Statement 36

Attachment to Form 8833

Form 8833, Line 5:

The Foundation has made certain grants, listed below, to Mexican tax-exempt organizations that the tax authorities of Mexico have determined to meet the standards of former Article 70-B of the Mexican Income Tax Law as well as the current version of that provision (which has been renumbered Article 97). Under Article 22(2)(a) of the U.S.-Mexico Income Tax Convention (the Convention) and Article 17(b) of its Protocol, such organizations are considered to be section 509(a)(1) or 509(a)(2) public charities for purposes of grants from U.S. private foundations. Accordingly, the Foundation has made grants to these Article 97 Mexican grantees without exercising expenditure responsibility as normally required by sections 4945(d)(4) and 4945(h) of the Code in the case of grants to organizations other than public charities.

All of these Mexican grantees are eligible for treaty benefits under Article 17(1)(e) of the Convention because more than half of their members, beneficiaries, or participants are individual residents of Mexico or the United States or others eligible for benefits under Article 17 of the Convention. Moreover, the Foundation is permitted to claim benefits under the Convention because Article 3(5)(a) requires the U.S. to apply Article 22 to U.S. as well as Mexican taxpayers.

The following is a list of the grants made in 2010 on the basis of this treaty position:

Summary of Direct Charitable Activities

Statement 26

Activity One

The Packard Fellowships in Science and Engineering encourage the nation's most promising young university professors to pursue their science and engineering research with few funding restrictions. Each year, up to 20 Fellows are selected, with approximately 120 active Fellows at any time. In 2010, 17 Fellows received awards. The Foundation hopes that these exceptional scientists and engineers will remain within academia to conduct basic research and to teach the next generation of science leaders. Part VIII, Line 1

Statement 23 - List of Officers, Directors, Trustees and Foundation Managers

The Trustees (other than the President/CEO) serve without compensation. Average hours per week for Trustees are based on average time spent preparing for and attending Board and Committee meetings. In addition, Trustees devote substantial time reviewing materials, attending other meetings, conducting site visits, or working on special projects. Officers and exempt employees devote significantly more time than that shown.

In 2010, the Foundation paid a premium of \$45,000 on directors and officers insurance treated as a nontaxable fringe benefit.

Colburn S. Wilbur is a Trustee of the Foundation. As the retired former President of the Foundation, Mr. Wilbur received retiree medical benefits of \$6,806 in 2010. In addition to serving as a Trustee, Mr. Wilbur is a member of advisory committees and a frequent speaker on topics related to the Foundation, its programs and governance.

Additional Information for Expenditure Responsibility Statement (Statement 24), Part VII-B, Line 5c

The Dates of Reports by Grantee field attempts to list all the dates of all reports received from the Grantee. In certain cases, the limited text field will not allow all reports for a Grantee to be listed, so for those Grantees, the report lists at least one report in each year that reports were received from the Grantee. Reports received during 2011 will be reported on the 2011 return. If any required reports have not been received, the Foundation is making all reasonable efforts to obtain the reports and is withholding any additional payments on grants until the reports are furnished.
