A copy of the Internal Revenue Service letter attesting to the organization's tax-exempt status and classification as "not a private foundation" must be included with the letter of request. In addition, a copy of a case statement or more detailed description of the project may be included with the letter of request. Only the two-page letter, however, will be presented to the trustees for first consideration.

A letter of request received by April 15 will be given *first consideration* at the Spring meeting; and a letter of request received between April 15 and October 15 will be given *first consideration* at the Fall meeting. Applicants are encouraged, however, to submit proposals well in advance of those deadlines.

After *first consideration* is given, the applicant will be notified in writing either that the Board decided to decline further consideration of the proposal, or that the Board decided to pursue the matter and conduct a more detailed review leading to a *final consideration* at the next meeting.

When a further review is authorized, the Board may seek additional information about the organization, the project, and specific plans for achieving the success of the project.

## STATEMENT 13 (CONTINUED)

### General Information and Application Guidelines

The Vasser Woolley Foundation, a private, general-purpose, grant-making foundation, was established in 1962 by the will of Vasser Woolley, Atlanta businessman and civic leader. The Foundation is directed by a six-member Board of Trustees that approves all grants.

### Eligibility and Grant Criteria

Grants are made primarily in the metropolitan Atlanta area. The Foundation responds to a variety of charitable organizations serving the general welfare of the community, education, the arts, and youth development.

The Foundation considers grants only to institutions determined by the Internal Revenue Service to be tax-exempt and classified by the IRS as "not a private foundation," and does not make grants or loans of any kind to individuals. Priority is given to non-governmental institutions, agencies, and organizations having a program of acknowledged or potential excellence.

The Foundation does not operate programs and prefers to contribute to projects of a permanent nature or to capital funding rather than to current operating expenses or recurring programs. Exceptions may be made when an organization previously supported by the Foundation is experiencing a severe short term need for funding of operating expenses or when a grant might help to initiate an important project that is likely to continue thereafter without the Foundation's support.

### Grant-making Policies

The trustees are selective in their grant decisions and prefer to provide support for a limited number of projects rather than to assist a large number of organizations with relatively small grants.

Foundation policy precludes personal appearances by applicants before the Board. Applicants are encouraged not to contact trustees personally concerning a proposal or anticipated approach to the Foundation. Grant inquiries should be referred to the Foundation's Secretary.

All applicants are asked to wait at least one year from the date of any previous application before submitting a new request. Organizations that receive a grant are asked to wait at least three years before submitting a new grant request. Organizations receiving grants must provide a written report to the Foundation within one year of the date of grant.

Information on grants made by the Foundation is provided to the Foundation Center (a branch of which is located in Atlanta), and the Foundation is listed in *The Foundation Directory*. The Foundation does not publish an annual report.

### Application Procedures

The Board meets semi-annually in the Spring and Fall.

The Foundation does not provide an application form.

A formal proposal to the Vasser Woolley Foundation is made by submitting a letter of request. The letter of request must be **limited to two pages** and include the following:

- A.** The full name of the organization.
- B.** A concise description of the organization and its purposes and programs.
- C.** A specific amount of money requested.
- D.** A brief description of the purpose for which the grant would be used.
- E.** Names of the organization's board of trustees or similar leaders, and, if relevant, information regarding other supporters of the organization of project to be funded.
- F.** Signatures of the principal officer of the governing board and the chief administrative officer of the organization.
