Identifier	Return Reference	Explanation
Part X	Part X FIN48 Footnote	The Foundation has adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Foundation has analyzed the tax positions taken in its filings with the Internal Revenue Service and state jurisdictions where it operates. The Foundation believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Foundation's financial condition, results of operations or cash flows. Accordingly, the Foundation has not recorded any reserves or related accruals for interest and penalties for uncertain income tax positions at June 30, 2011. The Foundation is subject to examinations by Federal and New York State taxing jurisdictions for the year ended June 30, 2008, 2009 and 2010, however, there are currently no examinations for any tax periods in progress.
