APPLICATION FOR GRANT

The DJ & T Foundation awards two types of grants. They are (1) Spay/Neuter Clinic grants and (2) Spay/Neuter Assistance Program (SNAP) Grants. These grants are described below. Please indicate the type of grant for which you wish to apply by placing an "x" in the box next to the grant description.

When applying for both a Clinic and a SNAP at the same time, you only need to provide one set of supporting documents.

- ☐ **Clinic Grant: Granted to 501 (c) 3 organizations that operate low-cost spay/neuter clinics or are planning to open one.** Funds are also granted to 501 (c) 3 organizations that operate a low-cost mobile spay/neuter clinic or are planning to start one. Our Clinic Grants require an emphasis on dogs, and in particular on medium and large dogs in targeted, high-problem areas.
- ☐ **Spay / Neuter Assistance Program (SNAP) is a reimbursement grant, granted to 501 (c) 3 organizations with established public outreach programs for companion dogs with homes or that are planning to establish such a program.** Grantees that adopt out dogs may not provide or use DJ & T SNAP Grant funds in any manner whatsoever in connection with dogs in their care, funds may never be used to reduce, offset or supplement adoption fees, or to pay spay/neuter fees prior to or after adoption, or to supplement or pay for spay/neuter surgeries for dogs in foster, adoption, rescue or sanctuary programs. Grantees may not share a SNAP Grant in any other manner whatsoever with organizations or individuals involved in foster, adoption, rescue or sanctuary programs. DJ & T SNAP Grants are to be used only in public outreach programs, to provide spay/neuter surgeries for dogs belonging to individuals who are unable to pay for the surgery. No exceptions.

After placing an "x" in the box beside the grant for which you wish to apply, please fully complete the remainder of this application. **For your application to be considered, all information requested must be supplied. Please submit the application intact – do not separate or place anything between the pages. All supporting information is to be placed behind the application.** See additional instructions on pages 4-5, lines A – I

The only place that you may write on the application is where lines are provided; please fill these in completely. Items A – I must be provided as separate attachments, in the same sequence listed. Paper clips may be used, however please do not staple or bind the application in any other manner.

Please read our Frequently Asked Questions at www.djtoundation.org before filling out the application. The FAQ provides detailed information on our program as well as the application process, and we REQUIRE that your representative/contact person read the FAQ prior to your application interview with the DJ&T Foundation representative.

You MUST attach the following attachments in support of your application:

- A.** A summary of how you propose to use the grant that you are requesting. This summary must include
- How you will target high-problem areas and medium and large dogs which produce the largest litters,
 - How people will obtain applications and vouchers,
 - Your understanding of who may receive assistance from the DJ&T grant

No one other than the grantee may issue vouchers.

B. Clinic Grant:

1) Clinics must provide their fee schedule for dog spay/neuter surgeries. Please provide complete information on your prices to the public by weight and gender, including additional fees (if applicable) for complications such as in heat, pregnancy and cryptorchid.

2) In addition, you must attach an itemized list of the items you are requesting, with the cost per item, the quantity, and the total cost for each item. Total up the items and place the total at end of list. This is the amount of your clinic grant for equipment and supplies.

Attach copies of catalogue pages, if available, **in the same sequence as the itemized list**, for every item. You may apply for consumables, but we do not need to see a catalogue page for any consumables. If there is more than one item on the catalogue page, please clearly indicate which item(s) you are requesting. If ordering cages, you must indicate the size and number.

NOTE: Please see Sample Clinic Grant Budget, below.

All items paid for by the DJ&T Foundation must be ordered by the grantee. Provide a list of all vendor contact information (phone numbers, e-mail addresses, and the vendor representative) for all items. If you are requesting something other than equipment in your grant, please explain in detail.

SNAP Grant:

This is a reimbursement grant. Provide as a separate attachment veterinarian prices for total cost of spay/neuter surgery by weight and gender. List any additional fees which may be charged to the client, such as office visit, examination, lab work, pain medications, antibiotics, vaccinations, in heat, pregnant, or cryptorchid, etc. We need this information for every veterinarian you plan to use in the program.

A SNAP grant may be used with participating veterinarians as well as in the organization's own spay/neuter clinic. SNAP grants may be applied for more

than once a year. SNAP grants must be used within one year of the date of the contract. Unused grants will revert back to the DJ&T Foundation.

NOTE: If you are requesting both a Clinic and a SNAP grant at the same time, only one set of supporting documents is necessary.

- C. Description of qualifications of personnel assigned to project. Please provide a short description of the qualifications of whoever is administering the program.
- D. List of principal officers and directors of your organization with contact phone numbers. We DO NOT need your bylaws or articles of incorporation.
- E. List the name, title and salary of the three highest paid employees of your organization. For Clinic grants, also provide the name and salary for veterinarians, vet techs, and contract employees.
- F. Copy of Internal Revenue Service status letter, stating that applicant is an exempt organization under section 501 (c) 3 of the Internal Revenue Service Code. The name of the applying organization must be identical with that on the status letter. If your determination letter was issued more than 10 years ago, please provide a more current status letter from the IRS.
- G. Most recent fiscal year end tax return (990 Form) and financial statement if your income is \$50,000 or more. If income is less than \$50,000, please provide a current financial statement.
- H. Please submit a sample flyer you would use to publicize your spay/neuter program.
The requirements for the flyer are listed in the FAQ under the section titled "WHAT ARE SOME OF THE BEST WAYS TO DO OUTREACH?"
- I. All correspondence in reference to your grant application or grant must include complete contact information. Name of organization; phone number, date of correspondence, contact person, business, home and cell phone numbers; e-mail address if available, and DJ&T account number if one has been assigned.

You may not use or mention Mr. Barker's name or the DJ&T Foundation to advertise or promote your spay/neuter program, or in any manner whatsoever, including but not limited to newsletters, newspaper articles, ads, etc.
