Briefly describe the organization’s mission

The College Crusade of Rhode Island's mission is to increase educational and career success for youth in Rhode Island's low-income communities. Since our inception in 1989, our programs have been building the confidence, academic skills and supportive adult relationships that youth need to develop their full academic and career potential. The College Crusade serves approximately 3,500 students in grades 6-12 from Providence, Pawtucket, Central Falls and Woonsocket, Rhode Island who are facing incredible barriers to school achievement. Ninety-seven percent (97%) of our program's participants, or "Crusaders", are from very low-income families (i.e. eligible for free or reduced lunch) and 88% are from racially/ethnically diverse families. We help Crusaders prepare for college by providing seven years of consistent adult support and guidance through our Advisory services, along with a rich array of academic and social/personal development programs.

The College Crusade Advisory. The success of The College Crusade's program primarily lies in our seamless system of steady adult support for students from grade 6 all the way to high school graduation. We place a team of 24 full-time middle school and high school Advisors in 32 schools in our four target districts throughout the academic year to personalize the college-bound experience for the students in our program. These Advisors forge relationships with Crusaders and encourage them to pursue high academic goals. College Crusade Advisors are a diverse group of young professionals who understand the challenges that young people in disadvantaged communities face. Because they are from similar backgrounds and have achieved educational success, they are compelling mentors for the young people we serve. Students often report that their Advisor is the only positive role model they have in their lives. During this reporting period, College Crusade Advisors provided services to 2,916 students.

Crusade Adventure and Academic Program. Middle school is often the time when economically disadvantaged students begin to fall far behind their peers in school. The College Crusade provides an intensive program for middle school Crusaders called The Crusade Adventure and Academic Program ('CAAP'), which focuses on leadership development, team building, problem solving, critical thinking and conflict resolution integrated with literacy development. It provides participants with opportunities to take healthy risks while facing progressively more difficult challenges, to learn from their successes and failures, and to acquire the developmental assets that will enable them to overcome the challenges that lie ahead. From recent focus groups with former participants, it is clear that the program has a profound long-term impact on their ability to identify the components of an academic or personal challenge, make creative use of the tools at their disposal, and address the challenge. This program is provided during the academic year (over the course of 10 consecutive Saturdays) and during the summer (for a two-week session, five days per week, from 9am-3pm each day). During this reporting period, 382 students attended CAAP.
