SEE STATEMENT 16

HOW TO APPLY FOR A GRANT

The Foundation encourages organizations with interesting ideas, initiatives, and projects that fall within our guidelines to apply for a grant. Specifically, we are interested in projects that

- Enhance lives through the arts,
- Preserve and encourage use of urban parks

There are two ways to approach the Foundation for funding

The first is by Letter of Inquiry. Organizations interested in pursuing funding are strongly encouraged to first write a two-page Letter of Inquiry. Letters of Inquiry allow both the organization and Foundation to explore ideas before investing in a full proposal. The letter should provide background on the applicant organization, explain the problem it proposes addressing, describe the proposed project, and estimate total project costs and the amount to be requested from the Foundation. The Letter may not be more than two pages in length and should be submitted on the agency's letterhead and signed by the agency's board president.

Letters of Inquiry are reviewed at regular Trustee meetings and should be submitted to the Foundation no later than September 1 for October review, December 1 for January review and March 1 for April review. Since a Letter of Inquiry is a more flexible approach, it is possible that letters may be accepted after the deadline for late-breaking or time-sensitive requests. Following the Trustee meeting, staff will inform your organization whether or not you are invited

to submit a full proposal. Organizations invited to continue in the process will have one month to prepare a full proposal. It is important to note that an invitation to submit a full proposal does not guarantee a grant award will be made to your organization.

The second approach is through the submission of a full proposal and a completed Whitaker Foundation Proposal Summary Form. Applicants must contact the Foundation before submitting a full proposal.

A Proposal Summary Form may be obtained by contacting the Foundation. This three-page form serves as an executive summary for the application and must accompany the proposal. The full proposal should include:

- an organizational background including mission, history, types of programs offered and constituencies served
- an analytical discussion of the problem the project plans to address
- detailed information about the project, its execution, time frame, goals, objectives and methodologies, and how it will be evaluated
- a project budget noting anticipated expenses, including details of how Foundation funds will be used, anticipated income, and information about other grantmakers approached for funding
- an organizational budget noting revenue and expenses, the organization's most recent audited financial statements, and a list of public and private sources of income
- supporting documents that include a list of current board members with their titles, an annual report, and evidence of 501(c)3 tax-exempt status

Proposals with completed Whitaker Foundation Proposal Summary Forms are due August 1 for October review, November 1 for January review, and February 1 for April review. These deadlines are not flexible.

All proposals and Letters of Inquiry are screened and evaluated by the staff before presentation at Trustee meetings.

The Foundation does not support social events such as galas or golf tournaments, preferring to support project-related requests. Faxed or emailed proposals, Letters of Inquiry or Proposal Summary Forms are not accepted. Please do not submit proposals in notebooks, binders, or plastic folders.

All proposals, Letters of Inquiry, or requests for information should be directed to Executive Director, Whitaker Foundation, 308 N. 21st Street, Suite 400, St. Louis, Missouri 63103.
