The Academy will serve primarily Butler and Warren Counties and surrounding communities. No participant will be denied study at the Academy due to socio-economic conditions.

Part III – Statement of Program Service Accomplishments

Performance

In the performance side of the PAA, the following activities were successfully undertaken. Rehearsals for each production included voice and performance instruction. Participants came from 13 area communities. In 2011, 11 children's musical theatre productions were accomplished, which included two summer music camps.

Each production involved working with youth for 3 to 14 weeks. Objectives accomplished included the education of children in performance, music and dance through theatre arts. They received the opportunity to gain self-confidence, self-discipline and enrichment within their lives, experienced the value of working with others towards a common goal, and provided to the community productions which displayed "excellence" in all aspects. Success has been measured by tracking the attendance in music and theatre classes, tracking the number of returning students and the low drop-out rate. Another measure is the superior and excellent ratings the PAA students receive at the Ohio Music Education Association solo and ensemble contests.

Expenses for the combined performances were as follows:

Another undertaking beginning in September 2011 was the establishment of a theater home at a local shopping mall. A vacant store was renovated to include a stage and seating for 250. Prior to this time productions and rehearsals were held in local venues for free or for rent. Space became increasingly difficult to obtain.

The renovation of our new venue has been a costly venture for the organization, but has reaped many rewards as the community begins to associate our productions with a permanent location. The majority of the costs for this venture have been expended

School

Music Lessons: During the year 2011 approximately 280 students from 13 communities received either private or group music lessons of voice, piano, guitar, clarinet, trumpet and percussion. Our instructors are degreed in their areas of expertise. We held three terms of classes with each term including 17 lessons. Students ranged in age from 6 to adult. High school students may have receive a Fine Arts Credit from their schools. Objectives accomplished included the education of individuals in the arts. They received the opportunity to gain self-confidence, self-discipline and enrichment within their lives. Success has been measured by tracking the attendance in classes, tracking the number of returning students and the low drop-out rate. Another measure is the superior and excellent ratings the PAA students receive at the Ohio Music Education Association solo and ensemble contests.
