Description of Intended Use of Endowment Funds	Part V, Line 4	Endowment funds are created to support the healthcare ministry of St. John Health System Hospitals. The distributions from an endowment provide a dependable source of income each year to help St. John continue to meet the community's healthcare needs.
Description of Uncertain Tax Positions Under FIN 48	Part X	The member health care entities of the System are primarily tax-exempt organizations under Internal Revenue Code Section 501(c)(3) or 501(c)(2), and their related income is exempt from federal income tax under Section 501(a). The System accounts for uncertainty in income tax positions by applying a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. During the year ended June 30, 2011, the System recognized other revenue of approximately \$9,000,000 related to medical resident FICA refunds that had been remitted to the Internal Revenue Service (IRS) during years ended prior to March 2005. Such amounts represent management's estimate of claims submitted to the IRS related to the IRS acceptance of residents' qualification as students for purposes of determining Medicare and social security tax.
