Pt X On July 1, 2009, the Foundation adopted the recognition requirements for uncertain tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required.

Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The foundation has analyzed tax positions taken for filing with the Internal Revenue Service. The foundation believes that income tax positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the

Foundations financial condition, results of operations or cash flows. Accordingly, the Foundation has not
