The Compensation Committee is comprised solely of independent trustees, none of whom have a conflict of interest with respect to the compensation arrangement; the Compensation Committee is accountable for setting reasonable compensation packages for officers and key employees (including the University President). The Compensation Committee develops, consistent with the University's vision, mission, and values, the annual performance goals and criteria to be used in determining merit increases and variable compensation criteria for officers and key employees. The Compensation Committee (in coordination with the University's Human Resources Department) also reviews comparable compensation and benefits information to analyze and provide benchmarking data for the total compensation and benefits packages of officers and key employees. Appropriate comparability data is obtained from independent experts, including total economic benefits paid by similarly situated organizations (both taxable and tax-exempt) for similar job responsibilities. Key deliberations of the Compensation Committee are documented in minutes which are approved at the next Compensation Committee meeting.
