Part V Supplemental Information

Complete this part to provide additional information for responses to questions on Schedule L (see instructions).

During 2010, Hands of Love received certain amounts that were designated by the donor for purposes that did not fall under our normal gift classifications. Consistent with our purpose and policy, we submitted these amounts to our partners in Uganda and communicated the donors request for how those funds would be used. The designation attached to these amounts dictated that they be used to pay off the mortgage on the house owned by the president of Hands of Love, who resides in Uganda and oversees the charitable purpose. Some contributions also went toward running a water line to the community in which his house is located.

The BOD of Hands of Love Found. has determined that each of these uses is consistent with advancing/supporting the mission of Hands of Love. The Director and his family frequently host both staff and children from the Hands of Love orphanage. This is done in order to provide community and a strong sense of family for the orphaned children. It is also a chance for the children and staff to be in a place where they are served and ministered to. As to the water line, the same reasons apply in that the water can be run to the Director's home.

Lastly, the new water line will also greatly reduce the effort and cost necessary to eventually run water to the orphanage itself as the orphanage is in the same community.

In pursuit of our main goal of supporting the orphaned children of Uganda: HOLF had a net gain of 112 children sponsored Reaching this goal allowed us to bring several dozen more unsponsored children into the orphanage. We now have over 250 children being fed, clothed, housed and educated. Donations were made to supply a house for the director, which serves as a temporary home for some of the orphans and is a major part of the HOLF orphan ministry. Donations were also received to have water piped in so that running water would be available in the home and in the neighborhood of the orphanage. • Several teams of missionaries went during the fiscal year all of them providing food at the orphanage and support for the staff. One new, permanent classroom building was added to the orphanage the foundation was laid for a 5 story dormitory and one story was completed. Specific donations were made to pay for these buildings
