## *The Larson Legacy Funding Guidelines*

- 1) Our foundation wants to help groups sharing our interest in building a more caring, humane, peaceful planet. We favor progressive causes and groups that are relatively small and grassroots in nature—that are addressing “root” causes in their area of focus. Up to 10% of our funding may go to charitable organizations.
- 2) Prior to making a grant application, please send us an introductory letter with a full description of your organization and the project you have in mind. We will respond within 60 days indicating whether or not you should proceed with a complete application. Charitable organizations with requests do not need to fill out the complete application. We will respond to you if we need any more information than was initially sent to us.
- 3) All grant applications must utilize the National Network of Grantmakers common grant application forms (double-sided is fine). Please send six complete copies to our address and you will have our response within five months time, as we fund on a year-round basis. No phone calls please.
- 4) Our geographic emphasis is Oregon, Washington, California and Rhode Island. A small number of qualifying international applications (using a U.S. “pass-through” 501(c)(3) organization) may be considered.
- 5) Our range of grants is from \$1,000 to \$10,000, with our average around \$3,500. Multi-year grants will be considered only after a group has first qualified and received funding for an initial year.
- 6) We generally follow the “5-50” rule, rarely funding groups where our support is less than 5% or more than 50% of their annual budget.
- 7) Annual follow-up reports are requested for two years following a grant so we might evaluate our effectiveness.
- 8) Please mail all information to
