Cornell Delta Phi Educational Fund
Scholarship Review Procedures

# I. SUMMARY

Cornell Delta Phi Educational Fund (hereinafter "Fund") intends to make scholarship grants to individuals for educational study and similar purposes. The Fund may limit grants to members of the Pi Chapter of Delta Phi at Cornell (hereinafter "Chapter") who need financial assistance to enable them to attend Cornell University. Recipients will be selected based on a set of factors, including educational, community, need, and other activities.

A. Nature of Scholarship Award. Every scholarship awarded under this procedure will be a scholarship grant under Code section 4945(g)(1), used to pay part or all of the recipient's expenses incurred in attending an educational institution described in Code section 170(b)(1)(A)(ii).

B. Candidates for Scholarships: Selection of scholarship recipients will be on an objective and nondiscriminatory basis. The Fund anticipates that scholarships will be made only to students who are members of the Fraternity. No disqualified person with respect to the Fund will be eligible for consideration. If there are donors to the Fund, they will not be allowed to designate scholarship recipients.

C. Publicity: The Fund will publicize the availability of the scholarships through Chapter publications.

D. Applications The Fund will accept scholarship applications submitted by members of the Chapter. Each application will include some or all of the following:

(i) A transcript of prior academic achievements.
(ii) A description of financial need.
(iii) A description of past involvement with extracurricular activities.
(iv) A description of service to the fraternity
(v) A list of academic honors and recognitions.
(vi) The name of the institution of higher education that the applicant attends.

# II. APPLICATION REVIEW

1. Deadlines: The application deadline is in March so that the scholarships can be awarded in April.

2. Scholarship Committee. The Scholarship Committee will consist of all of the members of the Fund's Board of Trustees.

3. Preliminary Review: Each application is subject to a preliminary review by the Scholarship Committee Chair to determine if an application is complete. Incomplete applications can be returned and marked "Not Reviewed—Incomplete Application" or, at the discretion of the

Scholarship Committee Chair, a request for additional information can be submitted to the applicant.

4. Distribution: The applications will be distributed to each Trustee prior to deadline date. When possible, the applications will be distributed in an electronic format.

5. Personal Interviews. When appropriate, applicants will be interviewed by the Scholarship Committee in person or by telephone.

6. Review Criteria: The criteria used in selecting recipients from the group of applicants will be reasonably related to the purposes of the award. Criteria will include, but not be limited to:

a. prior academic performance (including Dean's list);
b. recommendations of educators, social workers, and others unrelated to the applicant;
c. civic involvement;
d. service to the fraternity; and
e. the conclusions that the Scholarship Committee may draw from personal interviews as to the applicant's motivation, character, ability and potential.

Financial need will also be an important criterion. Factors that are not reasonably related to the purposes of the scholarship award, such as race and any other unlawful discriminatory basis, will not be considered and will have no influence on the selection of the recipients.

7. Relationship to Board Member: Any applicant who is a family member of a Trustee involved in the selection of the scholarship recipient shall not be qualified to receive such a scholarship unless the following conditions are met. The individual Trustee who is related to the applicant shall not be included on the selection committee when it is reviewing a transaction. That individual may meet with other Trustees only to answer questions, but otherwise must recuse himself from the meeting and may not be present during debate and voting on the scholarship award.

6. Scoring: Applications will not be formally scored, but each will be discussed in the Scholarship Committee meeting.

7. Terms and Conditions of Scholarships. The following terms and conditions will apply to every scholarship grant awarded pursuant to the procedure described herein:

(i) Each Scholarship will be awarded in amount determined by the Board of Trustees, not to exceed the anticipated cost of the recipient's tuition, board, room, fees, books, supplies, travel costs, and incidental expenses for attendance at the educational institution selected by the recipient. The institution must be described in Code section 170(b)(1)(A)(ii).

(ii) The course of study for which scholarship grants are available is not limited. No scholarship will be conditioned on the recipient's choosing a particular course of study.

(iii) In most cases, scholarship payments will be paid by the Fund directly to the individual instead of the educational institution.

8. Approval: The Board of Trustees shall vote on the scholarship applications, approving those with the most merit based on the scholarship criteria set forth in the Application.

9. Number of Scholarships available: The number of scholarships to be given each academic year will be determined by the board of Trustees depending on the amount of funds available. (It is anticipated that about 35 scholarship awards of between \$200 to \$1,000 each will be granted each year.)

10. Notification: Scholarship applicants will be notified in writing by the Treasurer of the Fund's decision to award the scholarship.

11. Records Retention. The Fund shall retain written records pertaining to scholarships awarded under this procedure, including the following:

(i) All information used to evaluate the qualifications of potential recipients. This information includes but is not limited to, scholarship applications, case histories, reference information, transcripts, notes of Scholarship Committee and Board discussions concerning award selection, scholarship award notices, and any related correspondence,

(ii) Identification of each recipient (including any relationship of the recipient to the Fund sufficient to identify the recipient a disqualified person of the Fund within the meaning of 4946(a)(1)).

(iii) The amount and purpose of each scholarship.

(iv) Reports and other follow-up information obtained under this procedure.

All relevant documents shall be retained as long as legally required, but no less than at least four years.
