committed do not satisfy this requirement.)*
   - A **signed construction contract** is in existence.
   - Construction is actually **underway**.

3. Per the Foundation's Charter, **requests by or for individuals cannot be honored**.

4. To facilitate the processing of your application for review by our Board, ***it is advisable that application materials be submitted in English***. Applications submitted in languages other than English may be deemed ineligible.

5. If the Foundation is unable to fund your application, **the Board will not accept the same application for review at its next (successive) Meeting**.

6. **Payment of Foreign Grants**. It is the practice of the Raskob Foundation to make payment of foreign grants *via crossed check to the local Diocese*, whereupon the Ordinary deposits the funds into the Diocesan bank account, procures the exchange into the local currency and ensures that the funds are delivered safely to the grant recipient.

7. If funding is approved toward the **purchase of a vehicle**, the vehicle purchased may not be owned by an individual nor assigned for the exclusive use of an individual. It must become the property of a Parish/ Diocese/School/Congregation for use at a specified location. The title cannot be transferred to another organization, nor may the vehicle be relocated to another site. A copy of the title, registration, sales invoice or similar proof of purchase verifying ownership must be submitted to the Foundation once the vehicle has been acquired.

Conditions apply—but are not limited—to:

- **Ambulances**
- **Cars**
- **Pickup Trucks**
- **Off-road Vehicles**
- **Scooters**
- **School Buses**
- **Van/Buses**
- **Motorbikes/Motorcycles**

Of Special Note to Applicants Located in Africa – Based on the Foundation's funding history, requests to purchase vehicles have a low priority in comparison with other projects. As such, it might be in your best interest to apply for another of your funding needs

8. **Independent Catholic Foreign Organizations**. It has long been the practice of the Raskob Foundation to restrict funding outside of the U.S. to basic official Catholic institutions, such as: Dioceses, churches, parishes, schools, religious congregations/orders, hospitals or universities. Our Board of Trustees reviewed the Foundation's foreign grant policy and amended it to include other independent Catholic organizations outside of the U.S., *if the following steps are taken*:

   A) The organization must first obtain a **letter from its Arch/Diocesan Ordinary** (Cardinal, Archbishop or Bishop) or its official Episcopal Moderator appointed by the Holy See, attesting to the fact that the organization is formally Catholic and in communion with the Church's teachings and authority, and

   B) If the Foundation approves funding, the grant will be transmitted through the local Ordinary, a Papal Nuncio, or through the department of the Holy See of the organization's official Episcopal Moderator. The party through whom the funds are transmitted will also be asked to **agree to review the project evaluation and expenditure report** and **attest to their accuracy.**

Applicant-Generated Application Forms. In response to inquiries from applicants, the Raskob Foundation will accept an application form created on a computer. However, the form must conform to both the size and layout *(sections/questions)* of the Foundation's Application Form. An applicant-generated form cannot consist of more than 2 pages and should be submitted on 8½ x 11 white paper.

Methods of Submission:

The Foundation can only **accept applications electronically if they are submitted using the online option from our website**. Downloaded or hard copy Application Forms must be submitted via U.S. Mail or express delivery service.

DETAILED INSTRUCTIONS FOR MAKING APPLICATION FROM OUTSIDE THE UNITED STATES

ALL INFORMATION IS KEPT CONFIDENTIAL

Your application will be one of 600+ requests received from around the world. It is important, therefore, that you read the following carefully. If you have questions about these requirements, please call the Foundation to discuss them prior to the submission deadline.

Required

1. **Application Form**. The Application Form serves as a digest of your proposal. Please complete all fields on the application. Notations such as "See Attached" are not acceptable.

2. **Budget**. A detailed breakdown of the cost elements and sources of income of the program/project for which funds are being requested. *(Include pro-forma Invoices, if available.)*

3. **Letter from the Ordinary**. This requirement may be satisfied in one of the following ways:
   A) A letter from the **Cardinal, Archbishop or Bishop** of the Diocese where the project will be carried out, commenting on your application to the Foundation. Letters from Auxiliary Bishops or Department Heads do not satisfy this requirement.
   B) In the case of religious orders not under the jurisdiction of an Ordinary, the Provincial, Abbot or Superior may **send a letter to the Ordinary** (where the project will take place) informing him about the application to Raskob. **A copy of this letter must be submitted to the Foundation.**

> **NOTE:**
> **The most common error is the Provincial, Abbot or Superior directing their letter to the Raskob Foundation instead of to the Ordinary.**

Optional

4. **Narrative**. If you wish to include additional information that you feel is important for our Board to consider, a supplemental Narrative is recommended. You may choose the format or you can follow the general outline of the application form and explain the project in greater detail. *(Preferably not to exceed 5 pages.)*

5. **Financial Statement**. The latest unaudited, in-house statements of the organization, including a **Statement of Financial Position** (assets & liabilities) and a **Statement of Activities** (income and expenses), or the most recent 12-month **audited** financial statements with accompanying notes.

GUIDELINES FOR COMPLETING THE APPLICATION FORM

1. **Amount Requested**. The amount to be requested from the Foundation should be exactly what is required to get the project underway, or what is required to meet a specific, essential need, or what is needed to move the project forward to the next step.

2. **Specific Purpose**. A good proposal will be exact not only about the amount of money it seeks, but also the purpose for which the money is needed. Don't confuse "purpose" with project *goals* or *methods*. "Purpose" almost always relates to *means*, not *ends*. State clearly what it is you are asking the Foundation to assist you in acquiring or doing.

   (Examples: "Grant funds would be used to . purchase computer equipment for the elementary school .. pay the salary/benefits of a Youth Minister.", etc)

3. **Introduction**. This serves to describe your organization, its mission and achievements. What needs to be conveyed is a clear sense of its "track record" and competence in the activity or area for which funds are being sought.

4. **Problems, Objectives & Methods**. Here, describe the basic problem or need. What it is you want to accomplish and the method(s) you plan to use. It is important to demonstrate that the problem or need is real and currently not being met by others.

5. **Timing**. Be specific as to the status, date and/or time frame of the project. This is an important element of consideration.

6. **Cost & Financing**. List the costs of the total project and provide specific line item detail for the amount requested of the Raskob Foundation. State how much has been raised toward the total needed, how much still needs to be raised, and other sources of support to be sought. In the event the Foundation cannot grant the amount you are requesting, is there a smaller amount which can be used to move the project forward to the next stage?

7. **Evaluation**. Will the project have a tangible measurable outcome? What methods and measures will you use to evaluate the project? How will you be able to prove that you have gotten the results you want? Do your measures focus on ends, not means?

Photos are always helpful in providing a visual understanding of the locale, the organization, people and/or project.

Applications must be submitted directly to:
