To the Board of Directors
The Light Foundation
Greenville, Ohio

We have audited the accompanying statement of financial position of The Light Foundation, a not-for-profit corporation, as of December 31, 2010, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Light Foundation as of December 31, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The 2009 financial statements were reviewed by us, and our report thereon, dated June 30, 2010, stated that we were not aware of any material modifications that should be made to those statements for them to be in conformity with accounting principles generally accepted in the United States of America. However, a review is substantially less in scope than an audit and does not provide a basis for the expression of an opinion on the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

Note 1 Nature of Activities

The Light Foundation (the "Foundation") is a not-for-profit corporation, established in 2001, and is governed by a volunteer board of directors. The Foundation's mission is to promote student participation in unique outdoor learning experiences that assist them in becoming responsible members of their communities. This mission is focused on students in Southwestern Ohio and the Greater Boston area. The Foundation accomplishes its mission either by directly organizing and coordinating training programs and outdoor camps, or by contributing funding to other qualifying organizations that meet the Foundation's criteria. The Foundation's support comes from individual and corporate donors, and from fundraising events.

Note 2 Significant Accounting Policies

The summary of significant accounting policies of the Foundation is presented to assist in understanding the organization's financial statements. The financial statements and notes are representations of the Foundation's management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

Basis of accounting

The accounts are maintained and the financial statements are presented on the accrual basis.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Excess of revenues over expenses

The statement of activities includes excess of revenues over expenses. Changes in unrestricted net assets which are excluded from excess of revenues over expenses, consistent with industry practice, include unrealized gains and losses on investments.

Income taxes

The Foundation is a tax exempt organization as described under Internal Revenue Code Section 501(c)(3), and, as such, is not subject to income taxes on income received for exempt purposes.

The Foundation's Forms 990, *Return of Organization Exempt from Income Tax*, for tax years ending on or after December 31, 2007, remain subject to examination by the Internal Revenue Service.

NOTES TO FINANCIAL STATEMENTS

Note 2 Significant Accounting Policies (cont.)*Advertising costs*

Advertising costs are expensed in the year incurred. During 2010 and 2009, there were no expenditures paid for advertising costs.

Functional expense reporting

The cost of providing program and supporting services has been summarized by function, based on estimates developed by management.

Property and equipment

Purchased property and equipment is recorded at cost. Donations of equipment are recorded as contributions at their estimated fair value. Depreciation is accounted for on the straight-line method over the estimated useful lives of the assets. Depreciation expense for the years ended December 31, 2010 and 2009 was \$12,126 and \$488, respectively.

Expenditures for maintenance and repairs are deducted from income in the period incurred. Expenditures for major items are capitalized. Costs of assets sold or retired and the related amounts of accumulated depreciation are eliminated from the accounts in the year of sale or retirement.

Concentration of credit risk

The Foundation, at times, has cash deposits in excess of federally insured limits. It also maintains cash in two money market accounts with two separate brokerage firms. These accounts may exceed the maximum limit which is guaranteed by the Securities Investors Protection Corporation. FASB ASC 825 *Financial Instruments* identifies these items as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by maintaining all deposits in high quality financial institutions.

Cash and cash equivalents

For purposes of the statement of cash flows, the Foundation considers cash in the checking account and cash in the money market accounts to be cash equivalents.

Contributions

The Foundation does not solicit pledged contributions; therefore, contributions are recognized at time of actual receipt.

Contributed Services

No amounts have been reflected in the financial statements for donated services. The Foundation generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Foundation in various ways, but these services do not meet the criteria for recognition as contributed services.

NOTES TO FINANCIAL STATEMENTS

Note 3 Investments Securities*Investments*

Marketable securities are held as available-for-sale and are shown on the statements of financial position at fair value. Cost and fair value at December 31, 2010 and 2009 are summarized as follows:

| | 2010 | | |
|--------------------|-------------------|-------------|------------------------|
| | <u>Fair Value</u> | <u>Cost</u> | <u>Unrealized Gain</u> |
| Unrestricted funds | \$696 096 | \$653 827 | \$42 268 |

| | 2009 | | |
|--------------------|-------------------|-------------|------------------------|
| | <u>Fair Value</u> | <u>Cost</u> | <u>Unrealized Loss</u> |
| Unrestricted funds | \$226 106 | \$275 627 | \$49 521 |

Proceeds from the sale of investment securities available for sale were \$232,344 in 2010 and \$-0- in 2009; gross realized losses included in other income in 2010 was \$43,980.

Note 4 Fair Value Measurements

Generally accepted accounting principles define fair value, establish a framework for measuring fair value, and establish a fair value hierarchy that prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income, or cost approach are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Foundation has the ability to access.
- Level 2 - Inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 - Inputs that are unobservable and rely on management's own assumptions in assessing the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

Note 4 Fair Value Measurements (cont.)

The following sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2010 and 2009:

Fair Value Measurements on a Recurring Basis
