Form 990, Part VI, Line 11b - Organization's Process to Review Form 990
Form 990 is prepared by the accounting department of an affiliated company with assistance from knowledgeable employees of the reporting organization and is reviewed by Senior Management. A copy of the final Form 990, including all required schedules, was provided to the President and in-house legal counsel for review.

Form 990, Part VI, Line 12c - Enforcement of Conflicts Policy
Officers are required annually to review the Conflict Of Interest policy which defines conflicts of interest and advises that all such conflicts should be avoided if possible. All Officers are required to report any conflicts of interest as they become aware. It is the responsibility of the directors to disclose potential conflicts of interest at the earliest possible meeting of the Board of Directors.

employee has an individual performance plan and are reviewed annually for merit increases. The amount of individual merit/salary increases are determined based on the compa-ratio (hourly rate relative to salary range midpoint), the numbers of months since their last increase and performance score (rating) and the organization's Annual Merit Guidelines.

Each position is assigned a salary range based in the Hay Methodology of Accountability, Know How and Problem Solving ability. Salary range midpoints (the midpoint represents 100% of the market) increase each year based on external market data. The organization participates in numerous salary surveys. Depending on the position, the survey data may be industry specific (e.g. healthcare) or from other industries. Currently, executive position market data comes from Watson Wyatt, Integrated Healthcare Strategies, Sullivan Cotter and Hay Consulting.

The Annual Merit Guidelines are determined by the organization's ability to pay (budget). The Annual Merit Guidelines provide a merit increase percentage range based on the individual employee's performance rating and compa-ratio. For executives, the CEO and VP, Human Resources review the suggested merit increase and make recommendations to the Compensation Committee composed of Directors. The final recommendations of the Compensation Committee are approved by the Board of Directors. The organization had an external review of compensation practices performed by Watson Wyatt in 2008 and by Hewitt and Associates in 2010.
