2010 SCHOLARSHIP AND GRANT PROGRAM

SCORING AND SELECTION CRITERIA

All applications are considered for the appropriate funding categories based on information you provide in your application. During the selection process, all applications are scored and ranked based on the following criteria:

1. Application is submitted on-time and before the deadline
2. Application is complete
3. Cumulative GPA meets the minimum 2.5 requirement
4. Rigor of coursework/degree program (2-yr, 4-yr, Graduate)
5. Grade level (Freshman, Sophomore, Junior, Senior, Graduate, Certificate)
6. Personal financial contribution
7. Financial need
8. Employment preparation (Does the degree program directly relate to career goals?)
9. Statement of purpose (Clarity of career goal, correct grammar, giving back relationship to community, and overall quality)
10. Extent of community involvement and in volunteer/civic activities

The annual scholarship awards are highly competitive and meeting the GPA requirement is only part of the selection process. Other factors considered in the selection of annual scholarship awards include an exceptional statement of purpose with a clear articulation of education and career goals, a high level of community service and civic activities, and a demonstrated intent to give back to community and Alaska.

NOTIFICATION OF FUNDING DECISIONS

The CIRI Foundation's Education Awards Committee makes the award selections and all decisions are final. Funding decisions are only released in writing; they are not released over the telephone or in person. Funded students are sent an award letter that contains the award terms and the responsibilities of the recipient. It is essential that award recipients read and understand the terms of their financial aid.

INFRACTION PROVISION POLICY/ENROLLMENT CHANGES

Award recipients are required to complete all courses and credits for which they are funded and maintain a cumulative GPA of 2.5 or higher on a 4.0 scale. In general, enrollment changes that are made within the add/drop period at your institution are permissible. However, schedule changes made after the add/drop period that reduce the overall credit load may result in an infraction. There is no penalty for completing more credits or classes than those listed on your application. Please send written notification of any enrollment or schedule changes to TCF. **Students in an infraction situation will be ineligible to apply to The CIRI Foundation for two (2) award deadlines from the date of determination. The date of determination is based on when TCF is notified of the infraction.**

CONDITIONAL AWARDS

If you receive a conditional scholarship, grant, or fellowship award, you have thirty (30) days from the date on the conditional award letter to fulfill the award requirements. Funds will be released only if the requested information is provided to The CIRI Foundation by the conditional award deadline. If an application remains incomplete after the conditional award deadline, the award is automatically canceled.

DISBURSEMENT OF FUNDS

Award checks are made payable to both the student and the university/school, and must be endorsed by both parties to be processed. Award checks are sent directly to the financial aid office at the institution specified on your application. Students are sent a photocopy of the disbursement letter that accompanies the award check. To avoid unnecessary delay in the receipt of your financial aid, please provide accurate payment information on your application. If your educational program requires a different payment procedure (i.e. payable to school only, online program), please indicate on the application (line #14).

PROOF OF COMPLETION

Scholarship and grant recipients must submit final official grade transcripts or certificates upon the completion of each semester/term of funding. Proof of completion must be received before any additional funds will be released or future applications can be considered.

NUMBER OF AWARDS

An applicant is permitted to receive only one (1) award at a time and no more than two (2) general semester scholarship awards per academic year or the maximum amount of grant funding in a calendar year.
