Helping develop a future diverse workforce and increase interest in math and science education.

Tagged As **Citizenship**

Our Philanthropic Goals

Founded in 1989, the Intel Foundation is a philanthropic organization focused on programs that advance education and improve communities worldwide. By providing funding for national and localized grants, the foundation helps fuel innovation in classrooms, empower women and underserved youth, and enables Intel employees to serve the needs of their communities. The goals of the Intel Foundation are to increase interest in math and science education, and to help develop a future workforce that represents the diversity around the world.

Promoting math and science education

The Intel Foundation sponsors the Intel Science Talent Search and Intel International Science and Engineering Fair, both programs of the Society for Science & the Public.

Additionally, the Intel Schools of Distinction Award honors U.S. schools that demonstrate 21st century teaching and learning environments, and the Intel+UC Berkeley Technology Entrepreneurship Challenge supports initiatives in developing countries.

Inspiring youth around the world

With programs geared towards youth in underserved communities, such as the Intel Computer Clubhouse Network and the Intel® Learn Program, the Intel Foundation fosters encouraging and stimulating environments for kids to help them build problem solving, collaboration, and technology skills.

Giving back to the community

Every year, the Intel Foundation contributes millions of dollars toward community programs, disaster relief efforts, education grants, and more. Visit our Community Giving page to see how Intel is helping make the world a better place.

Intel Foundation FAQs

Q: What are the funding objectives for the Intel Foundation?

A: Intel foundation provides funding for both national grants with broad-based impact and, community grants focused where Intel has major facilities. Contribution programs are guided by three major objectives: advance education in math, science, and engineering; promote the entrance of women and under-represented minorities into careers in science and engineering; and support Intel employees' efforts to improve the quality of life in their communities.

Q: How does my organization apply for a Foundation grant?

A: The Intel Foundation does not accept unsolicited grant requests. If you are an organization located in a community with a major Intel facility, you may apply for Intel Corporate funds at <http://www.intel.com/community/grant.htm>

Q: Does the Intel Foundation make donations of equipment?

A: Due to IRS rules, the Intel Foundation does not make donation of equipment

Q: What geographic areas are eligible for foundation grants?

A: If the organization is in a community with a major Intel site, grants should be requested through the local Corporate Affairs office. For all other communities, the foundation does not accept unsolicited donation requests. To review the list of Intel sites, please see http://www.intel.com/community/grant_contacts.htm?id=intel_comm_usgrants+rhc_grant_contacts

Q: Does the Intel Foundation support programs outside of the United States?

A: Due to legal and tax requirements for a US organization to give funds to a non-US organization, the Intel Foundation limits grants to non-US organizations that support specific Intel Corporate programs. Unsolicited grants requests are not accepted and will not be funded.

Q: Does the Intel Foundation offer scholarships and fellowships to individuals?

A: Due to tax and legal rules, individuals are not eligible for scholarships. All scholarships (except through the Intel Scholarship for Employee's Children) and fellowships are given through specific universities and community colleges. Please check with your school to determine if Intel offers scholarships/fellowships and the selection criteria!

Q: What is the Intel Foundation's policy on matching disaster relief efforts?

A: The Intel Foundation cannot respond to all disasters that occur around the world. The local Corporate Affairs Group in the local country/community may request that the Intel Foundation to approve a matching program for a specific disaster. The Intel Foundation

- **DOES** respond/match:
 - o Direct impact on Intel sites/employees
 - o Existing resources overwhelmed
 - o Express public pressure and direct requests to Intel from sr gov't officials
- Does **NOT** respond/match:
 - o Man-made disasters
 - o US sanctions (keep Intel legal),
 - o Regionally common (floods, etc.),
 - o On-going humanitarian efforts (e.g. famine, AIDS)

BY-LAWS OF INTEL FOUNDATION

ARTICLE I **Board of Directors**

Section 1: General Powers. The affairs of the foundation shall be managed by its Board of Directors.

Section 2: Number. The number of Directors on the Board shall be not less than three nor more than twelve. The exact number of Directors shall be fixed from time to time by the Board of Directors and the number so fixed shall comprise the entire Board of Directors. The number of Directors shall be seven until changed by the Board of Directors.

