# **THE TILE HERITAGE FOUNDATION DOTY RESEARCH GRANT APPLICATION**

## **THE MISSION AND PURPOSE OF THE TILE HERITAGE FOUNDATION**

The Tile Heritage Foundation (THF), a charitable nonprofit organization founded in 1987, is dedicated to promoting an awareness and appreciation of ceramic surfaces in the United States. The Foundation serves the growing need for a historical perspective regarding all ceramic tiles, both past and present. In addition to aiding in the education of the public about the rich and varied history of tile, the organization has become a major voice in the preservation of existing installations of rare and unusual ceramic surfaces.

Tile Heritage involves more than the preservation of tiles, murals and mosaics; the Foundation represents the need to preserve a perception of ourselves. From the time of the earliest cave paintings and molded clay forms, people have always sought to conceptualize themselves and inspire others through artistic endeavors. Safekeeping ceramic surfaces today is an integral part of preserving ourselves, a means of being remembered and understood by future generations.

## **THE DOTY RESEARCH GRANT**

The Doty Research Grant was established in 1992 to stimulate research in the field of ceramic tile history and conservation. The Grant has been named in honor of Riley Doty, a tile setter, collector and historian, who has dedicated much of his life in recent years to primary research. His willingness to share his knowledge and information with others, freely and openly, has been a continuing source of inspiration.

## **OBJECTIVES**

Grant assistance is offered to qualified individuals who, in the spirit of sharing, wish to engage in primary research for the enhancement and protection of ceramic surfaces in the United States:

- To research and document ceramic surfaces, both historic and contemporary, as an integral part of this country's cultural heritage.
- To encourage the growth of organized information regarding the history and preservation of ceramic surfaces in the United States.
- To demonstrate that through continued research, the information gathered can be effectively added to the growing store of knowledge in the Tile Heritage library, archives and elsewhere, providing the public with a workable resource to enhance tile-related education throughout the nation.
- To strengthen the network of people willing to share information with the common goal of promoting and preserving ceramic surfaces in the United States.
- To enhance the visibility of the Tile Heritage Foundation as an organization dedicated to the research and preservation of this important artistic medium.
