Facts And Circumstances Test

Form 990, Schedule A, Section IV-A, Lines 27g and h:Section 1.170A-9(e)(3) of the Income Tax Regulations:...Facts and circumstances test for organizations failing to meet 33 1/3 percent-of-support test...An organization must meet the requirements of subdivisions (i) and (ii) of this subparagraph...(i) Ten Percent-of-Support LimitationSchedule A of Form 990-EZ, Part IV-A, shows the support tests as described in sections 509(a)(1) and 170(b)(1)(A)(vi). Schedule A shows that the Washington State Grange Foundation's public support normally equals at least 10 percent for the period in question.(ii) Attraction of Public SupportThe Washington State Grange Foundation (the Foundation) was incorporated in 1963 in Washington State as an educational organization. The Foundation provides scholarships for agricultural and home economics education as well as funds for agricultural and aquacultural research, and for safety education. Through the years, the Foundation has received financial support from local grange chapters and it continues to do so. The Foundation maintains a continuous and bona fide program for solicitation of funds from the wider Grange-interested community. ...In addition to the requirements set forth in subdivisions (i) and (ii) of this subparagraph which must be satisfied, all pertinent facts and circumstances, including the following factors, will be taken into consideration in determining whether an organization is "publicly supported"... (iii) Percentage of Financial Support...If the percentage of the organization's support from public or governmental sources is low because it receives a high percentage of its total support from investment income on its endowment funds, such fact will be treated as evidence of compliance with this subdivision if such endowment funds were originally contributed by...the general public. However, if such endowment funds were originally contributed by a few individuals or members of their families, such fact will increase the burden on the organization of establishing compliance with the other factors described in this subparagraph.The Washington State Grange Foundation's largest source of investment income is interest on funds collected from local grange chapters (which are supported by members) and The Gates Foundation. The endowment funds were not originally contributed by a few individuals or members of their families. (iv) Sources of Support. The fact that an organization meets the [10% test]...directly or indirectly from a representative number of persons, rather than receiving almost all of its support from the members of a single family, will be taken into consideration in determining whether an organization is "publicly supported"...At no time has any significant percentage of The Washington State Grange Foundation support been received from a single donor or single family of donors. Literally hundreds of members support the local grange chapters.(v) Representative Governing Body. The fact that an organization has a governing body which represents the broad interests of the public, rather than the personal or private interests of a limited number of donors...will be taken into account in determining whether an organization is "publicly supported"...The management of the Foundation consists of 6 Board Members. The Board Members are elected from the executive committee of the Washington State Grange. The members represent a broad spectrum of the community. **Conclusion**It is our position that the Washington State Grange Foundation meets the 10% Facts & Circumstances Test set forth in section 1.170A-9(e)(3) of the Income Tax Regulations. As explained above, the organization has met the mandatory requirements of section 1.170A-9(e)(3)(i) and section 1.170A-9(e)(3)(ii). Furthermore, all of the additional factors set forth in sections 1.170A-9(e)(3)(iii) through (vii) are favorable.