Section 3: Election, Tenure and Qualifications. Directors shall be elected annually at the regular annual meeting of the Board of Directors. If the election of Directors shall not be held at such meeting, such election shall be held as soon thereafter as conveniently possible. Each Director shall hold office until his/her successor shall have been duly elected and shall have qualified or until his/her death or until he/she shall resign. Directors need not be residents of the State of Oregon.

Section 4: Vacancies. In the case of any vacancy on the Board of Directors through death, resignation, disqualification or other cause, the remaining Directors-by an affirmative vote of a majority thereof, may elect a successor to hold office until the next meeting for the election of Directors, and until the election and qualification of his or her successor.

Section 5: Removal. A Director may be removed for cause by a vote of two-thirds (2/3) of all Directors then in office. Such action shall be taken at a regular meeting of the Board of Directors or at a special meeting called for such purpose, and the proposed removal shall be set forth in the notice of any such regular or special meeting, sent at least seven (7) days prior thereto.

Section 6: Compensation. Directors shall not receive any stated salaries for their services, but by resolution of the Board of Directors a fixed sum and expenses of attendance, if any, may be allowed for each regular or special meeting of the Board, providing that nothing herein contained shall be construed to preclude any Director from serving the foundation in any other capacity and receiving reasonable compensation therefore.

ARTICLE II **Meetings**

Section 1: Annual Meeting. The annual meeting of the Directors of the foundation shall be held within 90 days of the end of the fiscal year at any place within or without the State of Oregon as may from time to time be selected by the Directors, on the date in each year designated by the Board of Directors, and at the time stated in the notice thereof, for the purpose

of electing or appointing Directors or officers for the ensuing year and/or for the transaction of such other business as may properly be brought before the meeting.

Section 2: Regular Meetings. Regular meetings of the Board of Directors may be held without notice of such time or intervals and at such places within or without the State of Oregon as may from time to time be determined by resolution of the Board, which resolution may authorize the president to fix the specific date and place of each of such regular meetings, in which case notice of the time and place of such regular meetings shall be given in the manner hereinafter provided.

Section 3: Special Meetings. Special meetings of the Directors may be called by the president and shall be called by the president or secretary at the direction of not less than two Directors then in office, or as may otherwise be provided by law. Such meetings shall be held at a place designated by the Board of Directors and stated in the notice of meeting. Any request for such meeting shall state the purpose or purposes of the proposed meeting.

Section 4: Notice. Notice of the regular annual meeting and any special meeting of the Board of Directors shall be given not less than seven (7) nor more than fifty (50) days previously thereto by written notice to each Director at his address as shown by the records of the foundation. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail in a sealed envelope so addressed, with postage thereon prepaid. If notice be given by telegram or other electronic means, such notice shall be deemed to be delivered when the telegram is delivered to the telegraph company or actually transmitted by the person giving the notice by electronic means to the recipient. Notice of the regular annual meeting or any special meeting of the Board of Directors may be waived in writing signed by the person or persons entitled to the notice either before or after the time of the meeting. The attendance of a Director at any meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting, unless specifically required by law or by these By-Laws.

Section 5: Quorum. A majority of the Directors then in office shall constitute a quorum for the transaction of business and the action of a majority of the Directors present at a meeting at which a quorum is present shall be the action of the Board of Directors, except as action by a majority of the Directors then in office may be specifically required by statute or other sections of the By-Laws.

Section 6: Conduct of Meetings. Meetings of the Directors shall be presided over by the president. The secretary or an assistant secretary of the foundation or, in their absence, a person chosen at the meeting shall act as secretary of the meeting.

Section 7: Action by Unanimous Written Consent. If and when the Directors shall severally or collectively consent in writing to any action to be taken by the foundation either before or after the action is taken, such action shall be as valid a corporate action as though it had been authorized at a meeting of the Directors and the written comments shall be filed with the minutes of the proceedings of the Board of Directors.

Section 8: Telephonic Conferences. A Director may participate in a meeting of Directors by a conference telephone or similar communication equipment by which all persons

participating in the meeting may hear each other if all participants are advised of the communications equipment and the names of the participants in the conference are divulged to all participants. Participation in a meeting pursuant to this Section constitutes presence in person at the meeting.

Section 9: General Powers as to Negotiable Paper. The Board of Directors shall, from time to time, prescribe the manner of making, signature or endorsement of checks, drafts, notes, acceptances, bills of exchange, obligations and other negotiable paper or other instruments for the payment of money and designate the officer or officers, agent or agents, who shall from time to time be authorized to make, sign or endorse the same on behalf of the foundation.

