- H. Listing of board of directors and officers of the organization and their affiliations
- I. Agreement to report to the Roman Foundation evaluation procedures and final results of programs to which we have offered support
- J. All proposals should be direct, concise and simply phrased. Meetings are currently scheduled for March. However, applying organizations should confirm meeting date prior to submitting requests by contacting Kathy Lovig at (913) 294-3811. Proposals must be received at least four weeks prior to the month in which the request is to be reviewed. Following receipt of a proposal, final decision can be given within a period of twelve weeks, at which time the requesting organization will be sent written notification of the status of the request. Multiple proposals in a single calendar year from one organization are discouraged.

Recipient Accountability

Recipients of major grants, if designated by the trustee, are required to make periodic written progress reports. At the expiration of the grant, recipients are also required to submit a written narrative report together with an accounting of all disbursements.

It is the responsibility of the grant recipient to ensure that the grant is used for the purpose indicated in the grant request. In certain cases, the recipient may be asked to sign a statement to this effect. If for any reason the grant is used for other than the stated purpose, the Foundation reserves the right to withdraw funding.

Roman Foundation
E.I.N. 68-6216887

Evaluation Guidelines

1. Whether or not the program serves a "charitable purpose" as described earlier
2. Whether or not the requesting agency operates independently or as a chapter of a national organization, except those which have previously been supported
3. The programs impact on the community
4. The efficiency of the requesting organization's structure and management, including establishing of objectives, budget and board of directors and staff responsibilities
5. Possible duplication of government or private sector efforts
6. Whether, and in what way, the success or failure of the program can be effectively measured
7. Evidence of broad community support.

Limitations

Because we cannot fund every worthwhile endeavor, we direct our resources to those areas where we feel the most critical needs exist and where our support can have the greatest impact. *In general*, the Foundation does *not* consider funding the following:

1. Organizations and programs designed to influence legislation or elect candidates to public office
2. Agencies which are operating as chapters of a state or national organization
3. Individuals
4. Sectarian or religious organizations whose services are limited to members of any one religious group
5. Tickets or tables for benefit purposes
6. Advertising for benefit purpose
7. Loans or investments

The guidelines will be followed to determine merit and order of proposals accepted. The rejection of a proposal should not be construed as a negative reaction to a particular organization or project, but rather as a selective choice on the part of the Roman Foundation Trustee to use limited resources in an alternative fashion.
