STATEMENT

Mind Science Foundation is a private operating foundation which receives the majority of its support from the Tom Slick Memorial Trust. The foundation does not maintain assets for investment since all of its endowment funds are held in the Tom Slick Memorial Trust, which is an entity separate and apart from the foundation. Management believes that all assets owned by the foundation, including cash, are required to be used for the foundation's current operations in order to pay administrative expenses and other normal expenditures directly related to the foundation's charitable and educational activities. Management believes that historical cash flow statistics support this conclusion.

Form 990-PF, Part I, Line 1

1 The foundation is the sole beneficiary of the Tom Slick Memorial Trust. In accordance with the trust instrument the
2 foundation is entitled to receive distributions for the trust upon request. The trust is designed to provide income to the
3 foundation in perpetuity. In 2010 the Tom Slick Memorial Trust provided revenues to the foundation in the amount of
4 \$435,363. Other individual donations amounted to \$6,250 in 2010.

STATEMENT

Mind Science Foundation is a private operating foundation which receives the majority of its support from the Tom Slick Memorial Trust. The foundation does not maintain assets for investment since all of its endowment funds are held in the Tom Slick Memorial Trust, which is an entity separate and apart from the foundation. Management believes that all assets owned by the foundation, including cash, are required to be used for the foundation's current operations in order to pay administrative expenses and other normal expenditures directly related to the foundation's charitable and educational activities. Management believes that historical cash flow statistics support this conclusion.
