Schedule L, PART II

The Foundation has provided a loan to a member of the board. The loan provided to the member of the board was for personal use. The Foundation throughout its history has made this type of loan to employees in good standing. The Foundation also provided unsecured, interest bearing, demand loans to other employees. Certain loans bear interest at the applicable federal rate at December 31st for the preceeding 12 months. The majority of the loans were made for recruitment purposes. The amounts for the recruitment loans were determined by restricted donations provided by Children's Hospital for use in recruitment. The loans will be forgiven over the terms of the notes, if the recipients remain employed at the Foundation or its affiliates. The amount of the loan forgiveness will be included with accrued interest, if applicable, as comensation in the year forgiven.

review will be conducted before filing the return with the Internal Revenue Service.

Form 990, Part VI, Section B, Line 12c: The Physicians' Organization at Children's Hospital, Inc. (PO) administers an annual conflict of interest disclosure process to all of its member Foundations, which asks physicians (officers, top management, and highly compensated employees) and selected Foundation staff to disclose potential conflicts. A disclosure statement will be circulated annually to members of the PO. The PO audit committee shall determine those individuals (including medical staff members) who shall be required to complete the disclosure statement. The PO audit committee, at its discretion, may either: 1) refer any or all disclosure statements to the Board of Directors; 2) appoint an ad hoc committee to review and resolve any conflict of interest issues; or 3) review and resolve any conflict of interest issues personally or through a designee(s). Any person not receiving a disclosure statement nevertheless has an affirmative obligation to disclose to the PO President, PO General Counsel, or his/her supervisor whenever he/she believes he/she has or may have a conflict of interest. Similarly, each person completing a disclosure statement has an affirmative obligation to update the statement any time circumstances change and/or he/she believes that a conflict of interest may exist. In the event a conflict of interest is found to exist, the Foundation prohibits the member from voting on any matter to which the conflict relates or otherwise influence the voting on such matter.

Form 990, Part VI, Section B, Line 15: All the physicians (top management, officers, and highly compensated individuals) fall under compensation guidelines determined by Harvard University, with limitations established

for certain position/ranks within the medical school. Annually, compensation is reviewed and reported to the Hospital's Board of Trustees to ensure that total direct and indirect compensation does not exceed the pre-determined guidelines of Harvard University. Any new indirect benefit plan requires approval by the Foundation's Board of Directors, which then must be reviewed and permitted by the Hospital. Major procedures of the approval process involve comparing compensation data of physicians within the comparable field of medicine, indirect compensation currently being offered, and the financial stability of the Foundation. This process was followed for the year ended June 30, 2011.
