		There has been no change since the previous year in how the organization chooses the independent accountant performing the audit of the organization's financial statement. The Organization follows the guidance of ASC Topic 740, Income Taxes Accounting for Uncertainty in Income Taxes An Interpretation of FASB Statement 109 which clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements. This interpretation prescribed a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. In addition, ASC Topic 740 provides guidance on derecognition, classification, interest and penalties, disclosure and transition. The Organization adopted the provisions of ASC Topic 740 and they had no impact on the financial position, results of operations, and cash flows. Based on its evaluation, the Organization has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Organization's evaluation was performed for tax years ended June 30, 2007 through June 30, 2011 for federal income tax, the years that remain subject to examination by major tax jurisdictions as of June 30, 2011.
