The Executive Director will be the Chief Executive Officer of the Foundations and will be responsible to the Board of Trustees, via its Chairman. Administration, budgeting, personnel and day-to-day operations of the Foundations' Offices are among the general responsibilities of the Executive Director.
3. There will be careful and detailed adherence by staff and Trustees to national, state and local laws and regulations which govern private foundations. The Executive Director is responsible for keeping Trustees informed of changes in statutes that pertain to foundations and must particularly take action as necessary to see that the 5% payout rule and other mandatory federal fiscal requirements are met.
4. Examination and evaluation of proposals shall be undertaken only by Foundations' staff. Individual and corporate Trustees will refer all applications they receive directly to the offices of the Foundations. While Trustees may advise potential grantees how to address proposals to these Foundations, they should not, and may not, advise potential grantees in the preparation or presentation of proposals. There must be no vestige of self-dealing or conflict of interest, in fact or even in appearance. Trustees are encouraged, however, to accompany staff members on evaluation visits when these are made to institutions in cities where Trustees live.
5. Final decisions on grants are made only by majority vote of Trustees present at properly convened Board meetings. The Board of Trustees shall meet three times a year unless circumstances require otherwise. Timely notification of location and date of Board meetings will be provided to all Trustees by the Executive Director. There must be at least seven (7) Trustees present at a Board meeting (including both corporate Trustees' representatives) to constitute a quorum. If a Board meeting will not have a quorum, the Executive Director shall notify the Chairman of this and request that a new date (and location, if needed) be chosen which will permit convening of a quorum or that a telephone conference call vote be authorized and arranged by the Executive Director.

6. Staff members and Trustees shall make a yearly disclosure statement regarding affiliations with non-profit institutions or other group/programs which might be eligible for grant consideration. Such disclosures must include affiliations of immediate family members as well as principals.
7. Staff members will not take part in consideration of any proposals from institutions with which they (or their immediate family members) may be currently affiliated. This prohibition does not apply to past affiliations of staff persons, e.g. colleges attended, if the Executive Director specifically allows such an exception.
8. If Trustees' affiliations with potential grantee institutions do not involve compensation, they will merely disclose their position and excuse themselves from any grant considerations or votes involving proposals from such institutions. If a Trustee receives compensation from a potential grantee institution, that institution will not be eligible for grant consideration so long as the compensated affiliation exists. The IRS rules on self-dealing, direct or indirect, are absolute. They are not tied to fairness or reasonableness but are, instead, absolute prohibitions. In addition, the donor's will requires that no part of net income or principal of the Foundations shall inure, directly or indirectly, to any member of Mr. Arthur Vining Davis' family.
9. Grant evaluations by the staff shall be objective and based on standard measures approved by Trustees. The Foundations will not discriminate among requesting institutions on the basis of the potential grantees' beliefs/policies regarding race, religious doctrine and tenets, or sex.
10. The Audit Committee shall be a standing committee of the Board of Trustees.
11. Item Ten of the Will of Arthur Vining Davis directs the sole responsibility of managing the investments of the Foundations to the Corporate Trustees. However, Item Eight of the Will reminds all Trustees of the Donor's desire that the Foundations continue in perpetuity. Therefore it is the responsibility of all Trustees to (a) develop spending goals and objectives and policies that define those goals and objectives, and (b) review the performance by the Corporate Trustees of their responsibility to manage the investments of the Foundations.
12. The founding documents for the Foundations give individual Trustees "the power to elect additional Trustees as they see fit." At its meeting on February 14, 2004, the Board approved a long-term plan for determining the succession of family Trustees. For these purposes, a family "unit" will be defined as a member of the Nathanael, Holbrook and Joel Davis families and the Dorothy Kee (Mrs. John L. Kee, Jr.) family. In the future, each of these four family "units" will continue to maintain two representatives on the Board. When a member of these family

"units" decides to step down from the Board, it is expected that another member of that family "unit" will be nominated to succeed them.

13. At its discretion the Board may choose to confer the title of Trustee Emeritus on a retiring or former Trustee who has provided long-term service as an active Trustee. A Trustee Emeritus will be kept fully informed of the activities of the Foundations. A Trustee Emeritus also will be consulted on issues of interest to the Foundations and will be encouraged to provide advice and suggestions at any time. Trustees Emeriti will not have any official responsibilities or obligations. They are welcome to attend Board meetings but will not have voting authority or be considered in constituting a quorum. Trustees Emeriti will not be reimbursed for travel expenses unless specifically requested to attend a particular meeting. They will not be participants in the Special Project Grants Program.
14. **Certification.** The above Bylaws replace those previously in effect and were approved by the Board of Trustees at their meeting of October 8, 2010. The Bylaws will remain in effect until replaced or modified by the Board of Trustees in session.
