Part IV Supplemental Information. Complete this part to provide the information required in Part I, line 2, and any other additional information.

Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

Grant recipients are required to forward reports at 6 months and 12 months.

A narrative details progress towards the goal while a finance report explains expenditures. If reports are not received on a timely basis, a call is made. In this way, results are assured. Occasionally, this process uncovers a problem. In that case, the recipient must redraft a proposal for the use of funds, or funds not spent are returned.
