Form 990-PF, Part XV, Line 2B-D Application Submission Information

From January of 2005 through December of 2011, grants will be distributed primarily at the initiative of the Foundation through the cultivation of strategic partnerships with nonprofit organizations that can assist Lyndhurst in the pursuit of its six goals. Potential partners will be invited to collaborate with Foundation staff to develop programs of work, the funds required, the results that should be achieved, and an appropriate means of evaluating progress. The trustees will review these proposals at quarterly board meetings. The Foundation will also award grants on a very limited basis for 1) local projects that further the Foundation's general mission, but lie beyond the six major goals, and 2) projects that reflect the individual priorities of family trustees who do not live in the Chattanooga area. Requests for funds that pertain to Lyndhurst's mission but not its six primary goals will be reviewed twice a year. Such requests should be limited to three pages with attachments that include:

- a description of the sponsoring organization
- · a list of the Board of Directors and staff
- a copy of the organization's annual budget (both income and expenditures)
- an estimated project budget with line items
- a copy of the organization's tax-exempt ruling from the Internal Revenue Service.

Applicants are encouraged to call the office for deadlines and questions regarding eligibility.
