Part V Supplemental Information

Complete this part to provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information (see instructions).

Part I, line 2: Recipients are retirees who have no income other than their government pension. The grant amount is principally to pay for medications, in some cases for rent assistance, and for other living expenses. The amount granted to each recipient is determined through annual visits and ongoing correspondence, including some telephone conversations, to monitor their situation and needs.

Part I, line 3 (f) and Part III: The accounting method is cash. Accordingly, grants are recorded only as recipients pick up their money orders at the bank in Riga.

Part III (c): A written authorization for payment is provided to the bank in Riga for each recipient. Therefore, HELD knows exactly the number of recipients who receive assistance. The bank charges a small service charge against HELD's account for each disbursement.

Disbursements are typically made one to four times per year to each recipient.
