Pt I Line 2 Monitoring the Use of Grant Funds:-----

Pt I Line 2 Nearly all of VPE's Classroom Mini-Grants are awarded directly to Virginia Public Schools. These grants are

Pt I Line 2 awarded to the Public School Division "on behalf of the teacher and in the teacher's name." Yet the

Pt I Line 2 transfer of funds is almost always directly to the public school/school division. VPE feels that this is the

Pt I Line 2 best way to distribute funds to teachers and students, since public schools are tax-exempt, well-monitored

Pt I Line 2 entities with several levels of public financial oversight built into the accounting process.-----

Pt I Line 2 To ensure that the funds make it to the teacher and students that were intended in the grant, the principal

Pt I Line 2 must agree that the funds are to be used solely by that teacher for his or her classroom, students, or project.

Pt I Line 2-----

Pt III, col (b) The number of grant recipients is an exact, known number. It is not estimated.-----

Addendum to Schedule "O" (Addendum page 1)

Part VI line 6 – Does the organization have members or stockholders? Yes.

VPE members include any K-12 educator – classroom teacher, administrator, or support staff. In addition, VPE accepts members from both community colleges and universities, as well. Other membership classes include student teachers, retired educators, and associate members.

Part VI line 7a – Does the Organization have members, stockholders, or other persons who may elect one or more members of the governing body? Yes.

Election of Local Chapter Presidents: Local chapter presidents are elected and confirmed by the VPE members in each local school system. These individuals are eligible for election after meeting basic eligibility criteria to serve as a local officer.

Election of VPE Board members: The members of the VPE governing body – our Board of Directors – are then selected from this pool of local VPE chapter presidents who have first been elected as local officers by their peer educators. Candidates for the governing body may be suggested by the members or by the State Board, and then reviewed and vetted by the nominating committee. The VPE Board of Directors must then vote for any additions or replacements to the governing body. The VPE Board may choose to elect one or two "at-large" directors who are not current or former presidents of a local chapter, but the majority of VPE Board members must always be selected in this manner. (Currently, 4 out of the 5 VPE Board members with full voting rights have been selected as described above, from a pool of local presidents.) All members of the VPE Board of Directors must first be members of association, of course.

Part VI line 7b – Are the decisions of the governing body subject to approval by members, stockholders, or other persons? No.

Most local decisions (those which primarily affect the local chapter) are subject to member approval and local membership votes. Examples include selection/confirmation of local presidents and approval of local initiatives and budget recommendations to the local School Board. Most state-level management and/or policy decisions made by the governing board are not subject to individual membership votes nor do they require member approval. However, the governing board can choose to (and has done so in the past) to place many education policy or budget issues out for a general membership vote or survey.

Part VI line 11b – Process Used by Organization to Review the 990

The 990 is reviewed by each staff member who holds responsibility for a program area or service, such as Finance/Accounting, Membership, and Grant Programs. A draft copy of the organization's 990 will be sent to each Board Member for their review. Any comments, questions, or corrections can then be addressed and incorporated.

Part VI line 12a,b,c – Monitoring Compliance with the Conflict of Interest Policy:

The organization's officers and board members are subject to the conflict of interest policy. If any officer or board member has a material interest or financial conflict, they are removed from the discussion and voting that takes place with regard to that conflicted interest. If questions arise as to whether or not a conflict exists on a particular issue, it is voted on by the Board (excluding the potentially conflicted member/officer).

Addendum to Schedule "O" (Addendum page 2)

**Part VI line 15a – Process Used to Determine Compensation – CEO, Executive Director, Senior Manager
and Part VI line 15b – Process Used to Determine Compensation for other Officers or Key Employees**

Virginia Professional Educators serves and represents educators across the Commonwealth of Virginia. We were created as a non-profit organization by teachers, for teachers. Because of that commitment, we made the decision that our employee's salaries should be comparable to the same salary scales of the teachers whom we serve. VPE desired to make this commitment even for the Executive Director's salary and other officers and key employees.

Therefore, the salary scale for all officers and key employees – including the Executive Director's – is comparable (in most cases identical) to the salary scale of the local school division/region in which that employee primarily serves and works. Each employee's position on the salary scale and the amount of their subsequent step increases are determined similarly to the teachers in the local school division(s) which they serve. This is usually dictated by the employee's number of years of service/experience in education and the highest academic degree obtained by that individual.

A small adjustment or modification to this formula is allowable, since most teachers work on a 10-month schedule (with two months off for the summer), yet most VPE employees work on a full 12-month schedule. Therefore, a VPE key employee may have their "teacher salary scale" of the local school division pro-rated as follows: A VPE key employee working on an 11 or 12-month contract may have their "10-month teacher base salary" pro-rated upwards to their actual number of working days, based on the average daily rate of a 10-month teacher in the local school system to which they are primarily assigned. These salary scales are confirmed annually with the finance directors or the payroll offices in each local school system used as a baseline or comparison.

Furthermore, in order to obtain comparisons with salaries and responsibilities for similar positions outside of education, VPE leadership salaries are compared annually to the salaries of directors and CEO's leading similar-sized associations in Virginia. This data is provided by the American Society of Association Executives (ASAE).

Finally, VPE salary data for key employees will also be compared with the salaries for similar leadership positions *within* public education. These positions include High School principals and Central Office directors. Upon request of the Board, all of this salary data may be submitted to an outside party for independent review.

Part VI line 19 – How does the Organization make its governing documents, conflict of interest policy, and financial statements available to the public?

Some of the Organization's governing documents are publicly available on the Virginia State Corporation Commission's website – including the Annual Report and the current list of Board members. Some financial statements, such as the IRS form 990, are available to the public through the Guidestar's website: Guidestar.org

All of the Organization's governing documents – including the Articles of Incorporation, By-Laws, Conflict of Interest Policy, and publicly-filed financial statements like the IRS form 990 – are also available to members upon request.
