BORKOWSKI FAMILY FOUNDATION

2010 ANNUAL STATEMENT SUMMARY

Tax Reporting Statement information that follows is a personal summary of your account activity and is not reported to the IRS.

Capital Gain and Loss Transaction section is provided to facilitate your review and the preparation of your tax return. In calculating gain (loss), unless otherwise noted, it was assumed that the position was liquidated first, and that an election was in effect to amortize the premium paid on the purchase of taxable bonds. The gain (loss) information may not include return of capital, load deferral or wash sales adjustments. RICs (which may include mutual funds and unit investment trusts) may reclassify principal distributions as capital gains. The Cost Basis for these securities may not have been adjusted on your statement to reflect such reclassifications. Please refer to information provided by the RIC and discuss with your tax advisor. Securities distributed a retirement account reflect the tax basis on the date of distribution. Other methods for calculating gain (loss) are available. The cost basis for most Original Issue Discount (OID) obligations reflects the accretion of OID. For purposes of allocating original purchase price to the components of an equity unit consisting of a purchase contract and a debt security subject to a remarketing, we assumed that the fair market value of the debt security on purchase date was equal to its adjusted issue price. The difference between your original cost and the amount allocable to the component was allocated to the purchase contract. In making adjustments to the cost basis of the purchase contract, it was assumed that the unit holder included contract adjustment payments some when received.

from Forms 1099 (reportable Dividend and Interest) is also repeated in this summary for your convenience. Additionally, we have included items such as margin interest and select account fees applicable. Please discuss the deductibility of these items with your tax advisor. For select clients, we have also included a summary of Visa charges and checking activity.

III Lynch is neither a tax return preparer nor tax advisor. Please see your tax advisor for more information.
