F990_P03_S00_L00a	Form 990, Part III (Cont 1)	<p>The Missionary Sisters of the Most Sacred Heart religious order in Germany arrived in Allentown on June 15, 1912 to help care for the sick and injured of the Sacred Heart Parish during a widespread diphtheria outbreak. As diphtheria raged, the Sisters gave dispensary services as well as visiting nurse services. This was the actual "start" of Sacred Heart Hospital. In 1915, the actual founding of Sacred Heart Hospital as a community institution was formalized and dedicated. Two years later, Sacred Heart Hospital was officially incorporated under Pennsylvania law. In 1920, Sacred Heart Hospital received approval to train interns and in 1922 was accredited by the American College of Surgeons. Since then, Sacred Heart Hospital has expanded its campus and its reach across our community. Our campus includes a 233-bed Catholic medical center which offers a wide range of advanced medical, surgical and outpatient hospital services. Sacred Heart HealthCare System and its Affiliates ("Sacred Heart") provides a vast range of specialty services at our 421 Chew Street location in Allentown, PA, including bariatric services, behavioral health, cancer care, cardiac services, emergency services, endovascular services, imaging services, laboratory services, lung and respiratory services, neurodiagnostic testing, neurology, orthopedics, senior services, sleep disorders, stroke care, surgical services, transitional care, women's health, pain management and wound care services. In addition to hospital services, Sacred Heart provides an extensive list of medical services outside of the hospital to better meet the needs of our patients and community populations. A network of physician practices throughout Lehigh and Northampton Counties provides complete primary medical care to the region's residents. In addition to the physician practices, Sacred Heart provides access to outpatient services including laboratory, imaging, retail pharmacy, infusion, medical equipment, respiratory and outpatient rehabilitation. Sacred Heart offers outreach to community members in need of care through its vibrant home health program reaching patients in their home environment after hospitalization or medical care. Sacred Heart's Hospice program supports many families with a goal of enabling terminally ill patients, young and old, to live life to the fullest in their homes among family and friends. Through three parish nurses, Sacred Heart impacts congregations of individuals, providing holistic nursing care to faith community members across the life span and facilitates wellness and the promotion of a healing community. Sacred Heart also functions as an educator for parish nurses throughout the Lehigh Valley through the Parish Nursing Coalition of the Greater Lehigh Valley. To help ensure children in our community receive high quality health care, Sacred Heart provides care through five school-based health centers. Our goal for the centers is to provide accessible and affordable children's health care and to offer health education to the children and their families. These centers are housed in elementary schools in the Allentown School District. In addition to school-based health centers, Sacred Heart offers two pediatric practices to meet the needs of our youngest citizens. Sacred Heart offers a dental clinic to meet increased need for adults and children in our community as well as an OB/GYN clinic to meet the needs of women in our community. Throughout Sacred Heart HealthCare System 249,945 patients were serviced from July 1, 2010 to June 30, 2011. Sacred Heart HealthCare System is proud to offer residencies and educational programs to physicians and other health care professionals. We offer three residency programs as well as a Lunch & Learn lecture series about geriatrics and various health care topics. Sacred Heart HealthCare System offers Dental Medicine, Family Medicine, and Geriatric Medicine Residency programs.
