The requestor shall be provided timely notice of approximate cost and acceptable forms of payment, which includes cash, money order, certified check and personal check. The noted approximate cost of copies and postage must be received prior to processing a request for copies. If the request for copies (and accompanying cost for copies/postage) is made in person, the request will be honored the day of the request or by no later than the next business day. If the request is written (and accompanied by the approximate copies/postage cost), then Hale Halaw ai Ohana OHanalei has thirty days to respond. (A request that is faxed, emailed or sent by private courier is considered a written request.) The cost for copies is set by the IRS at \$1.00 for the first page and \$ 15 for each subsequent page. A page is each side of a paper that has print on it. Postage costs should be determined at the current 1st class postal rate. Each five pages of copy paper is approximately one ounce, so staff can first determine the approximate number of pages included in the copy request and then compute the ounces by dividing the total number of pages by five. Once the number of ounces is known, staff can consult current postal rates online at www.usps.gov to provide the requestor with an estimate of postal charges. Requests for corporate documents can also be picked up during regular business hours to save the requestor from having to pay postal charges.
