Schedule J Supplemental Information	Part III, Line 1a	First Class Travel - In general, it is the college's policy that first class travel is not authorized for college employees traveling on college business. However, in recognition that the president typically works during flights, attends directly to business upon arrival, and cannot schedule in time for adequate rest, the board of managers has approved the use of first class travel for the president on domestic and international flights over three hours in length. This policy extends to the president's spouse when he or she accompanies the president on business travel. For all other employees (faculty and staff), first class travel must be pre-approved by the president or his/her designate. Travel for companions - In certain authorized circumstances the college will pay, or will reimburse for the travel, meals and expenses of the spouse/partner of an employee under the college's accountable plan. Reimbursements are considered taxable income to the employee unless the companion travel is 1) for a bona fide business purpose, 2) directly benefits the college, and 3) is properly documented and approved. Any spouse/partner travel other than the president must be approved, in advance, by the president or his/her designate. Tax gross-up - Retirement payments to employees may include a gross-up for a portion of the benefits paid. Residence Requirement - As a condition of employment the President and the Dean of Students maintained their full time residence in College-provided housing and used the residence for College business and entertainment purposes. Social club dues - Membership dues were provided to two New York University clubs to be used primarily for business purposes (entertainment / travel).