Section 10: Powers as to Other Documents. The Board of Directors may authorize any officer or officers, agent or agents, to enter into any contract or execute or deliver any conveyance or other instrument in the name of the foundation, and such authority may be general or confined to specific instances. When the execution of any contract, conveyance, or other instrument has been authorized without specification of the officers authorized to execute, the same may be executed on behalf of the foundation by the president or by the secretary.

ARTICLE III

Officers

Section 1: Officers. The officers of the foundation shall be a president and a secretary and such other officers as may be elected by the Board of Directors. Officers whose authority and duties are not prescribed in these Bylaws shall have the authority and perform the duties prescribed, from time to time, by the Board of Directors. Any two or more offices may be held by the same person, except the offices of president and secretary.

Section 4: Removal. Any officer elected or appointed by the Board of Directors may be removed by the Board of Directors whenever in its judgment the best interests of the foundation would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed.

Section 5: President. The president shall be the principal executive officer of the foundation. Subject to the direction and control of the Board of Directors, he/she shall be in

charge of the business affairs of the foundation; he/she shall see that the resolutions and directives of the Board of Directors are carried into effect except in those instances in which responsibility is assigned to some other person by the Board of Directors; and, in general, he/she shall discharge all duties incident to the office of president and such other duties as may be prescribed by the Board of Directors. Except in those instances in which the authority to execute is expressly delegated to another officer or agent of the foundation or a different mode of execution is expressly prescribed by the Board of Directors, he/she may execute for the foundation any contracts, deeds, mortgages, bonds, or other instruments which the Board of Directors has authorized to be executed, and he/she may accomplish such execution either under or without the seal of the foundation and either individually or with the secretary, any assistant secretary, or any other officer thereunto authorized by the Board of Directors, according to the requirements of the form of the instrument. ARTICLE V

Indemnification and Insurance

Section 1. The foundation shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the foundation) by reason of the fact that he/she is or was a Director, officer, employee or agent of the foundation, or who is or was serving at the request of the foundation as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit or proceeding, if he/she acted in good faith and in a manner he/she reasonably believed to be in, or not opposed to the best interests of the foundation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his/her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he/she reasonably believed to be in or not opposed to the best interests of the foundation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his/her conduct was unlawful.

Section 2. The foundation shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the foundation to procure a judgment in its favor by reason of the fact that he/she is or was a Director, officer, employee or agent of the foundation, or is or was serving at the request of the foundation as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection with the defense or settlement of such action or suit, if he/she acted in good faith and in a manner he/she reasonably believed to be in, or not opposed to the best interests of the foundation, and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his/her duty to the foundation, unless, and only to the extent that the court in which such action or suit was brought shall determine

upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

Section 3. To the extent that a Director, officer, employee or agent of the foundation has been successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to in Sections (1) and (2) of this Article V, or in defense of any claim, issue or matter therein, he/she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection therewith.

Section 4. Any indemnification under Sections (1) and (2) of this Article V (unless ordered by a court) shall be made by the foundation only as authorized in the specific case, upon a determination that indemnification of the Director, officer, employee or agent is proper in the circumstances because he/she has met the applicable standard of conduct set forth in Sections (1) and (2) of this Article V. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion.

Section 5. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the foundation in advance of the final disposition of such action, suit or proceeding, as authorized by the Board of Directors in the specific case, upon receipt of an undertaking by or on behalf of the Director, officer, employee or agent to repay such amount, unless it shall ultimately be determined that he/she is entitled to be indemnified by the foundation as authorized in this Article V.

Section 6. The indemnification provided by this Article V shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any agreement, vote of disinterested Directors, or otherwise, both as to action in his/her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Director, officer, employee or agent, and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 7. The foundation may purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the foundation, or who is or was serving at the request of the foundation as a Director, officer, employee or agent or another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him/her and incurred by him/her in any such capacity, or arising out of his/her status as such, whether or not the foundation would have the power to indemnify him/her against such liability under the provisions of this Article V.

ARTICLE VI

ARTICLE IX

Amendments

The power to alter, amend, or repeal the By-Laws or adopt new By-Laws shall be vested in the Board of Directors. Such action may be taken at a regular or special meeting for which written notice of the purpose shall be given.
