Identifier	Return Reference	Explanation
Description of Intended Use of Endowment Funds	Part V, Line 4	To benefit Children's Services, Senior Services and/or Adoptions, as specified within each endowment restriction
Description of Uncertain Tax Positions Under FIN 48	Part X	On April 1, 2009 LSSS adopted the provision under ASC Topic 740, Income Taxes, that clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribes a recognition threshold and measurement attribute for financial statement disclosure of tax positions taken or expected to be taken on a tax return. LSSS evaluates uncertain tax positions, if any exist, under this provision. LSSS accounts for uncertainty of income taxes based on a "more-likely-than-not" threshold for the recognition and de-recognition of tax positions, which includes the accounting for interest and penalties relating to tax positions. At the adoption, there was no liability for uncertain tax positions due to the fact that LSSS's federal income tax status was not considered an uncertain tax position. LSSS currently does not have any tax positions that it would consider uncertain at March 31, 2011.

	Form 990, Part VI, Section B, line 15	LSSS review s annually the compensation of its CEO, officers, top executives and key individuals. They use non-profit salary-compensation data to evaluate and set their salary grade system of all employees. LSSS uses the following process to establish the compensation of the Chief Executive Officer. The Chair of the board of directors, on an annual basis, appoints a Personnel Committee, comprised of five members of the board of directors. None of these members has a "conflict of interest" as defined in the instructions to Part VI, Form 990. The Personnel Committee voted unanimously to approve the compensation arrangements. The details of such arrangements are also shared with the full board of directors. The committee uses a wide range of data as to comparable compensation for similarly qualified persons in functionally comparable positions at similarly situated organizations in establishing compensation for the CEO. This data includes not-for-profit organizations, including other Lutheran organizations, charities, foundations, associations, higher education, governmental, and health care services.
